Christopher Reyes, 2014-08-15 One naturally assumes that when they listen to their Pastor Reverend or Priest that they speak the truth

and takes for granted that when the Pope speaks he also speaks the truth Yet few Christians are conscious much less concerned to hear about the truth or of how they have been deceived for centuries and betrayed again by their sacrosanct religious institutions bent upon enriching themselves by their ignorance of the faith's history and gullibility This book deals with the truth the truth which many Christian sects do not wish to convey to their followers For almost two thousand years Christians have maintained that Jesus was God incarnate a sinless man a man born of a virgin mother a man who was the embodiment of perfection on earth which is unflinchingly stated in their Christian Bibles the New Testament Jesus Who did no sin neither was guile found in his mouth I Peter 2 22 King James Authorized Version Cf Luke 2 48 Joseph is Jesus father We are dying today from the fact of not having anyone who knows how to lay down his life for the Truth Pierre Teilhard de Chardin S J quoted in *The Jesuits The Society of Jesus and the Betrayal of the Roman Catholic Church* by Malachi Martin author of *Vatican and The Final Conclave* pg 286 1987

**The Origins and Role of Same-Sex Relations in Human Societies** James Neill, 2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex

*The Idea of Idolatry and the Emergence of Islam* G. R. Hawting, 1999-12-09 Why and under what circumstances did the religion of Islam emerge in a remote part of Arabia at the beginning of the seventh century Traditional scholarship maintains that Islam developed in opposition to the idolatrous and polytheistic religion of the Arabs of Mecca and the surrounding regions In this study of pre Islamic Arabian religion G R Hawting adopts a comparative religious perspective to suggest an alternative view By examining the various bodies of evidence which survive from this period the Koran and the vast resources of the Islamic tradition the author argues that in fact Islam arose out of conflict with other monotheists whose beliefs and practices were judged to fall short of true monotheism and were in consequence attacked polemically as idolatry The author is adept at unravelling the complexities of the source material and students and scholars will find his argument both engaging and persuasive

Our Father Abraham Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson's own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson's widely acclaimed book will offer encouragement and wise guidance toward this worthy end
