Surreal Eden Margaret Hooks, 2007 Socialite Edward James was a patron of surrealist artists such as Salvador Dali and Rene Magritte Focussing on James years in Mexico Surreal Eden describes his estate of Las Pozas where he built one surrealist structure after another providing full employment for the nearby town From buttocks sticking out of a hillside to an elaborate aviary built on high rise towers Las Pozas is a surreal tribute to one of the most eccentric personalities of the early 20th century **Edward James, Poet, Patron, Eccentric** John Lowe, 1991 **The Cumulative Book Index** , 1922

Ambit , 1987 **Country Life** , 1987 Edward Thomas: Prose Writings: A Selected Edition Edna Longley, 2023-10-12 Edward Thomas can be seen as the most important poetry critic in the early twentieth century Thomas was a prose writer before he was a poet The Selected Edition of his prose and especially this volume shows that he was also a critic before he was a poet His unusual literary career opens up key questions about the relation between poetry and criticism as well as between poetry and prose Thomas wrote books about poetry but his criticism mainly took the form of reviews He reviewed collections editions and studies of poetry most regularly for the Daily Chronicle and the Morning Post These reviews amount to a unique commentary on the state of poetry and of poetry criticism after 1900 Since reviewing provided Thomas s main income he also reviewed other kinds of book Hence the sheer mass of his reviews the stress he suffered as a literary journalist Yet his criticism maintains an astonishingly high standard Thomas s response to contemporary poetry intersects with his readings of older poetry No critic or poet of the time was so deeply acquainted with the traditions of English language poetry or so alert to new poetic movements in Ireland and America Edward Thomas s writings on poetry have a double importance Besides suggesting the hidden evolution of his own aesthetic they constitute a lost history and critique of poetry before the Great War They change our assumptions about that period Thomas s perspectives on poets such as Yeats Hardy Frost Lawrence and Pound illuminate the making of modern poetry God's Word and Man's Heart: the Gospel the Key to the Problems of Man's Moral Nature: Sermons ... John Jackson (Bishop of London.), 1864 **God's Word and Man's Heart: the Gospel the key to the problems of man's moral nature. A.C. Swinburne and the Singing Word Dr Yisrael Levin, 2013-04-28 Focusing on Algernon Charles Swinburne s later writings this collection makes a case for the seriousness and significance of the writer s mature work While Swinburne s scandalous early poetry has received considerable critical attention the thoughtful rich spiritually and politically informed

poetry that began to emerge in his thirties has been generally neglected This volume addresses the need for a fuller understanding of Swinburne s career that includes his fiction aesthetic ideology and analyses of Shakespeare and the great French writers Among the key features of the collection is the contextualizing of Swinburne s work in new contexts such as Victorian mythography continental aestheticism positivism and empiricism Individual essays examine among other topics the dialect poems and Swinburne s position as a regional poet Swinburne as a transition figure from nineteenth century aesthetic writing to the professionalized criticism that dominates the twentieth century Swinburne s participation in the French literary scene Swinburne s friendships with women writers and the selections made for anthologies from the nineteenth century to the present Taken together the essays offer scholars a richer portrait of Swinburne s importance as a poet critic and fiction writer

'In the image of the Image': Gregory of Nyssa's Opposition to Slavery Adam

Couchman,2023-07-09 Fairacres Publications 202 St Gregory of Nyssa is the most important author of the fourth century in relation to theological anthropology and was one of the most outspoken of the early Church Fathers on the subject of slavery Gregory s theology is built upon his perception that Jesus Christ was truly human therefore to be human is to be made in the image of Christ We cannot justify slavery if we accept that humans are made in God s image because slaves are no less made in the image of God than those who are free This book examines Gregory s theology how he understood and taught about the relationship of human beings to God and how he applied this theology to the practical issue of slavery

Gregory of Nyssa and the Sins of Asia Minor Jonathan Farrugia,2023-07-09 Fairacres Publications 203 St Gregory of Nyssa is known to theologians as one of the three great Cappadocian Fathers who are credited with the final clarification of the doctrine of the Trinity in the late fourth century Few have ventured to study his role as a bishop who took pains to teach his flock the mysteries of the faith and how to lead a good Christian life This short study delves into the moral teaching that St Gregory delivered to his audience by analyzing the specific sins about which he is teaching Given that he preached all over Roman Anatolia the details found in his homilies give us some insight into which sins were most notorious in the lands of Asia Minor and which therefore needed to be addressed
