# The Hardtack Regiment

**Daniel F McAuley**

## **The Hardtack Regiment:**

**The Hardtack Regiment** Michael J. Winey, 1967      **The Hardtack Regiment** Mark H. Dunkelman, Michael Winey, 1981 A history of the 154th Regiment New York State Infantry Volunteers also known as the Hardtack Regiment

*Gettysburg's Unknown Soldier* Mark H. Dunkelman, 1999-04-30 He was found dead on the battlefield at Gettysburg an unknown soldier with nothing to identify him but an ambrotype of his three children clutched in his fingers With the photograph as the single sad clue to his identity a publicity campaign to locate his family swept the North Within a month the bereaved widow and children were located in Portville New York and the devoted father was revealed to be Sergeant Amos Humiston of the 154th New York Volunteers Using many previously untapped sources this book tells the tale of 19th century war sentiment and popular culture in greater detail than ever before The Humiston story touched deep emotions in Civil War America and inspired a flood of heartfelt prose poetry and song Amid a vast outpouring of public sympathy a charitable drive evolved to assist the bereft family At the end of the war the crusade was expanded to establish a home at Gettysburg for orphans of deceased soldiers The first residents of the institution were Amos Humiston s widow Philinda and her three children Franklin Alice and Frederick In this extensive account a full portrait emerges of Amos Humiston the loving husband and father destined to be remembered for his death tableau and his family the widow and orphans who struggled for the rest of their lives with celebrity born of tragedy

**The Mutinous Regiment** John G. Zinn, 2005-01-01 This treasure trove of information details the 33rd New Jersey regiment s formation in the midst of the draft riots of 1863 and its three campaigns under General Sherman in 1864 and 1865 Based on original source material much of it previously unexplored the book vividly describes the experiences of the soldiers in a regiment that lost 25 percent of its recruits to desertion even before leaving New Jersey and then effectively walked from Chattanooga to Washington D C by way of Atlanta and Savannah Five campaign maps and almost 70 photographs are supplemented by an appendix containing the rosters of all ten companies that made up the 33rd New Jersey Notes a bibliography and an index complete the work

**Brigades of Gettysburg** Bradley M. Gottfried, 2012-01-12 Learn about the paper brigade and the battle of Gettysburg in this incredible book Includes Gettysburg maps maps of Antietam artillery at Gettysburg and more Based on first hand accounts Author Bradley M Gottfried painstakingly pieced together each brigade s experience at the Battle of Gettysburg This brutal battle lasted for days and left soldiers with boredom and dread of what was to come when the guns stopped firing Visual resources are also in Gottfried s book including Gettysburg National Military Park maps Savas Beatie military atlas and more Readers will experience every angle of this epic fight through stories of forced marches weary troops and the bitter and tragic end of the battle This collection is a fascinating and lively narrative that empowers the soldiers who fought fiercely and died honorably Every moment of the Battle of Gettysburg is in this comprehensive book

**The Thirty-ninth Regiment Massachusetts Volunteers, 1862-1865** Alfred Seelye Roe, 1914      **A Field Guide to Gettysburg, Second Edition Expanded Ebook**

Carol Reardon, Tom Vossler, 2017-03-22 This special enhanced ebook edition to the newly updated A Field Guide to Gettysburg will lead visitors to every important site across the battlefield and also give them ways to envision the action and empathize with the soldiers involved and the local people into whose lives and lands the battle intruded Both Carol Reardon and Tom Vossler are themselves experienced guides who understand what visitors to Gettysburg are interested in but they also bring the unique perspectives of a scholar and a former army officer Divided into three day long tours this newly improved and expanded edition offers important historical background and context for the reader while providing answers to six key questions What happened here Who fought here Who commanded here Who fell here Who lived here And what did the participants have to say about it later With new stops maps soldier vignettes and illustrations the enhanced e book edition of A Field Guide to Gettysburg adds more human stories to an already impressive work that remains the most comprehensive guide to the events and history of this pivotal battle of the Civil War *Marching with Sherman* Mark H. Dunkelman, 2012-04-02 Marching with Sherman Through Georgia and the Carolinas with the 154th New York presents an innovative and provocative study of the most notorious campaigns of the Civil War Union General William Tecumseh Sherman's devastating 1864 March to the Sea and the 1865 Carolinas Campaign The book follows the 154th New York regiment through three states and chronicles 150 years from the start of the campaigns to their impact today Mark H Dunkelman expands on the brief accounts of Sherman's marches found in regimental histories with an in depth look at how one northern unit participated in the campaigns and how they remembered them decades later Dunkelman also includes the often overlooked perspective of southerners most of them women who encountered the soldiers of the 154th New York In examining the postwar reminiscences of those staunch Confederate daughters Dunkelman identifies the myths and legends that have flourished in the South for more than a century Marching with Sherman concludes with Dunkelman's own trip along the 154th New York's route through Dixie echoing the accounts of previous travelers and examining the memories of the marches that linger today *Under the Crescent Moon with the XI Corps in the Civil War, Volume 1* James Pula, 2017-06-19 The XI Corps served in the Army of the Potomac for just twelve months September 1862 August 1863 during which it played a pivotal role in the critical battles of Chancellorsville and Gettysburg Thereafter the corps hastened westward to reinforce a Union army in besieged Chattanooga and marched through brutal December weather without adequate clothing shoes or provisions to help rescue a second Northern army under siege in Knoxville Tennessee Despite its sacrifices in the Eastern campaigns and successes in Tennessee the reputation of the XI Corps is one of cowardice and failure James S Pula sets the record straight in his two volume study *Under the Crescent Moon The XI Corps in the American Civil War 1862 1864* Under the Crescent Moon a reference to the crescent badge assigned to the corps is the first study of this misunderstood organization The first volume From the Defenses of Washington to Chancellorsville opens with the organization of the corps and a lively description of the men in the ranks the officers who led them the regiments forming it

and the German immigrants who comprised a sizable portion of the corps Once this foundation is set the narrative flows briskly through the winter of 1862-63 on the way to the first major campaign at Chancellorsville Although the brunt of Stonewall Jackson's flank attack fell upon the men of the XI Corps the manner in which they fought and many other details of that misunderstood struggle are fully examined here for the first time and at a depth no other study has attempted Pula's extraordinary research and penetrating analysis offers a fresh interpretation of the Chancellorsville defeat while challenging long held myths about that fateful field The second volume From Gettysburg to Victory offers seven chapters on the XI Corps at Gettysburg followed by a rich exploration of the corps participation in the fighting around Chattanooga the grueling journey into Eastern Tennessee in the dead of winter and its role in the Knoxville Campaign Once the corps' two divisions are broken up in early 1864 to serve elsewhere Pula follows their experiences through to the war's successful conclusion Under the Crescent Moon draws extensively on primary sources and allows the participants to speak directly to readers The result is a comprehensive personalized portrait of the men who fought in the unlucky XI Corps from the difficulties it faced to the accomplishments it earned As the author demonstrates time and again the men of the XI Corps were good soldiers unworthy of the stigma that has haunted them to this day This long overdue study will stand as the definitive history of the XI Corps

*Gettysburg--The First Day* Harry W. Pfanz, 2011-07-01 For good reason the second and third days of the Battle of Gettysburg have received the lion's share of attention from historians With this book however the critical first day's fighting finally receives its due After sketching the background of the Gettysburg campaign and recounting the events immediately preceding the battle Harry Pfanz offers a detailed tactical description of events of the first day He describes the engagements in McPherson Woods at the Railroad Cuts on Oak Ridge on Seminary Ridge and at Blocher's Knoll as well as the retreat of Union forces through Gettysburg and the Federal rally on Cemetery Hill Throughout he draws on deep research in published and archival sources to challenge many long held assumptions about the battle *Brothers One and All* Mark H.

Dunkelman, 2006-09 During the Civil War the regiment was the fundamental component of armies both North and South its reliability and effectiveness crucial to military success Soldiers' devotion to their regiment their esprit de corps encouraged unit cohesion and motivated the individual soldier to march into battle and endure the hardships of military life In *Brothers One and All* Mark H. Dunkelman identifies the characteristics of Civil War esprit de corps and charts its development from recruitment and combat to the end of the war and beyond through the experiences of a single regiment the 154th New York Volunteer Infantry Dunkelman offers a unique psychological portrait of a front line unit that fought with distinction at Chancellorsville Gettysburg Lookout Valley Rocky Face Ridge and other engagements He traces the evolution of natural camaraderie among friends and neighbors into a more profound sense of pride enthusiasm and loyalty forged as much in the shared unpleasantness of day to day army life as in the terrifying ordeal of battle *The Harry Pfanz Gettysburg Trilogy*

Omnibus E-book Harry W. Pfanz, 2011-12-01 Available for the first time as an Omnibus Ebook edition this three volume set is

the acclaimed full account of the three days at Gettysburg by the noted historian Harry Pfanz *First Day* For good reason the second and third days of the Battle of Gettysburg have received the lion's share of attention from historians With this book however the critical first day's fighting finally receives its due After sketching the background of the Gettysburg campaign and recounting the events immediately preceding the battle Harry Pfanz offers a detailed tactical description of events of the first day He describes the engagements in McPherson Woods at the Railroad Cuts on Oak Ridge on Seminary Ridge and at Blocher's Knoll as well as the retreat of Union forces through Gettysburg and the Federal rally on Cemetery Hill Throughout he draws on deep research in published and archival sources to challenge many long held assumptions about the battle

*Second Day Gettysburg* The Second Day is certain to become a Civil War classic What makes the work so authoritative is Pfanz mastery of the Gettysburg literature and his unparalleled knowledge of the ground on which the fighting occurred His sources include the Official Records regimental histories and personal reminiscences from soldiers North and South personal papers and diaries newspaper files and last but assuredly not least the Gettysburg battlefield Pfanz's career in the National Park Service included a ten year assignment as a park historian at Gettysburg Without doubt he knows the terrain of the battle as well as he knows the battle itself Culp's Hill Harry Pfanz provides the first definitive account of the fighting between the Army of the Potomac and Robert E Lee's Army of Northern Virginia at Cemetery Hill and Culp's Hill two of the most critical engagements fought at Gettysburg on 2 and 3 July 1863 Pfanz provides detailed tactical accounts of each stage of the contest and explores the interactions between and decisions made by generals on both sides In particular he illuminates Confederate lieutenant general Richard S Ewell's controversial decision not to attack Cemetery Hill after the initial southern victory on 1 July Pfanz also explores other salient features of the fighting including the Confederate occupation of the town of Gettysburg the skirmishing in the south end of town and in front of the hills the use of breastworks on Culp's Hill and the small but decisive fight between Union cavalry and the Stonewall Brigade

**The Battle of Peach Tree Creek** Earl J.

Hess, 2017-08-09 On July 20 1864 the Civil War struggle for Atlanta reached a pivotal moment As William T Sherman's Union forces came ever nearer the city the defending Confederate Army of Tennessee replaced its commanding general removing Joseph E Johnston and elevating John Bell Hood This decision stunned and demoralized Confederate troops just when Hood was compelled to take the offensive against the approaching Federals Attacking northward from Atlanta's defenses Hood's men struck George H Thomas's Army of the Cumberland just after it crossed Peach Tree Creek on July 20 Initially taken by surprise the Federals fought back with spirit and nullified all the advantages the Confederates first enjoyed As a result the Federals achieved a remarkable defensive victory Offering new and definitive interpretations of the battle's place within the Atlanta campaign Earl J Hess describes how several Confederate regiments and brigades made a pretense of advancing but then stopped partway to the objective and took cover for the rest of the afternoon on July 20 Hess shows that morale played an unusually important role in determining the outcome at Peach Tree Creek a soured mood among the Confederates and

overwhelming confidence among the Federals spelled disaster for one side and victory for the other      **Brothers One and All** Mark H. Dunkelman, 2004 Drawing on three decades of research and more than a thousand wartime letters and two dozen diaries kept by members of the 154th he traces the evolution of natural camaraderie among friends and neighbors into a more profound sense of pride enthusiasm and loyalty forged as much in the shared unpleasantness of day to day army life as in the terrifying ordeal of battle      The Maps of Gettysburg Bradley M. Gottfried, 2010-06-15 A comprehensive collection of Civil War maps and battle plans that brought Union and Confederate forces to the largest battle ever fought on American soil Thousands of books and articles have been written about Gettysburg but the military operation itself remains one of the most complex and difficult to understand Here Bradley M Gottfried gives readers a unique and thorough study of the campaign that decided the fate of a nation Enriched with 144 detailed full page color maps comprising the entire campaign The Maps of Gettysburg shows the action as it happened down to the regimental and battery level including the marches to and from the battlefield and virtually every significant event in between Paired with each map is a fully detailed text describing the units personalities movements and combat it depicts including quotes from eyewitnesses all of which bring the Gettysburg story to life Perfect for the armchair historian or first hand visitor to the hallowed ground no academic library can afford not to include The Maps of Gettysburg as part of their American Civil War Reference collections Midwest Book Review

The Generals Of Gettysburg Larry Tagg, 2003-06-19 Presents detailed information on the character and personality of all 133 combat command officers at the battle of Gettysburg as well as an in depth account of each man's actions on the field

Music Along the Rapidan James Andrew Davis, 2014-07-01 In December 1863 Civil War soldiers took refuge from the dismal conditions of war and weather They made their winter quarters in the Piedmont region of central Virginia the Union's Army of the Potomac in Culpeper County and the Confederacy's Army of Northern Virginia in neighboring Orange County For the next six months the opposing soldiers eyed each other warily across the Rapidan River In Music Along the Rapidan James A Davis examines the role of music in defining the social communities that emerged during this winter encampment Music was an essential part of each soldier's personal identity and Davis considers how music became a means of controlling the acoustic and social cacophony of war that surrounded every soldier nearby Music also became a touchstone for colliding communities during the encampment the communities of enlisted men and officers or Northerners and Southerners on the one hand and the shared communities occupied by both soldier and civilian on the other The music enabled them to define their relationships and their environment emotionally socially and audibly      **The Colors of Courage** Margaret S Creighton, 2008-07-31 Gettysburg has been written about and studied in great detail over the last 140 years but there are still many participants whose experiences have been overlooked In augmenting this incomplete history Margaret Creighton presents a new look at the decisive battle through the eyes of Gettysburg's women immigrant soldiers and African Americans An academic with a superb flair for storytelling Creighton draws on memoirs letters diaries and newspapers to get to the

hearts of her subjects Mag Palm a free black woman living with her family outside of town on Cemetery Ridge was understandably threatened by the arrival of Lee's Confederate Army slavers had tried to capture her three years before Carl Schurz a political exile who had fled Germany after the failed 1848 revolution brought a deeply held fervor for abolitionism to the Union Army Sadie Bushman a nine year old cabinetmaker's daughter was commandeered by a Union doctor to assist at a field hospital In telling the stories of these and a dozen other participants Margaret Creighton has written a stunningly fluid work of original history a narrative that is sure to redefine the Civil War's most essential battle     *The March to the Sea and Beyond* Joseph T. Glatthaar,1995-11-01 In November 1864 Major General William Tecumseh Sherman led an army of veteran Union troops through the heart of the Confederacy leaving behind a path of destruction in an area that had known little of the hardships of war devastating the morale of soldiers and civilians alike and hastening the end of the war In this intensively researched and carefully detailed study chosen by Civil War Magazine as one of the best one hundred books ever written about the Civil War Joseph T Glatthaar examines the Savannah and Carolinas Campaigns from the perspective of the common soldiers in Sherman's army seeking above all to understand why they did what they did Glatthaar graphically describes the duties and deprivations of the march the boredom and frustration of camp life and the utter confusion and pure chance of battle Quoting heavily from the letters and diaries of Sherman's men he reveals the fears motivations and aspirations of the Union soldiers and explores their attitudes toward their comrades toward blacks and southern whites and toward the war its destruction and the forthcoming reconstruction     *The Sword of Lincoln* Jeffry D. Wert,2005 With a swiftly moving narrative style and perceptive analysis *The Sword of Lincoln* is destined to become the modern account of the army that was so central to the history of the Civil War

## Unveiling the Magic of Words: A Overview of "**The Hardtack Regiment**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**The Hardtack Regiment**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
