Wikipedia contributors, **American Bandstand** John Jackson, 1999-06-03 I don t make culture I sell it Dick Clark once remarked Indeed the man who reigned as host of American Bandstand for nearly four decades may not have invented rock n roll but he sold it to the American public better than anyone before or since Before Clark rock n roll was the step child of radio which took to playing records as a cost saving measure after television siphoned off radios most lucrative sponsors But it was network television and specifically Clarks Bandstand that ultimately legitimized what was then viewed by most adults

as vulgar low class music broadcasting a sanitized vision of rock n roll straight into Americas living rooms five afternoons a week Here is the first book to tell the full story of what happened in front of and behind the cameras on Dick Clark s American Bandstand providing both a history of this landmark show and of the changing styles of rock n roll over four decades Based on extensive interviews with music business figures recording stars and Clark himself and featuring dozens of rare or never before published photographs this is a riveting and uncensored account of a show that managed to survive countless revolutions in popular music Jackson describes Bandstands humble beginnings in Philadelphias blue collar south side the sex scandal that scuttled the first host of Bandstand and enabled Clark to launch his career the glory days when an appearance on Bandstand was one of the most prized gigs in the music business and when teenagers lined up for blocks hoping to enter the studio and memorable Bandstand appearances by rock n roll royalty from Chubby Checker and Frankie Avalon to Jerry Lee Lewis and Jefferson Airplane to Pink Floyd and Madonna Here as well is a candid look at the backstage financial maneuvering that allowed Clark to launch a video and entertainment empire worth nearly 200 million dollars today Voted Most Likely To Sell The Brooklyn Bridge by his high school classmates Clark emerges as a cunning business impresario determined to make millions Readers learn how Clark decided which eager young singers would appear on the show how he managed to survive a 1959 Congressional payola investigation that destroyed the careers of many other popular disc jockeys how much money he earned from his personal financial investments in many of the songs played on Bandstand and his importance to ABC in its fledgling days as a national television network As entertaining as it is eye opening Dick Clark s American Bandstand will bring back a flood of memories to everyone who lived through that era It will fascinate everyone interested in popular American culture or in rock n roll history

Game Show Confidential Boze Hadleigh, 2023-05-01 Game and quiz shows first started appearing on radio broadcasts in the 1930s led by the CBS network's Professor Quiz hosted by a man who was neither a professor nor even a college graduate the first of several frauds that seemed to be endemic to the genre Professor Quiz was followed by other such game shows as Uncle Jim's Question Bee and Ask It Basket which in turn spawned successful box games for at home play The show Truth or Consequences made the transition from radio to television in the late 1940s and was so popular that a town in New Mexico was named for the show Television proved to be the perfect platform for game shows since they were very popular and cheap to produce Even in reruns today the older shows still draw huge audiences This book describes the evolution of the game show its larger than life producers and hosts as well as the scandals that have rocked it from time to time including bloopers from such adult oriented shows as The Dating Game The Newlywed Game and Hollywood Squares This is an entertaining and lively look at an American phenomenon whose popularity doesn't seem to be going away
