The Frymaster Story:

The Frymaster Story Lewis Frank Moore, 1999-01-01 *The Onion Story* Scott Dikkers, 2025-10-28 The Onion's longtime co-owner and longest serving editor in chief Scott Dikkers regales readers with never before told anecdotes from the beloved satiric newsroom in this celebration of creativity, resilience and the transformative power of jokes delivered in AP style. In this laugh-out-loud origin story of a world renowned satirist and America's Finest News Source, Scott Dikkers treats you to a rollicking trip through the 80s, 90s and 00s chronicling the inception, evolution and success of The Onion from his view at the helm. With his famous wit and wisdom, Dikkers chronicles the paper's founding, run-ins with the law, scrapes with death and raving mad antics of its staff in chapters like Childhood Trauma, Mined for Cheap, Laugh Hurriedly, Collected Life Savings, Invested Wisely, Stop Put to All This Horseplay, Award-winning Local Author, Inspired Drunk, Look Area Man on TV, Office Internet Briefly Used for Work. If you've ever been duped into believing an Onion headline or simply laughed to avoid crying at how closely its fake news articles resembled reality, get a first person view from the mastermind himself of the publication's unparalleled legacy as the world's most trusted news source celebrated for its fearless commitment to truth telling under the guise of satire. [Hotels & Restaurants International](#), 1989 **A Hero of Our Own: The Story of Varian Fry** Sheila Isenberg, 2019-08-08 Varian Fry was the American Schindler. He even had a list. He arrived in Vichy-controlled Marseille on Aug 15, 1940 with 3,000 taped to his leg and a charge from the organization he worked for, the Emergency Rescue Committee, to help save some 200 endangered refugees, mainly artists, writers and intellectuals from the Nazis. He expected to stay a month but quickly realized that the job was much larger and more complicated than he or his sponsors had imagined. He stayed for 13 months until he was thrown out of the country and assisted approximately 2,000 people, among them an all-star lineup that included Hannah Arendt, Marc Chagall, Max Ernst, Andr  Breton, Arthur Koestler, Alma Mahler, Werfel and Max Ophuls. *A Hero of Our Own* helps rescue Fry from obscurity. And with its stories of desperate exiles, menacing Nazis, forged documents and midnight escapes through the mountains, it reads at times like the script for some old Hollywood movie. Think Warner Brothers in the 1940s. Think Casablanca, even down to the transit visas for Portugal. All that's missing is Peter Lorre. Throughout his months in France, no issue haunted Fry more than the question of selection. Human needs seemed limitless; resources were not. He could not help everyone. Word quickly spread through the refugee community that an American had arrived who could offer hope, and within weeks Fry was receiving 25 letters a day, a dozen telephone calls an hour. He and his staff conducted between 100 and 120 interviews each day. Altogether, around 15,000 refugees, about half the total number residing in Vichy France, got in touch with Fry, and in effect it was up to him to determine who among them would live and who would die. Impossible choices, spies and counterspies, the ominous knock on the door, it was all heady stuff, and after Fry was forced to return to the United States in late 1941, he like so many who peak early went into decline. Nothing could ever match his glory days in France. The experiences of 10, 15 and even 20 years have been pressed into one, he wrote.

Sometimes I feel as if I had lived my whole life Fry drifted from job to job from journalism to magazine editing to film production to corporate writing to high school and college teaching Barry Gewen The New York Times The story of Varian Fry is important on many levels historical and personal Skillfully evoking a crucial moment in recent history Sheila Isenberg tells the compelling and dramatic story of how an ordinary person thrust into a situation of extreme danger did extraordinary things for one year in wartime France then drifted almost lost through the rest of his own life It is also a story of institutionalized bureaucratic stupidity that must never be forgotten so that it is never repeated Richard Holbrooke U S diplomat The only American to be honored at Yad Vashem Israel s Holocaust Memorial Fry saved the lives of thousands of refugees from the Nazis Isenberg delivers a moving workmanlike account of Fry s heroics She ably renders prewar and war time public ignorance and apathy in America and the extraordinary heroism of the sole volunteer for a dangerous rescue mission Publishers Weekly see also this Publishers Weekly interview with Sheila Isenberg One of the BEST BOOKS of 2001 Fry comes across as a genuine saint this little book is a life of a saint equal to any medieval tome St Louis Post Dispatch A Hero of Our Own is significant for its implicit investigation into the combination of heroism pure goodness and personal need that made Fry undertake the rescue of strangers at considerable personal risk and with no promise of reward It also provides an unpleasant reminder that nations and their bureaucrats have both private concerns and a tremendous tropism toward indifference David Margolis The Jerusalem Report Using Fry s own words and the testimony of refugees and compatriots Isenberg skillfully evokes the tense atmosphere of wartime Marseille where a hoard of desperate refugees found precarious asylum She describes the extreme measures Fry took to save as many endangered souls as he could far more than the 200 intellectuals scientists writers and artists he had been sent to aid gathering others to help him arrange escapes from internment camps forge documents bribe officials and spirit refugees across the border into Spain Skirting danger and side stepping the law Fry and his group ultimately provided financial or travel assistance to approximately 4 000 refugees and enabled almost half of them to escape all on limited resources and with little or no assistance from the United States consulate in Marseille United States Holocaust Memorial Museum Featured Book This highly readable biography tells the exciting escape stories of the underground railroad Fry organized to lead refugees from southern France across the Pyrenees to freedom Isenberg sets the rescue stories against the background of American isolationism and anti-Semitism at the time documenting her dramatic narrative with more than 70 pages of fascinating notes including references to letters interviews personal papers and government reports The drama here is in the thrill of rescue the realistic portrait of a complex leader and the decidedly nonheroic truths about WWII at home Hazel Rochman Booklist Now that America has been shocked into a new appreciation of heroism the story of the late Varian Fry is especially timely Sheila Isenberg devotes most of the book to the specifics of Fry s action packed months in Marseilles when he ferried numerous Jews Marc Chagall Max Ernst Andre Breton and Hannah Arendt to name a few out of occupied France Isenberg builds a convincing case against America s

refugee policy and recognizes that the State Department's resistance to Fry's efforts was often a matter of plain old anti-Semitism Jonathan Mahler Washington Post Sheila Isenberg has written a masterful biography of this most enigmatic man She pulls no punches in exhibiting his flaws but shows no restraint in praising his virtues Fry's life is truly unique and compelling and Isenberg tells it with considerable compassion The book is well worth the attention of anyone interested in reading about a most unlikely 20th century hero The Roanoke Times A Hero of Our Own comes at a time when we need to remind ourselves of the high price of sticking one's neck out for others Isenberg's work is a painstakingly documented book that presents human nature at its best and worst In this dark work she portrays Fry as a flawed but dedicated idealist The Free Lance Star Fredericksburg VA You'll want to read Sheila Isenberg's riveting biography of Varian Fry It is the flashback to Fry's early life that gave this reader the clearest insight not only into the man but into the times he lived in He was a man who chafed at the world a rebel against authority and a hero abroad He died in 1967 an ordinary person who had done extraordinary things just once in his life Taconic Times School Food Service Journal ,1978 **Restaurant Hospitality** ,1984 **American Restaurant** ,1961 **Restaurant Business** ,1985 **American Restaurant Hospitality** ,1963 History of Washington County, Ohio ,1881
