The Herzog Affair:

The Herzog Affair Robert Derek Steeley, 1980 **The Bettencourt Affair** Tom Sancton, 2018-08-07 An NPR Best Book of 2017 Heiress to the nearly forty billion dollar L'Oréal fortune Liliane Bettencourt was the world's richest woman and the fourteenth wealthiest person. But her gilded life took a dark yet fascinating turn in the past decade. At ninety-four she was embroiled in what has been called the Bettencourt Affair, a scandal that dominated the headlines in France. Why? It's a tangled web of hidden secrets, divided loyalties, frayed relationships, and fractured families set in the most romantic city and involving the most glamorous industry in the world. The Bettencourt Affair started as a family drama but quickly became a massive scandal, uncovering L'Oréal's shadowy corporate history and buried World War II secrets. From the Right Bank mansions to the Left Bank artist havens and from the Bettencourts' servant quarters to the office of President Nicolas Sarkozy, all of Paris was shaken by the blockbuster case, the shocking reversals, and the surprising final victim. It all began when Liliane met François Marie Banier, an artist and photographer who was in his youth the toast of Paris and a protégé of Salvador Dalí. Over the next two decades, Banier was given hundreds of millions of dollars in gifts, cash, and insurance policies by Liliane. What exactly was their relationship? It wasn't clear, at least of all to Liliane's daughter and only child, Françoise, who became suspicious of Banier's motives and filed a lawsuit against him. But Banier has a far different story to tell. The Bettencourt Affair is part courtroom drama, part upstairs-downstairs tale, and part character-driven story of a complex, fascinating family and the intruder who nearly tore it apart.

"Martyr to the Truth" Charles J.T. Talar, 2012-10-18 In his autobiography Joseph Turmel 1859-1943 has left an intensely personal account of his struggles to reconcile his Catholic faith with the results of historical-critical methods, as those impacted biblical exegesis and the history of dogma. Having lost his faith in 1886, he chose to remain as a priest in the Church, even while he worked to undermine its teachings. He did so initially in writings published under his own name, and as his conclusions became increasingly radical, under a veritable team of pseudonyms. He was excommunicated in 1930. His account of his life is less a discussion and defense of his ideas than it is a moral justification of his conduct. Turmel is associated with the left wing of Roman Catholic Modernism, along with Albert Houtin, Marcel Hebert, and Felix Sartiaux.

Singapore's Foreign Policy Michael Leifer, 2013-07-04 In the years following its traumatic separation from Malaysia, Singapore has risen to become one of the leading economic powers in Southeast Asia. This economic strength has carried it through the recent East Asian economic crisis, as well as providing the resources for an excellent defence capability. Singapore's diplomatic achievements include relationships with countries across Asia and Europe, and ensure its international status. Yet despite this success, Singapore's foreign policy has continued to be influenced by a deep-seated sense of its own vulnerability. Politicians from the first prime minister, Lee Kuan Yew, onwards have focused on Singapore's limited physical size, potential domestic and international frailty due to racial tension, and confirmed geographical location. These factors have combined to create a powerful nation-state which has never allowed itself to take its

Diplomat, The: The Autobiography Of Maurice Baker Maurice Baker, 2014-07-25 For the life of a diplomat is often a variation of routine boredom and exhilarating crises Maurice Baker is an academic and one of Singapore's pioneer diplomats Growing up in colonial governed Malaya and Singapore his profound love for great literature works inspired him to obtain an honors in English from King's college London in 1948 despite the cruelties faced during and after the Second World War Baker's humble beginnings and political consciousness earned him the friendship and respect of many diplomats during his missions to India in 1967 Malaysia in 1969 Philippines in 1977 and back to Malaysia in 1980 before retiring from his career as a diplomat in 1988 Between his diplomatic missions Baker returned to Singapore in 1972 to head the Department of English at the University of Singapore for five years This is Baker's story of how he came to be The Accidental Diplomat With occasional poems and a sense of humor he candidly recounts the colourful romances of his life to his enriching encounters of diplomatic relations His portrayals of admiration for great leaders and men paint a vivid picture of the qualities that guided his beliefs proving that he was by no means an Accidental Diplomat in the eyes of others

Self-Projection Linda Haverty Rugg, 2014-03-01 In 1957 a decade before Roland Barthes announced the death of the author Fran ois Truffaut called for a new era in which films would resemble the person who made them and be even more personal than an autobiographical novel More than five decades on it seems that Barthes has won the argument when it comes to most film critics The cinematic author we are told has been dead for a long time Yet Linda Haverty Rugg contends not only that the art cinema auteur never died but that the films of some of the most important auteurs are intensely if complexly related to the lives and self images of their directors Self Projection explores how nondocumentary narrative art films create alternative forms of collaborative self representation and selfhood The book examines the work of celebrated directors who plant autobiographical traces in their films including Truffaut Bergman Fellini Tarkovsky Herzog Allen Almod var and von Trier It is not simply that these directors and many others like them make autobiographical references or occasionally appear in their films but that they tie their films to their life stories and communicate that link to their audiences Projecting a new kind of selfhood these directors encourage identifications between themselves and their work even as they disavow such connections And because of the collaborative and technological nature of filmmaking the director's self projection involves actors audience and the machines and institution of the cinema as well Lively and accessible Self Projection sheds new light on the films of these iconic directors and on art cinema in general ultimately showing how film can transform not only the autobiographical act but what it means to have a self

Weimar Germany's Left-Wing Intellectuals , Approaching Silence Mark W. Dennis, Darren J. N.

Middleton, 2015-02-26 Shusaku Endo is celebrated as one of Japan s great modern novelists often described as Japan s Graham Greene and *Silence* is considered by many Japanese and Western literary critics to be his masterpiece *Approaching Silence* is both a celebration of this award winning novel as well as a significant contribution to the growing body of work on literature and religion It features eminent scholars writing from Christian Buddhist literary and historical perspectives taking up for example the uneasy alliance between faith and doubt the complexities of discipleship and martyrdom the face of Christ and the bodhisattva ideal as well as the nature of suffering It also frames *Silence* through a wider lens comparing it to Endo s other works as well as to the fiction of other authors *Approaching Silence* promises to deepen academic appreciation for Endo within and beyond the West Includes an Afterword by Martin Scorsese on adapting *Silence* for the screen as well as the full text of Steven Dietz s play adaptation of Endo s novel **Arendt's Solidarity** David D. Kim, 2024-10-08 Hannah Arendt s work inspires many to stand in solidarity against authoritarianism racial or gender based violence climate change and right wing populism But what if a careful analysis of her oeuvre reveals a darker side to this intellectual legacy What if solidarity as she conceives of it is not oriented toward equality freedom or justice for all but creates a barrier to intersectional coalition building In *Arendt's Solidarity* David D Kim illuminates Arendt s lifelong struggle with this deceptively straightforward yet divisive concept Drawing upon her publications unpublished documents private letters radio and television interviews newspaper clippings and archival marginalia Kim examines how Arendt refutes solidarity as an effective political force against anti-Semitism racial injustice or social inequality As Kim reveals this conceptual conundrum follows the arc of Arendt

s forced migration across the Atlantic and is directly related to every major concern of hers Christian neighborly love friendship Jewish assimilation Zionism National Socialism the American republic Black Power revolution violence and the human world Kim places these thoughts in dialogue with dissenting voices such as Thomas Mann Gershom Scholem Jean Paul Sartre James Baldwin Frantz Fanon James Forman and Ralph Ellison The result is a full scale reinterpretation of Arendt's oeuvre

The Jewish Idea and Its Enemies Hadley Cantril, Edward Alexander, 2019-08-21 This volume deals with the modern fate of the traditional conception of Jews as a covenanted people chosen to receive the Law whose ultimate purpose is contributing to the universal salvation of mankind The author shows how under the influence of liberalism rationalism relativism and other Enlightenment ideologies this idea was distorted denied inverted yet never entirely obliterated In his discussions of modern Jewish thinkers and writers and the ideological and political struggles of Zionism and the state of Israel against enemies from without and from within Alexander shows that the ancient idea of covenant is still alive today if only in the assumption that Jewish life can lead somewhere so long as Jews remember that it began somewhere Ranging from literary criticism and the history of ideas to journalism and politics the book is unified by a point of view unabashedly espousing the Jewish idea and challenging its enemies
