The Gun And The Olive Branch:

The Gun and the Olive Branch David Hirst, 2003 More than a decade before Israel's New Historians revolutionized the study of Israeli history English journalist David Hirst wrote *The Gun and the Olive Branch* a classic myth breaking general history of the Israeli Palestinian conflict Hirst former Middle East correspondent of the Guardian traces the origins of the terrible conflict back to the 1880s to show how Arab violence although often cruel and fanatical is a response to the challenge of repeated aggression *The Gun and the Olive Branch* is an absorbing potentially controversial history of the Middle Eastern conflict that is indispensable to anyone with an interest in world politics and by partisans of both sides This classic and controversial account of the origins of the Middle East conflict returns to print updated with a lengthy introduction that reflects on the course of recent Middle Eastern history especially the abortive Israeli Palestinian peace process and 9 11

The Gun and the Olive Branch David Hirst, 1984 Narrates the history of the conflict between Jews and Arabs in Palestine since the 1880s when the first Zionist pioneers came to Palestine [The Case Against Israel](#) Michael Neumann, 2005 A measured but relentless assessment of the long struggle between Zionists and Palestinians [Fateful Triangle](#) Noam Chomsky, 2015-02-17 A comprehensive indictment of what Noam Chomsky calls the disgraceful and extremely dangerous policy the US has enacted towards Israel *Once Upon a Country* Sari Nusseibeh, Anthony David, 2015-09-22 A Palestinian intellectual politician and peace activist documents his displaced life in the region in this captivating memoir The Washington Post A New York Times Book Review Editors Choice One of the best personal accounts of the Israeli Palestinian conflict ever written A fascinating and deeply intelligent memoir Ethan Booker The New York Times A teacher a scholar a philosopher and an eyewitness to history Sari Nusseibeh is one of our most urgent and articulate authorities on the conflict in the Middle East From his time teaching side by side with Israelis at the Hebrew University through his appointment by Yasir Arafat to administer the Arab Jerusalem he has held fast to the principles of freedom and equality for all and his story dramatizes the consequences of war partition and terrorism as few other books have done This autobiography brings rare depth and compassion to the story of his country Terrific highly recommended for those who want to appreciate the dilemma of the Palestinian democrat Christopher Hitchens Slate *Once Upon a Country* is a subtle sad and humorous memoir that casts a fresh light on the Israeli Palestinian tragedy and a vivid picture of Palestinian society as well Amos Oz author of *A Tale of Love and Darkness* **Beware of Small States** David Hirst, 2010-08 *Beware of small states* wrote the Russian anarchist Michail Bakunin for they are the victims of greater states yet a source of danger to them too Lebanon a country half the size of Vermont might almost have been designed to be the small state of the Middle East It is the battleground on which the region's greater states pursue their strategic political and ideological conflicts conflicts that sometimes escalate into full scale proxy wars In this magisterial history of Lebanon from the end of the Ottoman rule to the Hizbullah and Hamas wars of today David Hirst the acclaimed and fiercely independent Middle East journalist and historian charts with extraordinary skill

and lucidity the intricate interplay between Lebanon and its geopolitical environment This history of Lebanon is also a history of the whole Middle East and above all of the Arab Israeli conflict Several states from inside the region and beyond have impinged on Lebanon throughout its history invading attacking and occupying it but none has done so more strenuously and disruptively than Israel Hirst who has been banned from traveling in six Arab states and was kidnapped twice during Lebanon s civil war takes an unsparing look at Israel s role providing extraordinary accounts of the invasions of 1982 and 2006 as well as Israel s shock and awe attack on Gaza in early 2009 Hirst warns that only serious diplomatic action from the new Obama administration can prevent the next proxy war spiraling into a conflict that engulfs the entire region The War of the Rebellion United States. War Department,1891 **The War of the Rebellion: v. 1-53 [serial no. 1-111] Formal reports, both Union and Confederate, of the first seizures of United States property in the southern states, and of all military operations in the field, with the correspondence, order and returns relating specially thereto. 1880-1898. 111 v** United States.
