The Frankincense Trail:

The Frankincense Trail Jody Kihara, 2011 In 200BC frankincense was worth its weight in gold making Arabia was the envy of the world But wealth comes at a cost the precious resin was transported along the Frankincense Road a dangerous route through rocky mountains and barren desert Alia is a princess in a dwindling kingdom that lies on the Frankincense Road Having grown up hearing tales of the famous Queen of Sheba she dreams of finding a way to restore her kingdom's former might When a caravan journeying to the mysterious incense lands stops to take on travellers she sees her chance She soon realises however that her trust in the caravan leaders has been misguided They are not mere incense merchants but traitors and mercenaries Alia's journey soon turns from dangerous to life threatening The Frankincense Trail is a story that transports the reader to a time and place reminiscent of the Arabian Nights tales *Discovering Lehi: New Evidence of Lehi and Nephi in Arabia* Lynn M. Hilton, Hope A. Hilton, 2023-02-02 This fascinating Mormon odyssey was first commissioned by The Ensign But no mention was ever made in that work of the Lihyan Arabic transliteration for The People of Lehi civilization and the remarkable possibilities found in its Arabian ruins In addition to the Hilton's original research they have discovered volumes of new evidence and new possibilities The findings in this book may just be the sign saying I Lehi was here It is possible that Lehi and Nephi were actually great missionaries that they converted thousands as hinted at in D C 33 8 10 This new evidence suggests that Arabian converts of Nephi and Levi grew in number and influence and prospered as all civilizations of The Book of Mormon were promised over a period of 1000 years until they actually ruled Arabia for an additional 300 years This work may be the most remarkable evidence currently available that Levi and Nephi actually existed and may be the only research to date to actually pinpoint Book of Mormon locations with any degree of accuracy It is astounding that the city Nephi referred to as Nahum actually exists today as a city of ancient origins It conforms to the Book of Mormon description of the burial place of Ishmael and the point where they changed their direction of travel from south southeast to nearly eastward toward Bountiful Here within our very grasp may be the first physical and historical evidence that Lehi and Nephi lived breathed struggled and taught the gospel as marvelous and influential prophets of The Book of Mormon The complete travel guide for Oman , At YouGuide we are dedicated to bringing you the finest travel guides on the market meticulously crafted for every type of traveler Our guides serve as your ultimate companions helping you make the most of your journeys around the world Our team of dedicated experts works tirelessly to create comprehensive up to date and captivating travel guides Each guide is a treasure trove of essential information insider insights and captivating visuals We go beyond the tourist trail uncovering hidden treasures and sharing local wisdom that transforms your travels into extraordinary adventures Countries change and so do our guides We take pride in delivering the most current information ensuring your journey is a success Whether you're an intrepid solo traveler an adventurous couple or a family eager for new horizons our guides are your trusted companions to every country For more travel guides and information please visit www.youguide.com
