## **The Four Deuces A Korean War Story:**

The Four Deuces C.S. Crawford, 2009-02-19 These memoirs are not an attempt to answer solve or resolve the problems arising from or about the three year long Korean War or the much longer stalemate that followed This story was written to let you know how one very young very scared marine saw his very first war and how he reacted to the killing and the mayhem of it The stories are my view of that war a war gone to ground in the trench lines Dig into the stories and you may find something you were not expecting I am well aware that my view of the Korean War has no historical importance Still it is my view and I want to share it with you I do not have a cause to plead or an ax to grind and that alone ought to count for something My memoirs are selective and most certainly tainted with time My recollections are a lot like boot mines and ought to be approached with caution I was a grunt a Four Deuce forward observer assigned to duty with a marine infantry company every time the 1st Marine Regiment went back up on line During the time I was in Korea my boondockers were firmly planted in trench line mud When I came home in September 1952 I was proud that I had helped in the attempt to stop Communism in Korea I was proud of all the men I served and served with and I was a little bit proud of myself too **The**

**Four Deuces** Charles S. Crawford, 1989 These memoirs are not an attempt to answer solve or resolve the problems arising from or about the three year long Korean War or the much longer stalemate that followed This story was written to let you know how one very young very scared marine saw his very first war and how he reacted to the killing and the mayhem of it The stories are my view of that war a war gone to ground in the trench lines Dig into the stories and you may find something you were not expecting Copyright Libri GmbH All rights reserved Eyewitness Korea James Goulty, 2018-11-30 Today the Korean War of 1950 1953 is overshadowed by later twentieth century conflicts in Vietnam and the Middle East yet at the time it was the focus of international attention It threatened to lead to a third world war and although fought on a limited scale it still involved over a million men under UN command and even more on the Communist side It left the American and British troops who took part with a range of intense recollections that often marked them for the rest of their lives and it is these experiences that James Goulty draws on in this eyewitness history of the conflict He uses official documents letters diaries regimental histories memoirs oral histories and correspondence to show what the war was like for those who took part Their accounts vividly contrast the American and British experience as seen through the eyes of individual servicemen and they throw fresh light on the relations between the UN forces on their different attitudes tactics training and equipment and on the tensions that developed between them **The Korean War** Keith D. McFarland, 2009-12-04 The Korean War is

the most comprehensive and detailed bibliography compiled to date on the American involvement in The Forgotten War In this revised and expanded second edition Keith D McFarland s clearly written annotations provide concise descriptions of more than 2 600 of the most important books articles and documents written in English on the conflict in Korea Key topics include origins of the war the political and military roles of North and South Korea the United States the Soviet Union China

Great Britain Canada Australia South Africa Turkey and other United Nations members campaigns and battles weapons and uniforms and the military and diplomatic aspects of the war Specific subjects are easy to find using the index organized by topic and author making The Korean War a necessity for every academic or research library Understanding U.S. Military Conflicts through Primary Sources James R. Arnold, Roberta Wiener, 2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq by examining documents relating to military strategy and national policy judgments by U S military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards *Korean War, 1950-1953*, 1990 **A Companion to American Military History** James C. Bradford, 2009-11-03 With more than 60 essays A Companion to American Military History presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study Americans at War James R. Arnold, 2018-05-18 This unprecedented compilation of eyewitness accounts records the thoughts and emotions of American soldiers spanning nearly 250 years of national history from the American Revolution to the Afghanistan War Understanding primary sources is essential to understanding warfare This outstanding collection provides a diverse set of eyewitness accounts of Americans in combat throughout U S history Offering riveting true stories it includes accounts from participants in the American Revolution the War of 1812 the Indian Wars the Mexican American War the Civil War the Spanish American War and Philippine Insurrection World War I World War II the Korean War the Vietnam War The Persian Gulf War the Afghanistan War and the Iraq War Most eyewitness accounts of war currently available to the public are those of writers who enjoy higher military rank

Americans at War addresses this imbalance between officers accounts and enlisted men s accounts by invoking oral history archives Contextual essays and timelines allow the reader to place the accounts in time and place while the entries themselves allow the reader to experience the thoughts and emotions of Americans who engaged in combat American Soldiers Peter S. Kindsvatter,2003-04-03 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This was certainly true for twentieth century American ground troops Whether embracing or being demoralized by war these men risked their lives for causes larger than themselves with no promise of safe return This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were turned into soldiers He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship and he explores the roles of comradeship leadership and the sustaining beliefs in cause and country He also illuminates soldiers attitudes toward the enemy toward the rear echelon and toward the home front And he tells why some broke down under fire while others excelled Here are the first tastes of battle as when a green recruit reported that for the first time I realized that the people over the ridge wanted to kill me while another was befuddled by the unfamiliar sound of bullets whizzing overhead Here are soldiers struggling to cope with war s stress by seeking solace from local women or simply smoking cigarettes And here are tales of combat avoidance and fraggings not unique to Vietnam of soldiers in Korea disgruntled over home front indifference and of the unique experiences of African American soldiers in the Jim Crow army By capturing the core band of brothers experience across several generations of warfare Kindsvatter celebrates the American soldier while helping us to better understand war s lethal reality and why soldiers persevere in the face of its horrors **The Tootsie Roll Marines** Ken Santor,2024-06-20 This book tells the story of a young boy who grew up at the end of the Great Depression He suffered many hardships in his early years beginning with the loss of his mother and the trauma of family separation after her death when he and his siblings were placed in an orphanage After his father s remarriage the family was reunited and moved from Buffalo New York to California With the move came more adjustments to warm weather groves of fruit trees mountains and a whole new way of living At seventeen years old he decided to enlist in the US Marine Corps to serve his country seek adventure and make new friends Little did he know that an entire military career of activities and adventure would be packed into his four short years of service in the Marines especially as a machine gunner while serving in the Korean War sometimes referred to as the Forgotten War You will see how his life began with hardships and family tragedies but with grit and perseverance he used his coping skills of hard work and humor to make a wonderful life for his wife and family While

overcoming heartbreaking personal tragedies and losses he accomplished great successes in his business ventures and public service after his time in the Marines You will hear how this former Marine moved through pain and sorrow to forge new ideas and innovations to further express his love for his country and his fellow veterans through his many decades
