The Further Letters Of Henry Root:

Briefe, engl Henry Root,1980 The Henry Root Letters Henry Root,1981 **Henry Root: the Collected Letters** Henry Root,1982-01-01 The Complete Henry Root Letters Henry Root,1996 The Complete Henry Root Letters brings together for the first time within a single volume the two classic books The Henry Root Letters and The Further Letters of Henry Root Henry Root is an eccentric retired wet fish merchant who writes to all the most eminent people in Britain sometimes enclosing 1 or even 5 to ensure an answer always in a friendly enthusiastic manner expounding his lunatic right wing opinions and enlisting their support for various dubious proposals He represents himself as being a man of considerable wealth although never very convincingly a Michael Grade the Chief Constable of Greater Manchester and anyone else who has been so unwise as to answer one of his letters The book consists of these letters and the replies he received As I say it is one of the funniest books I have ever read and gives a truer picture of contemporary Britain especially official Britain than a thousand novels could Auberon Waugh *Darkest England* Idries Shah,2020-11-27 In his best selling Darkest England Idries Shah asserts that the English hail from a little known place called Hathaby but their roots go back much farther perhaps to the distant Asian realm of Sakasina Once a nomadic tribe of warriors the English fled westward bringing with them epic tales traditions and an Oriental way of thought Shah charts the genius of the English in adopting and adapting almost anything spiritual moral or material for their own use a faculty that has transformed them from warrior nomads into successful diplomats businessmen thinkers and scientists **Root Around Britain** Will Donaldson,2012-03-31 Conveniently arranged in alphabetical order from Abstractions you ll find them on the Continent of course to Weather Root Around Britain tells the story of a quest A quest for the essence of Englishness a quest for a new television series which Mr Root can sell to the fat man in Birmingham a quest for a peerage and the right way to pay for it old money or new money and finally a quest for the means to humiliate a nosy neighbour What could be more English than that Darkest England Idries Shah,1999 This work offers coverage of England in an anthropological sense and from the Sufi perspective From Winchester to This Willie Donaldson,2014-02-01 William Donaldson reveals all in a frank and often scurrilous memoir where past and present collide in a hilarious vision of his extraordinary life The author charts his course from his public school childhood through production of the celebrated 1960s satire Beyond the Fringe a riotous lifestyle in the company of pop stars actors models and sundry celebs sometimes in a brothel in which he lived for a time in Chelsea literary success and on into his drug fuelled slide into bankruptcy and lost love in the alleged present Many will know Willie Donaldson and his friends behaving badly from his long time column in the Independent He writes in the tradition of Nabokov s unreliable narrator with his insightful contemplations on the memoir s often scandalous indiscretions about to list just a few page three girls the aristocracy former girlfriends Sarah Miles and Carly Simon Peter Cook Kenneth Tynan drug dealers and the criminal fraternity even the rightful King of Spain Moralist as well as mischief maker Donaldson writes with candor wit and style **Dictionary of Pseudonyms**

Adrian Room, 2014-01-10 Substantially revised and enlarged this new edition of the Dictionary of Pseudonyms includes more than 2 000 new entries bringing the volume's total to approximately 13 000 assumed names nicknames stage names and aliases The introduction has been entirely rewritten and many previous entries feature new accompanying details or quoted material This volume also features a significantly greater number of cross references than was included in previous editions Arranged by pseudonym the entries give the true name vital dates country of origin or settlement and profession Many entries also include the story behind the person's name change *You Cannot Live as I Have Lived and Not End Up Like this* Terence Blacker, 2007 The life of Willie Donaldson ended in June 2005 when he was found dead in the seedy rented flat in Chelsea where he had lived for 35 years His extraordinary career of writing drug taking brilliance and underachievement put him in the same holy bracket as Peter Cook Jeffrey Bernard Peter Sellers and Alan Clark
