The Hebrew Passover From Earliest Times To Ad 70

Lester L. Grabbe

The Hebrew Passover From Earliest Times To Ad 70:

Hebrew Passover from the Earliest Times to A.D. 70 J. B. Segal, 1963 *The Hebrew Passover* J. B. Segal, 1963 The influence of the Passover on the ritual and thought of Judaism and Christianity has probably been more profound than that of any other festival The Hebrew Passover from the Earliest Time to A.D. 70 J. B. Segal, 1963 Nick Page: The Longest Week, The Wrong Messiah, Kingdom of Fools Nick Page, 2018-03-08 Essential reading enlightening and informative you will be sure to learn something new Church of England Newspaper In this illuminating read Nick Page strips away centuries of misrepresentation and myth to reveal the real personality portrayed in the gospels Drawing on a wealth of historical and archaeological research the result is a startling and vivid new portrait of Yeshua ben Yosef Jesus of Nazareth The Eerdmans Dictionary of Early Judaism John J. Collins, Daniel C. Harlow, 2010-11-11 The Dictionary of Early Judaism is the first reference work devoted exclusively to Second Temple Judaism fourth century b c e through second century c e The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian The second and significantly longer section offers 520 entries arranged alphabetically Many of these entries have cross references and all have select bibliographies Equal attention is given to literary and nonliterary i e archaeological and epigraphic evidence and New Testament writings are included as evidence for Judaism in the first century c e Several entries also give pertinent information on the Hebrew Bible The Dictionary of Early Judaism is intended to not only meet the needs of scholars and students at which it succeeds admirably but also to provide accessible information for the general reader It is ecumenical and international in character bringing together nearly 270 authors from as many as twenty countries and including Jews Christians and scholars of no religious affiliation The Origins of Yahwism Jürgen van Oorschot, Markus Witte, 2017-06-26 This compendium examines the origins of the God Yahweh his place in the Syrian Palestinian and Northern Arabian pantheon during the bronze and iron ages and the beginnings of the cultic veneration of Yahweh Contributors analyze the epigraphic and archeological evidence apply fundamental considerations from the cultural and religious sciences and analyze the relevant Old Testament texts **Ritual and Belief** David Hicks, 2010-03-15 *Ritual and Belief Readings in the Anthropology of Religion* is a collection of 41 readings in religion magic and witchcraft The choice of readings is eclectic no single anthropological approach or theoretical perspective dominates the text Theoretical significance scholarly eminence of the author and inherent interest provide the principal criteria and each reading complements its companion chapters which are pedagogically coherent rather than ad hoc assemblages Included among the theoretical perspectives are structural functionalism structuralism Malinowskian functionalism cultural materialism and cultural evolutionism also included are the synchronic and diachronic approaches The book offers a mixture of classic readings and more recent contributions and the world religions are included along with examples from the religions of traditionally non literate cultures As diverse a range of religious traditions as possible has

been embraced from various ethnic groups traditions and places *Deuteronomy and the Hermeneutics of Legal Innovation*
Bernard M. Levinson, 2002 Positioned at the boundary of traditional biblical studies legal history and literary theory
Deuteronomy and the Hermeneutics of Legal Innovation shows how the legislation of Deuteronomy reflects the struggle of its
authors to renew late seventh century Judean society Seeking to defend their revolutionary vision during the neo Assyrian
crisis the reformers turned to earlier laws even when they disagreed with them and revised them in such a way as to lend
authority to their new understanding of God's will Passages that other scholars have long viewed as redundant contradictory
or displaced actually reflect the attempt by Deuteronomy's authors to sanction their new religious aims before the legacy of
the past Drawing on ancient Near Eastern law and informed by the rich insights of classical and medieval Jewish commentary
Levinson provides an extended study of three key passages in the legal corpus the unprecedented requirement for the
centralization of worship the law transforming the old Passover into a pilgrimage festival and the unit replacing traditional
village justice with a professionalized judiciary He demonstrates the profound impact of centralization upon the structure and
arrangement of the legal corpus while providing a theoretical analysis of religious change and cultural renewal in ancient
Israel The book's conclusion shows how the techniques of authorship developed in Deuteronomy provided a model for later
Israelite and post biblical literature Integrating the most recent European research on the redaction of Deuteronomy with
current American and Israeli scholarship Levinson argues that biblical interpretation must attend to both the diachronic and
the synchronic dimensions of the text His study which provides a new perspective on intertextuality the history of authorship
and techniques of legal innovation in the ancient world will engage pentateuchal critics and historians of Israelite religion
while reaching out toward current issues in literary theory and Critical Legal Studies **Sovereign Authority and the**

Elaboration of Law in the Bible and the Ancient Near East Dylan R. Johnson, 2020-08-04 Five Pentateuchal texts Lev 24
10 23 Num 9 6 14 Num 15 32 36 Num 27 1 11 Num 36 1 12 offer unique visions of the elaboration of law in Israel's formative
past In response to individual legal cases Yahweh enacts impersonal and general statutes reminiscent of biblical and ancient
Near Eastern law collections From the perspective of comparative law Dylan R Johnson proposes a new understanding of
these texts as biblical rescripts a legislative technique that enabled sovereigns to enact general laws on the basis of
particular legal cases Typological parallels drawn from cuneiform and Roman law illustrate the complex ideology informing
the content and the form of these five cases The author explores how latent conceptions of law justice and legislative
sovereignty shaped these texts and how the Priestly vision of law interacted with and transformed earlier legal traditions

Hezekiah in History and Tradition Robb Andrew Young, 2012-05-03 The Judean monarch Hezekiah remains one of the
most significant figures in biblical studies For all of his greatness however there is little about him that may be stated with
certainty This study provides a detailed reexamination of this enterprising ruler It commences with data outside the biblical
text from Assyrian records and ancient Near Eastern archaeology which may be brought to bear in reconstructing the

historical Hezekiah and subsequently proceeds to augment this picture based on his portrayal in the books of Kings First Isaiah and Chronicles Its focus is on those issues that either remain contentious in biblical scholarship or else have been resolved into a general consensus that needs to be called into question

The Call of Moses and the Exodus Story

Jaeyoung Jeon,2013-11-05 Jaeyoung Jeon examines and assesses recently suggested models for the formation of the Pentateuch through a redactional critical analysis of the Call of Moses Exod 3 4 and the Exodus story Exod 5 13 He observes that Exod 3 4 was formed through a series of stages of Deuteronomistic composition and redaction to which some post Priestly additions were made Comparative analysis suggests that the elements of Deuteronomistic formation precede P and that the direction of influence is from the non P narrative Exod 3 4 to the P call narrative Exod 6 Jeon also shows that although some of the literary layers in Exod 3 4 extend through the Exodus story Exod 5 13 the present form of the latter has been shaped by a post Deuteronomistic but pre Priestly composition based on an earlier proto Exodus story He therefore concludes that the Pentateuch or Hexateuch might be the product of a more complicated process of development than the current models describe

The Mystery of the Last Supper

Colin J. Humphreys,2011-03-28 For hundreds of years we thought we knew what happened during Jesus last days Holy Thursday Good Friday and Easter Sunday are not only observed by Christians around the world but are also recognized in calendars and by non practitioners as commemorating the true timeline of events in the life of Christ But apparent inconsistencies in the gospel accounts of Jesus final week have puzzled Bible scholars for centuries In The Mystery of the Last Supper Colin Humphreys uses science to reveal the truth about Jesus final days Reconciling conflicting Gospel accounts and scientific evidence Humphreys reveals the exact date of the Last Supper in a definitive new timeline of Holy Week

A History of Judaism

Martin Goodman,2019-11-19 Judaism is one of the oldest religions in the world and it has preserved its distinctive identity despite the extraordinarily diverse forms and beliefs it has embodied over the course of more than three millennia A History of Judaism provides the first truly comprehensive look in one volume at how this great religion came to be how it has evolved from one age to the next and how its various strains sects and traditions have related to each other In this magisterial and elegantly written book Martin Goodman takes readers from Judaism s origins in the polytheistic world of the second and first millennia BCE to the temple cult at the time of Jesus He tells the stories of the rabbis mystics and messiahs of the medieval and early modern periods and guides us through the many varieties of Judaism today Goodman s compelling narrative spans the globe from the Middle East Europe and America to North Africa China and India He explains the institutions and ideas on which all forms of Judaism are based and masterfully weaves together the different threads of doctrinal and philosophical debate that run throughout its history

Marginal(ized) Prospects through Biblical Ritual and Law

Bernon Lee,2017-06-19 This book follows a reader s logic of association through a series of overlapping constructs in biblical prescription of things prized and lofty holy hair unblemished beasts sacred edibles wholesome wombs pristine precincts esteemed ethnicities and as unlikely as it seems

dismembered members Thoroughly intersectional in disposition Bernon Lee uncovers not just the precariousness of the contrived dichotomies through the identity building sacred texts but also the complexities and contentions of a would be decolonizing hermeneutic bristling with its own tensions and temptations This volume is an intertextual odyssey through law and ritual from impassioned positions fraught with ambivalence reticence and anxiety **Foreign But Familiar Gods** Lynn Allan Kauppi, 2006-10-24 Where and why does Luke include references in Acts to Graeco Roman gods and religious practices How do these explicit and implicit mentions relate to other literature inscriptions and artifacts from the same period Through a close and informative reading of seven key texts in Acts Kauppi analyses the appearances of Graeco Roman *60 Days That Shook the World* Roy G. Pittman, 2008 As the man and his followers arrived in the city the air was palpable with intrigue and danger along with a sense of expectation as to what would unfold in the coming days Thus begins the story of 60 Days That Shook the World The Last Days of Jesus Christ by Roy G Pittman In the historical and chronological study of Jesus last week on Earth until the gift of Holy Spirit was given on Pentecost many traditional beliefs are challenged and questioned Did Jesus make one triumphal entry into Jerusalem or two Did Peter deny Jesus three times as traditionally believed or six Did Judas hang himself the day Jesus was crucified or was he still with the other Apostles after Jesus was resurrected How many times was Jesus actually buried All of those questions and many more are studied with answers from the Word of God provided to return serious students of the Bible back to the truth and accuracy of the Word The author has utilized the research and expertise of many Biblical scholars in his search for the truth a search he hopes others are willing to seriously undertake If you are desiring to be challenged and motivated to study the Word of God with a more critical and interpretive understanding then 60 Days That Shook the World is a must read **The Book of Exodus** Joel S. Baden, 2019-04-30 An essential biography of one of the Bible s most powerful and inspiring books Exodus is the second book of the Hebrew Bible but it may rank first in lasting cultural importance It is here that the classic biblical themes of oppression and redemption of human enslavement and divine salvation are most dramatically expressed Joel Baden tells the story of this influential and enduring book tracing how its famous account of the Israelites journey to the promised land has been adopted and adapted for millennia often in unexpected ways Baden draws a distinction between the Exodus story and the book itself which is one of the most multifaceted in the Bible containing poems law codes rituals and architectural plans He shows how Exodus brings together an array of oral and written traditions from the ancient Middle East and how it came to be ritualized in the Passover Seder and the Eucharist Highlighting the remarkable resilience and flexibility of Exodus Baden sheds light on how the bestowing of the Torah to Moses on Mount Sinai divided Jewish and Christian thinkers on the importance of Exodus during the Reformation and the American Revolution and on its uses in debates for and against slavery He also traces how the defining narrative of ancient Israel helped to define Mormon social identity the American civil rights movement and liberation theology Though three thousand years old the Exodus as history as narrative as metaphor as model continues to be

vitaly important for us today Here is the essential biography of this incomparable spiritual masterpiece *A History of the Jews and Judaism in the Second Temple Period (vol. 1)* Lester L. Grabbe,2006-07-27 In the first of four volumes on A History of the Jews and Judaism in the Second Temple Period Lester Grabbe presents a comprehensive history of Yehud the Aramaic name for Judah during the Persian Period Among the many crucial questions he addresses are What are the sources for this period and how do we evaluate them And how do we make them speak to us through the fog of centuries This first volume Yehud A History of the Persian Province of Judah offers the most up to date and comprehensive examination of the political and administrative structures the society and economy the religion temple and cult the developments in thought and literature and the major political events of Judah at the time *The Jewish Temple* Robert Hayward,2002-06-01 Robert Hayward offers a careful analysis of surviving accounts of the Temple and its service All the central texts are provided in translation with a detailed commentary While descriptions of the Temple and its service are available discussions of the meaning of these things are less easily found This study clearly illustrates how the Temple was seen as a meeting point between heaven and earth its service being an earthly representation of heavenly reality Jews regarded the Temple service therefore as having significance for the whole created world The Jewish Temple offers a valuable collection of materials both for those looking for an introduction to the topic and for the scholar interested in grasping the meanings beyond those texts

Joel and the Temple Cult of Jerusalem Gösta Werner Ahlström,1971
