The Story of a Family Rev. Fr. Stephane-Joseph Piat, O.F.M.,1994-07 Meet the family where the Little Flower took root In her Story of a Soul St Therese relates how influential her family life was in forming her spiritual life Now the canonization of her parents Louis and Zelig and the cause for the beatification of her sister Lonie speak volumes for the robust sanctity of the Martin family The Martins took no smooth path to sanctity They endured the loss of four children financial troubles and the cancer that caused Zelig's death The key to their success was simply this love With love they endured both great sorrows and the countless little troubles of everyday life This is the story of a husband wife and five daughters who formed a close knit thoroughly Catholic family Their lives set an example for anyone who seeks to raise a family in love and to live the Faith in daily life

Two For Joy - The true story of one family's journey to happiness with severely disabled twins James Melville-Ross,2016-06-02 Two for Joy is the heart warming true story of disabled twins Thomas and Alice and their desperate fight for life after being born four months prematurely James Melville Ross their father tells of how the twins not only survived despite being given the last rites as babies but also thrived From the dramatic first few months of the twins lives when Alice suffered a heart attack when only a day old and Thomas's lungs filled with blood leaving him only twenty minutes away from death Two for Joy reveals the path that James and his wife Georgie have followed as parents to two severely disabled children After the initial anger came the sheer hard work the sleepless nights the hospital dashes the curious stares and unwelcome comment from strangers But slowly came acceptance and eventually celebration of the joy that the medical marvels Thomas and Alice now happy and energetic ten year olds have brought to their lives Finally they understood that disability might have turned their world upside down but that it has also provided rewards beyond anything they could have imagined This story is for any parent experiencing the shock of having extremely premature babies or coming to terms with having a child diagnosed with a disability More than that this story will change people's attitudes to disability and show that love and true happiness can be found in even the most challenging of circumstances
