The Healing of Emotion Chris Griscom,1999-04-01      **Self Remembering** Red Hawk,2015-05-11 With hundreds of books on the market today urging readers to develop mindfulness pointing to the condition of awakening that most religious philosophical traditions aim toward this new addition by Red Hawk stands head and shoulders above the crowd It offers detailed practical guidelines that allow one to know with certainty not from imagination theory thought or lying when one is Present and Awake it details the objective feedback mechanisms available to everyone for attaining this certainty Am I awake now How do I know Sincere readers will find that help in answering these two questions is invaluable and life changing Written from the perspective of a practitioner of more than thirty years one who has studied the significant work of his predecessors received instruction from two spiritual masters Osho Rajneesh and Mister Lee Lozowick and trained rigorously within daily life This book is the first detailed examination of the Practice of Presence called self remembering in the Gurdjieff tradition The author s aim is to give general guidelines in this practice discuss its implications and then offer specific instruction Self Remembering The Path to Non Judgmental Love is meant to be a companion piece volume ii to the author s previous book Self Observation The Awakening of Conscience which is fast becoming a classic Taken together they present the most detailed examination of the practice available in English He clearly points out that self remembering is only one half of a foundational spiritual practice called self observation self remembering Where other authors teachers have gone wrong in the past is to take only one half of this practice and consider it the whole entire unto itself Mister Gurdjieff s student A R Orage 1873 1934 made this mistake with self observation contemporary teacher Robert Burton made a similar error with his book also titled Self Remembering While P D Ouspensky speaks of the practice of self remembering in his seminal book In Search of the Miraculous and Rodney Collin in The Theory of Celestial Influence there has not been a book length study on self remembering that examines the practice from the many angles that Red Hawk s does His chapters cover such diverse yet integrated topics as The Removal of Self Importance Kaya Sadhana or the wisdom of the body and Separation Grief i e addressing the terror of our current situation without denial or dramatics      **The World's Fearlessness Teachings** R. Michael Fisher,2010 The World s Fearlessness Teachings addresses the human fear problem in a truly unique and insightful way summarizing the teaching on fearlessness from around the world and throughout history The author then utilizes critical integral theory a la Wilber as an approach to categorize the developmental and evolutionary spectrum of fear management systems known thus far The author has spent twenty years researching the timely topic of fear and how to best manage and transform it From this experience he offers an educational healing vision to address the challenges of a dangerous 21st century Fear s empire has taken rule It is time to resist it using the best intelligence from both sacred and secular traditions as well as the transformational theories humanity has to offer R Michael Fisher maps out ten fear management systems that will benefit future positive leaders everywhere Book jacket      *Putting on the Mind of*

*Christ* Jim Marion, 2011-11-01 Jim Marion's book returns us to the central challenge Christianity ought to be handing us. Indeed, how do we put on the mind of Christ? How do we see through his eyes? How do we feel through his heart? How do we learn to respond to the world with that same wholeness and healing love? That's what Christian orthodoxy really is all about. It's not about right belief; it's about right practice. Cynthia Bourgeault, author of *The Wisdom of Jesus*. What does it mean to follow the path of Christ today? *Putting on the Mind of Christ* is the first book to offer an integral understanding of the Christian spiritual path, one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology. American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ, how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ. He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget, Carol Milligan, and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven, the highest level of spiritual development. Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ-focused framework. *Pioneering, transcendent and grounded: Putting on the Mind of Christ* will permanently alter the landscape of 21st century Christianity.

*The Fearless Path* Leah Guy, 2017-05-15 A remarkable toolkit of proven strategies to address the root cause of cravings, addictions, anxiety, and guilt. Ann Louise Gittleman, PhD, CNS, New York Times bestselling author of *The New Fat Flush Plan*. Leah Guy believes that disconnection is the root of all fear, and the attempt at letting go causes more problems than it solves. Debunking the myth of detachment and other popular New Age ideologies, she emphasizes that there's no escapism in emotional healing. Rather, the process is about putting the personal pieces of your heart, mind, and soul back together again. *The Fearless Path* offers a radical approach that will heal trauma, fear, heartache, and mental and physical health. Overcoming anxiety, sexual abuse, eating disorders, and addiction using the principles in this book. Leah has spent her life helping others find relief and freedom from personal afflictions. In *The Fearless Path*, you will learn why letting go is the worst advice for healing and how to really move on. How to understand the stories your energy system tells about your mind, body, and spirit, and how to rewrite the script. How to transform fear and anxiety into love and inner peace. Why the law of attraction isn't all it's cracked up to be. Find strength and serenity in the midst of a personal storm. An inspirational guide for true self-healing through practical exercises and profound understandings. Susan Shumsky, D.D., author of *The Power of Chakras* and *Awaken Your Third Eye*. Based on her own profound self-healing, Leah Guy offers a wellspring of inspiration and a cornucopia of practical tools. Highly recommended.

Michael Gelb, author of *How to Think Like Leonardo da Vinci*.
