The Garbageman:

The Garbageman's Guide to Life: How to Get Out of the Dumps Norm LeMay, Steven Kaufman, 2014-01-01 Two men in the garbage industry might seem like unlikely authors of a mental health self help book Their wisdom makes a lot of sense Forbes The Garbageman s Guide to Life is about clearing a path to the life you ve always wanted by getting rid of your mental clutter Its premise is simple all the same skills you use to get rid of trash you can see are the exact same skills you can use to get rid of the trash in your head And since all of us have been throwing trash away our whole lives it s entirely possible to do some mental housekeeping without having to spend years learning a new set of skills That s where our motto comes from If you can drag your can to the curb you already know how to clear your mind The Garbageman s Guide to Life offers an eight step framework to getting rid of mental trash Each step has memorable garbage related names like Create Your Route and Take Care of Your Truck Filled with personal stories and down to earth wisdom The Garbageman s Guide to Life is written in an approachable casual style that will teach people that throwing away old thoughts beliefs and opinions is no different than throwing out other garbage It s trash and it s time to get rid of it These trash talkers offer down to earth guidance about how excising mental rubbish from your mind can enhance your personal and professional life Waste360
