The Florida Almanac 1994:

The Florida Almanac, 1986-87 Del Marth, Martha J. Marth, 1985 *American Legislative Leaders in the South, 1911-1994* James Roger Sharp, Nancy Weatherly Sharp, Kevin D. Atwater, Gina Petonito, Charles F. Ritter, Jon L. Wakelyn, 1999-06-30 The third of four volumes comprising a biographical dictionary of state house speakers from 1911 to 1994 this book covers speakers from Alabama Arkansas Florida Georgia Kentucky Louisiana Maryland Mississippi North Carolina Oklahoma South Carolina Tennessee Texas Virginia and West Virginia Following an insightful analytical introduction the entries provide biographical and career information on all of the Southern speakers The volume concludes with valuable statistical appendixes based on an exhaustive database This book complements volumes on the West and Midwest A volume on the Northeast is forthcoming **Official Gazette of the United States Patent and Trademark Office**, 1995 Southern Politics in the 1990s Alexander P. Lamis, Associate Professor of Political Science Alexander P. Lamis, 1999-08 During the 1990s the Republican party surged to majority status in the South after two decades of struggling unevenly to become established in the formerly one party Democratic section of the country In this comprehensive up to date study seasoned observers tell the fascinating story of the GOP's remarkable advance at the regional level and in each of the eleven states of the former Confederacy effectively capturing the current partisan dynamics at work throughout Dixie In *Southern Politics in the 1990s* eleven teams of political scientists and journalists all of them long time observers of the political scene in their own states offer individual chapters that closely examine partisan and electoral developments in each southern state Alexander P. Lamis frames the state discussions with introductory and concluding chapters that highlight the evolution of the two party South and the political transformation the region as a whole underwent during the decade of the 1990s Together the authors show that the amazing Republican spurt was fueled by many factors including the ongoing entrenchment of the partisan competition begun three decades earlier the national Republican sweep of 1994 that affected all regions of the country equally and the successful efforts of Republicans to paint the Democrats as hopelessly mired in a corrupt political system and themselves as untainted reformers who represent the future However as the separate state chapters illustrate the pace of change differed from state to state For example South Carolina was an early Dixie leader in the GOP's growth in the 1990s but Arkansas caught the wave only in the middle of the decade Offering in depth political analysis on both the state and the regional level *Southern Politics in the 1990s* reveals that the 1990s revolution in southern politics gave the country for the first time since the 1850s a truly national party system The book will prove essential to anyone interested in southern politics at the dawn of the twenty first century **A Guide to Alternative Fuel Transportation in Florida** Clean Fuel Florida Advisory Board, 2002 *The Florida Trail*, 2004 The 1 300 mile Florida National Scenic Trail spans the state from Big Cypress National Preserve near the Everglades to its beachfront terminus at Gulf Islands National Seashore This long distance hiking trail encounters more than 80 distinct habitats along the way

including dwarf cypress forests pine flatwoods sawgrass prairie and coastal dunes Perfect for day section and thru hikers The Florida Trail The Official Hiking Guide is the first comprehensive guidebook on the Florida Trail Book jacket *United States Supreme Court Decisions, 1778-1996* Kelly S.
