

THE FOUR GOSPELS

The life and teachings of Jesus Christ from four perspectives.

Gospel

From *euangelion* (Greek), which means good news. This refers to Jesus' message, the good news of the Kingdom of God.

Why four Gospels?

- Different original audiences and different purposes.
- Four perspectives for a fuller picture.
- Repetition for emphasis.

MATTHEW

Author: tax collector called to become an apostle.

Original audience: Jewish readers.

Emphasis: on the fact that Jesus is the Messiah prophesied in the Old Testament.

Interesting fact: Matthew alone uses the term *kingdom of heaven* (equivalent to Kingdom of God).

LUKE

Author: the beloved physician and companion of Paul.

Original audience: Theophilus and gentile readers.

Emphasis: on Jesus' humanity and His kindness to the weak, suffering and outcasts.

Interesting fact: Luke alone tells of Jesus' experience at the temple at age 12.

Some things covered in all four Gospels:

- Ministry of John the Baptist.
- Feeding of the 5,000.
- Betrayal by Judas.
- Denial by Peter.
- Trial and crucifixion of Christ.
- Resurrection of Christ.
- Promise of His second coming.

MARK

Author: served with Paul, Barnabas and Peter.

Emphasis: on Jesus' mighty and miraculous works that prove He is the Messiah.

Interesting fact: "Only four paragraphs . . . are unique to Mark" (*Eerdmans' Handbook to the Bible*, p. 499).

JOHN

Author: fisherman called to become an apostle.

Original audience: gentile Christians at the end of the first century.

Emphasis: on the last days and hours of Christ's life so "that you may believe that Jesus is the Christ" (John 20:31).

Interesting fact: John alone gives Jesus' great "I am" statements and describes Jesus' washing of the apostles' feet on Passover.

The Fourth Gospel in Four Dimensions D. Moody Smith, Jr., 2021-04-28 Compelling perspectives on the Gospel of John from a premiere scholar of the subject This multidimensional volume from the leading American scholar of Johannine studies brings together D Moody Smith s germinal works from the past two decades along with some original articles published here for the first time The resulting collection augments current understanding of the Gospel of John with fresh insights and research and points the way toward opportunities for new inquiry The collection is structured around four focal issues that define contemporary studies of John In the first section Smith places the book within its Jewish milieu attempting to account for the tension between the work s seeming anti Jewishness and its familiarity with Jewish life and thought Next Smith engages the relationship between John and the historical figure of Jesus especially the extent to which John s representation of Jesus reflects knowledge of independent traditions as well as the self consciousness of his own community The third section examines John s account against the Synoptic Gospels assessing the evidence of John s access to an independent record of the passion and the possibility that John adopted the gospel genre from Mark Finally Smith explores how the Gospels and especially that of John evolved into scripture and how they have come to be interpreted in conjunction with one another

The Theology of the Four Gospels Mel Shoemaker, 2011-10 Biblical theology is the discovery and development of doctrine as found and emphasized by a specific book of the Bible Instead of beginning with a subject and then searching the scriptures broadly to assemble what may be relevant and illuminate one s understanding of that specific topic biblical theology starts with a particular author and focuses upon a specific scriptural unit The objective is to let the Bible speak for itself and discover what the original writer s wanted readers or those listening to the reading to understand Therefore New Testament biblical theology assists the student in understanding the distinctive doctrinal enrichment each book in the Christian canon brings to the collection of authoritative literature The Theology of the Four Gospels is designed to engage an individual or group in a fresh study of the teachings of Jesus and the distinctive perspectives of the Four Evangelists Matthew Mark Luke and John Even though everyone participating in the study is examining the same literature the conclusions may vary widely which may contribute to a very fruitful discussion Why should one anticipate a variety of interpretations Each person comes to the study of the Bible with prior opinions judgments and beliefs These presuppositions have been formed by our culture e g ethnicity political social economic and religious background critical knowledge educational background in history literature language natural abilities life experiences and age and character moral values belief in the supernatural human immortality accountability rational choices and spiritual maturity This is the goal to let the Four Gospels speak for themselves The theological outcome may be tentative and

provisional however the reader or student becomes engaged in the process of building a sound personal theology and a steadfast living faith in Jesus Christ

The Four Gospel & The Great Commission THOMAS HWANG, 2021-07-27 I hope that through this book the readers will have developed a larger perspective with which to view the Old Testament and New Testament as a single great flow and to connect the Four Gospels with the rest of the books in the Bible At the same time I hope this book will have provided the opportunity to view each of the events in the Gospels in a detailed even microscopic way To this end I earnestly hope that God will grant the readers wisdom understanding knowledge and insight Ex 31 3 Prov 3 13 Isa 11 1 2 I hope all of us will obey the will of God contained in His Purpose of Creation Great Commandment and Great Commission and that we may have the same vision that Paul confessed right before his martyrdom I have fought the good fight I have finished the race I have kept the faith Now there is in store for me the crown of righteousness which the Lord the righteous Judge will award to me on that day and not only to me but also to all who have longed for his appearing 2 Tim 4 7 8 Amen

The Four Gospels as Historical Records, 1895 *A Prologue to Studies in the Fourth Gospel* Riku P. Tuppurainen, 2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel's unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel's wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students

The Four Gospels on Sunday Gordon W. Lathrop, 2012-06-01 Premier liturgical theologian Gordon Lathrop argues that far too often liturgy preaching and liturgical theology are informed by nave and outdated exegesis In another fully original and deeply reflective work Lathrop partners with newer biblical studies to see the Gospels anew He treats the Gospels as early witnesses to the meaning of Christian assembly and forces in the shaping and reshaping of liturgy Lathrop first probes each Gospel historically and exegetically to discern what it tells us about early Christian worship and Christians relationship to the Risen One Then Lathrop treats the Gospels together to draw out more of their contemporary importance especially ways in which they can enrich our reflection about the assembly itself ministry baptism the use of scripture in liturgy and unity within ecumenical diversity Taking seriously the origins of the New Testament as we understand them today Lathrop demonstrates that the Gospels can remain a true catalyst for liturgical theology and liturgical renewal as well as an inspiring link to the faith and convictions of the
