Monty Python's Flying Circus Darl Larsen,2008 Known for its outrageous humor occasionally controversial content and often silly spirit Monty Python s Flying Circus poked fun at nearly everything Indeed many of the allusions and references in the program were routinely obscure and therefore not always understood or [Her Dream of Dreams](#) Beverly Lowry,2011-07-20 I am a woman that came from the cotton fields of the South I was promoted from there to the wash tub then I was promoted to the cook kitchen and from there I promoted myself into the business of manufacturing hair goods and preparations Madam C J Walker National Negro Business League Convention 1912 Now from a writer acclaimed for her novels and the memoir Crossed Over a remarkable biography of a truly heroic figure Madam C J Walker created a cosmetics empire and became known as the first female self made millionaire in this nation s history a noted philanthropist and champion of women s rights and economic freedom These achievements seem nothing less than miraculous given that she was born in 1867 to former slaves in a hamlet on the Mississippi River How she came to live on another river the Hudson in a Westchester County mansion and in a New York City town house is at once inspirational and mysterious because for all that is known about the famous entrepreneur much that occurred before her magnificent transformation years that trace a circuitous route across the country remains obscure By breathing life into scattered clues and dry facts and with a deep understanding of the times and places through which Madam Walker moved Beverly Lowry tells a story that stretches from

the antebellum South to the Harlem Renaissance and bridges nearly a century of our history in her search for the distant truths of a woman who defied all odds and redefined conventional expectations Wherever there was one colored person whether it was a city a town or a puddle by the railroad tracks everybody knew her name Violet Davis Reynolds Stenographer Madam C J Walker Co

Mesopotamia Arthur Nersesian,2010-07-01 Thoroughly entertaining with an offbeat sense of humor There s a solid mystery here underneath the goofiness Booklist Things have not been going well for journalist Sandy Bloomgarten Her job went down the drain and her marriage quickly followed After a lengthy bender she awakens one morning to the stark realization that she is flat broke Nonetheless she s still a crack reporter and when a tabloid offers her a freelance assignment in Memphis just a stone s throw from her childhood home in Mesopotamia Tennessee she takes it Though sent there for one story she winds up tracking down another someone is killing Elvis impersonators who perform at the annual Sing the King festival The few available clues lead her to several unlikely characters a cheating local minister constantly on the make a strange band of misfits who only cover Elvis tunes and a small town private eye who blew himself up along with his crystal meth lab As Sandy s investigation closes she realizes that she is sitting on what could be the story of the century The only problem is she can never reveal what she has found The immortal shadow of Elvis Presley gyrates wildly through this satiric exploration of America s fascination with tabloid journalism Publishers Weekly
