The French Left And European Integration

John E. Fossum, Christopher Lord

The French Left And European Integration:

The French Left and European Integration Sue Ellen M. Charlton, 1972-01-01 *France and European Integration* Michel R. Gueldry, 2001-05-30 Gueldry analyzes the substantive transformations brought upon the French state by European integration through an incremental and cumulative process generally described as Europeanization. This restructuring is characterized by the erosion of traditional political and economic parameters, the emergence of new means and models of public action, and a general paradigmatic redefinition including a search for renewed political legitimacy by French elite. Covering the period from 1957 to the present, Gueldry examines how regional integration affects French governmental structures, public policies, political processes, and culture. He emphasizes the post Single European Act February 1986 period because of the accelerating momentum of the integration process after this milestone treaty. Students, scholars, and policy makers involved with EU history, institutions, and policies will be particularly interested in the work. *The French Political Parties of the Left and European Integration, 1947-1949* Frederick F. Ritsch, 1962 *Euroscepticism and European Integration* Krisztina Arató, Petr Kaniok, 2009 *French Relations with the European Union* Helen Drake, 2012-10-12 This scholarly work examines how key actors within French politics and society have related to the challenges and opportunities posed by the European Union and how these relations have driven or hindered change in France. The collection invites the reader to explore below the surface image of a France troubled by its relations with the EU in the post Cold War era and see the dynamics of change in empirical detail. Each chapter offers insights into specific aspects of the France EU relationship, including the characteristics of Euroscepticism *la fran aise* amongst the electorate and political parties, the dynamics of change in the political media and legal establishments in their dealings with the EU, the priorities for labour, business, and *la vie associative* in their relations with French decision makers regarding the EU. **The French Road to the European Monetary Union** D. Howarth, 2000-11-17 The logic behind European monetary cooperation and integration can only be understood through an examination of French efforts to maximise their monetary power in relation to Germany and America. This book provides a detailed and historically informed study of the motives and economic and political attitudes that shaped French policy on European developments over a thirty year period from the collapse of the International Monetary System in the late 1960s and early 1970s through to the start of EMU on 1 January 1999. **Handbook on the European Union and Brexit** John E. Fossum, Christopher Lord, 2023-01-17 Brexit has irrevocably transformed British politics, yet its effects are not confined to relations between the UK and the EU. Venturing beyond the already vast literature on Brexit, this dynamic Handbook explores the implications of the UK's withdrawal from the EU for the EU itself, single countries within and beyond Europe, and the international system, as well as different social groups, generations, and territories within the UK. **Transnational Actors and Stories of European Integration** Wolfram Kaiser, Richard McMahon, 2020-05-21 This book makes a major contribution to understanding European politics and identity. It examines how politicians, cultural elites, and

other actors fight over Europe's future with words and stories telling narratives about European integration in different political, social and cultural contexts. The chapters explore how actors formulate stories to make sense of Europe's past and contemporary challenges and to legitimise their own positions and preferences. The contributors explore themes ranging from divisive stories about the European Union (EU) mobilised in institutional reform referendums to the top-down deployment of legitimising narratives by EU institutions, religiously inspired apocalyptic narratives of European unity and stories about nations and Europe told by museums and academics. Combined, the chapters of this book are essential reading for everyone interested in Europe's common past and contemporary challenges and the EU's highly contested nature in times of apparently increasing disintegration.

Centre-left parties and the European Union Isabelle Hertner, 2018-01-30. This book investigates how the British Labour Party, the French Socialist Party (PS) and the German Social Democratic Party (SPD) deal with the European Union (EU).

Europe's Radical Left Luke March, Daniel Keith, 2016-10-20. Although the most pernicious consequences of the crisis have apparently abated, the long-term political repercussions remain unclear. Whereas most attention has focused on the right-wing populist parties, the rejuvenation of the left is an unwritten story of post-crisis politics. This volume addresses this story with three principal aims: to examine the radical left intellectual response to the crisis; i.e. how actors conceptualise the causes of crisis and its consequences; to examine the radical left electoral response to the crisis; i.e. how the crisis has aided or weakened the electoral success of radical left parties and movements; to examine organisational responses; i.e. whether the crisis has resulted in new party structures, methods of organising and internal party tendencies. The result is a comprehensive compendium drawing on cutting-edge research from leading European experts to present the first comparative analysis of how the far left of the political spectrum has responded to the crisis. It furthers our understanding both of the dynamics of European party systems and the wider consequences of the Great Recession.

Recognizing the exaggeration ways to acquire this books **The French Left And European Integration** is additionally useful. You have remained in right site to begin getting this info. acquire the The French Left And European Integration associate that we present here and check out the link.
