The Heart Of Loving:

The Heart of Love (Large Print 16pt) John F. Demartini, 2011-04 Grounded in John Demartini's much loved teachings *The Heart of Love* helps you apply his trail blazing philosophy and revolutionary understanding of human behavior specifically to your relationships. If you're looking for your soul mate, want to reignite the spark in a longtime relationship, seeking to safeguard your marriage from infidelity, or are committed to creating more authentic friendships, family connections, and business relationships, then this book is for you. This book helps you understand what really drives human behavior in romance, business, and families, and assures you that you can have the kind of relationships you'd love to have, whether they're lasting or brief, intensely intimate or just for fun. Ultimately, this book aims to inspire you to fulfill the true purpose of your relationships, to wake you up to your own wholeness, the divine magnificence present in every human soul. It invites you into the heart of love, which transforms any relationship into one of gratitude and true fulfillment. *The Art of Loving* Erich Fromm, 2000-04-01 Renowned psychoanalyst Erich Fromm has helped generations of men and women achieve rich and productive lives by developing their capacity to love. This centennial edition of his most enduring work salutes the valuable lessons that are Fromm's legacy. **The Heart of Love** Joshua Miller, 2009-02 Love is the very nature of God. It is the essence of his sanctity. It is the something of his divinity that permeates our very existence. It is through him and in him that creation was given life. By looking upon Christ, we see the love of God. By accepting Christ's nature, we come into the truth of that love. God is love. If this book doesn't change your mind, it will still change your heart. Amidst the toils and spoils of the world, and the shadow cast by our many grievances, we often forget the joy of dwelling in simple love. Joshua Miller's debut book *Heart of Love* explores the wisdom and virtue of being a person of love. Read about love. Love is in this book; it waits for you. This book is a destroyer, a creator, and a healer for love is all of these. Love will destroy falsehood. It will heal old wounds. And it will create new worlds of goodness and possibility. Come to the siren song of love. Dance in its flow. Let your eyes meet its words. Let your heart embrace the light. This book, this little lantern, will shine into your heart. It will add to that light that is already in you, that transcendent light that pushes the darkness into oblivion. Interweaving unique poetic tones within his wisdom-filled study, Miller takes readers beyond simple surface acceptance and into the cavernous riches found within love. These words are for you. The prime nature of this book is love. It wakes you. It is alive with the spirit of love; may it resound in your soul as you read it. *The Heart of Loving* Eugene C. Kennedy, 1973 Serving & Giving John-Roger, DSS, Paul Kaye, 2009-11-01 Looking at the act of giving as a way to bring greater happiness into the life of the giver as well as the receiver, this insightful exploration challenges contemporary concepts of service. Offering simple and practical techniques for open-minded volunteering, a wealth of quotes, narratives, and reflective pieces seek to motivate and inspire. Encouraging an attitude of selflessness with positive and timely action, this thought-provoking guide posits that serving is a gateway to higher consciousness. Comprised of brief, clear chapters, this perceptive meditation is easy to reference while attending the needs of

Contemporary British Drama Korbinian Stöckl,2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama Love in Contemporary British Drama reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned *Unity*,1905 *Heart Love'n Cowboy* Debra Clopton,Hope Moore,2023-07-28 She lost the love of her life now she s looking for a new start that has nothing to do with her heart looking for the love of his life he sees quickly that she s had what he wants and isn t interested in risking her heart again In this town full of sweet inviting people can Sydney Foster find the new start her and her daughter need Her grandfather gave her a hint of where she should begin again when he left his home in Lone Star Texas to her but she hadn t taken the hint Now after someone from the town inquired about buying the house to turn it into a bed and breakfast she s rethinking her life and checking out her grandfather s hopes for her Is this sweet and friendly town where she and her

From Genesis to Revelation Stuart Tillman, 2022-12-27 From Genesis to Revelation A Story You Find Yourself In is a book about the journey of the soul and how it s reflected in the esoteric Bible The book is written as an allegory by animating characters found in the creation and together serve as our hosts during this earthly sojourn It s through the unbiased observations made by these characters that we come to better understand ourselves and the purpose of this incarnation The quality of our relationship with the creation and with other human s is solely dependent upon the quality of the relationship that we have with our inner man Becoming aware of awareness is the beginning of this understanding and is perfected through the process of internal observation The book recognizes that humanity is stressing the creations integrity and its ability to maintain a proper ecosystem in support of our human experience In response the creation determines that something must be done concluding that acquiring a thorough

understanding the nature of man's inner and collective psyche as the first order of business. In this process of discovery, the creation explores the contrasts between the practices of religion and the pursuits of spirituality while endeavoring to correlate its findings with the symbolisms found in the Bible. What they discover is a revelatory paradox as their findings suggest that these human practices and pursuits do not align with the spiritual meaning hidden in these sacred texts. The journey of humanity is a story you find yourself in, and the only way forward is for each of us to come into a reconciliation with our dual natures. I hope this book can help in that cause as the answers are found within, from Genesis to Revelation.
