*Heart Of The Soul* Gary Zukav, Linda Francis, 2012-12-11 In *THE SEAT OF THE SOUL* Gary Zukav brilliantly set forth his concepts explaining how the expansion of human perception beyond the five senses leads to a new understanding of authentic power Then in *SOUL STORIES* he revealed how such concepts as intuition harmony sharing and forgiveness actually express themselves in other people's lives And now in *THE HEART OF THE SOUL* Zukav together with his coauthor and spiritual partner Linda Francis takes the next important step in showing us how to actually apply these crucial concepts in our daily lives Zukav reveals how true emotional awareness can transform the human experience Although it is challenging and difficult because it means becoming aware of suppressed pain it is also enormously rewarding But first the determination to explore every aspect of consciousness and to cultivate those that contribute the most to life must replace the desire to bury painful emotions Ultimately emotional awareness can free us from the compulsions fixations obsessions and addictions that block our spiritual development among them anger workaholism perfectionism obsessive eating alcohol drugs sex and allow us to live a fulfilling and meaningful life *THE HEART OF THE SOUL* will be a revelation for readers a soul tool with which we can forge a greater emotional awareness to enable us to use our emotions in the creation of authentic power It is a book to read not once but several times for it is a life changing work that can transform our lives for the better

addictions in our society Now in THOUGHTS FROM THE HEART OF THE SOUL the authors offer a collection of meditations  
to help us understand our emotions and live healthily and happily in harmony with them Both a companion piece to THE
