Skills In Person Centred Counselling And Psychotherapy:

Skills in Person-Centred Counselling & Psychotherapy Janet Tolan, 2012-01-20 This book has already helped thousands of beginning practitioners understand the subtleties of the person centred approach and develop skills in person centred counselling practice Now in its second edition this step by step guide takes the reader through the counselling process providing advice on how to structure and manage therapeutic work in ways which are thoroughly grounded in person centred principles Janet Tolan defines the key tenets of the approach psychological contact congruence empathy and unconditional positive regard and demonstrates how they are used effectively in a range of counsellor client interactions Describing all aspects of the therapeutic relationship from the initial meeting to ending the relationship well this new edition contains new chapters Debates and Developments in Practice and Edgy and Ethical Issues This book is an ideal introduction for beginners and for more experienced therapists who want to extend their range Janet Tolan is a Consultant and Private Practitioner in Manchester She has worked extensively in education and training most recently as leader of the Counselling and Psychotherapy Masters programme at Liverpool John Moores University

Skills in Person-Centred Counselling & Psychotherapy Janet Tolan, Rose Cameron, 2016-11-14 This bestselling classic has guided thousands of students and practitioners step by step through the skills and theory of the person centred approach Fully updated this Third Edition includes numerous new exercises and case studies a thoroughly revised chapter on recent debates and developments as well as two important new chapters on Politics Prejudice Power and Privilege Client Perception It remains an essential introduction for those beginning their training as well as more experienced practitioners keen to expand their range

Person-Centred Counselling in Action Dave Mearns, Brian Thorne, 2007-05-21 Watch Dave Mearns and Brian Thorne's video on YouTube to hear the story behind the writing of the Third Edition and to find out about Dave's time spent under the stewardship of Carl Rogers SAGE celebrated the 20th Anniversary of the Counselling in Action series in November 2008 To view the video click [here](#) REVIEWS Thank you for revising the bible I am a tutor on a so called integrative counselling course and I thoroughly endorse the idea that Carl Rogers would have welcomed this honesty and new interpretation of his model Your SAGE book is indeed a bible and I have repeatedly recommended it to the students lecturer YouTube For students and those new to person centred counselling there is a clear exposition of person centred theory For experienced practitioners there are new and challenging theoretical developments within the person centred approach If new to counselling this is a must have If wondering whether to invest in this edition when there is already a copy of the earlier one on the shelf the challenge of the new theoretical material is persuasive but if that is not enough then the updated practice guidance the practical questions and answers and the comprehensive references must make this new edition another bestseller Therapy Today It is now almost twenty years since the first edition of Person Centred Counselling in Action appeared In that time this SAGE bestseller has maintained enormous popularity with trainees and practitioners and has achieved world wide acclaim

This substantially revised Third Edition provides an excellent introduction to the theory and practice of person centred counselling while incorporating exciting new developments in the approach Dave Mearns and Brian Thorne have preserved the compelling and accessible style of its predecessors At the same time they provoke reflection on many of the key issues which concern not only person centred practitioners but those across the whole counselling and psychotherapy field New to this edition is the inclusion of relational depth a key development for the person centred approach and counselling generally extended discussion of the counsellor's use of self a new chapter containing the authors answers to frequently asked questions the inclusion of diversity issues covering religion gender and sexual orientation further reading suggestions Much has changed in the person centred orientation since the death of Carl Rogers in 1987 Not only have new schools of thought emerged with different emphases and therapeutic possibilities but the authors of this book have themselves been responsible for significant advances in key areas of person centred theory and practice These developments are fully reflected in the revised text Continuing to offer a clear exposition of the theory and practice of the approach Person Centred Counselling in Action Third Edition will be invaluable for those embarking on their first stages of training Well established practitioners and even seasoned scholars will continue to find much to interest and stimulate them Praise for previous editions An important book a most sophisticated text Mearns and Thorne have written a book for all counsellors and psychotherapists The reader will be left both grateful and hungry for more British Journal of Guidance and Counselling The discussion of empathy acceptance and congruence is central and should be required reading for all trainees working to understand the richness of these core concepts outstanding Counselling and Psychotherapy The Journal of the British Association for Counselling and Psychotherapy Without doubt the clearest description of the person centred approach to counselling that I have read apart from Carl Rogers own writings I felt that I had got to know both Dave Mearns and Brian Thorne through their offering the reader their own congruence and I found this aspect of the book at times quite moving Social Work Today Gives real insight into person centred counselling This is a gentle book an absolute delight to read I couldn't put it down as it held me in the realm of my own feelings I would like to thank both authors for sharing so much of their intimate selves I recommend this book to trainee counsellors trained counsellors clients and those involved in the helping professions It is a book that has influenced me and that I would not want to be without BPS Counselling Psychology Review Excellent all rounder for practitioners to learn and build upon counselling skills with young offenders lecturer Guidance Youth and Youth Justice Nottingham Trent University An excellent text Student friendly and covering all main issues lecturer Psychology Swansea Institute of HE Stimulates a re exploration of the doctor patient relationship British Medical Journal I felt understood by this book Ann Weiser PCA Letter Network This book could very sensibly be placed on the reading lists of all counselling trainers and trainees this is the most informative and useful book I have read in a long time and I have no doubt that if Carl Rogers were still alive today he would not only agree but also acknowledge experiencing some envy Changes The skilful conveying of

tenderness and building of trust are well explained and described with lots of case study examples Guidance Matters
Excellent book a useful and practical way to underpin current emphasis on humanism in nursing lecturer West London NHS
Mental Health Trust Continues to be an excellent easy introduction but with depth Deserves to be a bestseller lecturer
Preston College The book conveys the profound respect for the person for his her autonomy and uniqueness which is
inherent in the Rogerian approach British Journal of Medical Psychology A marvelous book highly recommended Someone
has finally written an easily accessible book about the theory and practice mostly practice of the kind of therapy that makes
the most sense to many focusers Hurrah The Focusing Connection Truly allows the reader to enter the world of the person
centered counsellor Contemporary Psychology Person Centred Counselling in Action written by Dave Mearns and Brian
Thorne was originally published in 1988 about a year after the death of Carl Rogers It has helped to maintain and stimulate
interest in this approach and has become a best seller in the Counselling in Action series The Journal of Critical Psychology
Counselling and Psychotherapy **Person-Centred Therapy** Paul Wilkins,2015-12-14 Person centred therapy rooted in the
experience and ideas of the eminent psychotherapist Carl Rogers is widely practised in the UK and throughout the world It
has applications in health and social care the voluntary sector and is relevant to work with people who are severely mentally
and emotionally distressed As well as being a valuable sourcebook and offering a comprehensive overview this edition
includes updated references and a new section on recent developments and advances The book begins with a consideration
of the principles and philosophy underpinning person centred therapy before moving to a comprehensive discussion of the
classical theory upon which practice is based Further areas of discussion include The model of the person including the
origins of mental and emotional distress The process of constructive change A review of revisions of and additions to person
centred theory Child development styles of processing and configurations of self The quality of presence and working at
relational depth Criticisms of the approach are addressed and rebutted and the application of theory to practice is discussed
The new final section is concerned with advances and developments in theory and practice including Counselling for
Depression The Social Dimension to Person Centred Therapy Person Centred Practice with People experiencing Severe and
Enduring Distress and at the Difficult Edge A Review of Research Throughout the book attention is drawn to the wider
person centred literature to which it is a valuable key Person Centred Therapy will be of particular use to students scholars
and practitioners of person centred therapy as well as to anyone who wants to know more about one of the major
psychotherapeutic modalities **The SAGE Handbook of Counselling and Psychotherapy** Colin Feltham,Ian
Horton,2012-03-05 This long awaited Third Edition of The SAGE Handbook of Counselling and Psychotherapy brings together
the fundamentals of counseling and psychotherapy theory research skills and practice Editors Colin Feltham and Ian Horton
address what every successful trainee or practitioner needs to know do think feel and use in a way that is entirely
comprehensive accessible and jargon free Including new material on interpersonal psychotherapy cognitive analytic therapy

pluralism and mindfulness as well as body psychotherapy hypnotherapy learning disabilities ADHD and low self esteem this book continues to be essential reading for trainees or experienced practitioners alike

Person-Centred Counselling Psychology Ewan Gillon, 2007-06-18 Not only is this the first key text on person centred counselling psychology but one of the best introductions to the approach Gillon combines an in depth understanding of the person centred field with a highly accessible writing style to produce a book that will be of enormous value to anyone wanting to practice person centred therapy Essential reading for trainee and practising counselling psychologists with an interest in the person centred approach and highly recommended for counsellors and psychotherapists of all orientations Mick Cooper Professor of Counselling Counselling Unit University of Strathclyde Person Centred Counselling Psychology An Introduction is an introduction to the philosophy theory and practice of the person centred approach Focusing on the psychological underpinnings of the approach Ewan Gillon describes the theory of personality on which it is based and the nature of the therapeutic which is characterised by o unconditional positive regard o empathy o congruence The book shows how the person centred approach relates to others within counselling psychology and to contemporary practices in mental health generally It also gives guidance to readers on the approach s research tradition as well as considering key issues for those wishing to train and work as a person centred practitioner As such it is designed to be an applied accessible text providing a dialogue between the psychological basis of person centred therapy and its application within the real world As well as psychology students it will be of interest to those from other disciplines counselling trainees those within the caring professions and person centred therapists from a non psychological background Ewan Gillon is Director of The Edinburgh Psychology Centre and Lecturer in Counselling Psychology at Glasgow Caledonian University

Developing Person-Centred Counselling Dave Mearns, 2002-11-27 This is a useful book for those who use person centred counselling in their practice or who are training to become person centred counsellors Counselling and Psychotherapy the Journal of the British Association for Counselling and Psychotherapy Developing Person Centred Counselling Second Edition is designed to help counsellors improve their skills within the person centred approach Written by Dave Mearns leading person centred expert and bestselling author the Second Edition has been fully revised and updated taking account of developments in person centred practice With new chapters on growth and transference the book covers the subjects which are central to person centred training the core conditions therapeutic alliance development of the counsellor therapeutic process the person centred approach in relation to psychopathology Supported by case material and examples from practice each part of the book presents the counsellor with practical and often challenging ideas which encourage him her to think carefully about his her practice and how to improve it Developing Person Centred Counselling Second Edition is a highly practical and inspiring resource for trainees and practitioners alike

Person-Centred Therapy with Children and Young People David Smyth, 2013-02-01 This engaging new book presents a child centred model of therapy that is thoroughly person centred in its

values Establishing the roots of child centred therapy in both child development theories and the Rogerian model David Smyth demonstrates that counselling the person centred way is exceptionally relevant to young people The book further develops child centred therapy theory and practice applying the model to real life practice with children and young people whether in play school organisations or with special needs groups It also explores the complex professional issues so critical with this age group including challenging boundaries establishing an effective relationship with parents and other primary carers legal and ethical considerations and multi professional practice The author s warm accessible style conveys his passionate conviction that the person centred approach can provide a strong foundation for child therapy practice His book introduces humanistic counselling and psychotherapy trainees as well as adult trained therapists to the particular requirements of working with children and young people and also illustrates the value of using a child centred approach for those who might already be working with children in mental health settings Equally this volume can be used for professional development in many disciplines including adult trained therapists who want to extend their knowledge of people prior to reaching adulthood

Online Counselling and Guidance Skills Jane Evans,2008-11-18 A very practical text that provides professionals new to this arena with a good introduction to what they can expect to encounter in online work The book contains numerous thought provoking examples and exercises for those contemplating work in virtual arenas Terry Hanley Lecturer in Counselling University of Manchester It s tempting to think that face to face experience translates straightforwardly to online work But it doesn t Jane Evans shows how many different aspects there are to counselling on line My advice would be don t attempt it until you have worked through this book Professor Michael Jacobs author of Psychodynamic Counselling in Action Counsellors and other professionals who provide emotional support and guidance are increasingly working online The difference between online and face to face interaction with clients is vast and practitioners need to equip themselves with specialist knowledge and skills to ensure that they are being effective Online Counselling and Guidance Skills is the first book to deal with the practicalities of this mode of working It looks at how practitioners need to adapt their basic counselling skills to the online environment and guides them through the process of setting up defining and maintaining a working relationship with a client within professional ethical and legal boundaries Case studies and extracts from online sessions show how the skills are put into practice while practical exercises and points for further consideration help readers to develop their own knowledge and skills Until now books and articles have generally focused on the therapeutic work done by counsellors online However this book addresses people who use counselling skills in a wide range of contexts including counselling education mental health social care and careers guidance

Applying the Person-Centred Approach to Global, Social and Personal Crises Mairi McMenamin,Kate Munro,2025-09-12 Against the backdrop of current debates in society about mental health and responses to crises this edited volume examines the person centred approach PCA as a vital framework for addressing contemporary mental health challenges and promoting psychosocial resilience

across diverse cultural contexts This book tackles a range of themes and topics that reflect challenging contemporary global social and personal issues such as war and conflict social care grief and loss artificial intelligence and neurodiversity Chapters explore the universal issues that face the person centred experiential and humanistic counselling communities in our current times as well as the barriers to addressing these issues and the models of good innovative practice that have sought to tackle them This book demonstrates how non directivity proves to be crucial for affecting meaningful change for the self Presenting first hand practitioner experience and guidance this book will be of significant value amidst current dialogue and debate on the value of the PCA when working with people and organisations in times of crises Focusing on the wider application of the PCA beyond the therapy room and the response it offers to current societal challenges this book will be essential reading for person centred practitioners counselling researchers and policymakers interested in crises conflicts and social changes

The Handbook of Person-Centred Psychotherapy and Counselling, 2024-09-05 Written by a diverse range of expert contributors unified by a relational ethics based reading of person centred theory and practice this seminal text is the most in depth and comprehensive guide to person centred therapy Divided into four parts it examines the theoretical philosophical and historical foundations of the person centred approach the fundamental principles of person centred practice as well as new developments in and applications of person centred clinical work explorations of how person centred conceptualisations and practices can be applied to groups of clients who bring particular issues to therapy such as bereavement or trauma and professional issues for person centred therapists such as ethics supervision and training 10 years after it was last published this third edition includes new content on the climate crisis intersectionality and working with racism and anti racism It includes new dedicated chapters on the Non directive Attitude Relational Depth Experiential Practices Working with Trauma Online PCA and Person Centred approaches around the Globe International and interdisciplinary in conception this is a cutting edge resource for students of psychotherapy and counselling on a range of programmes as well as professional practitioners working in the field

Skills In Person Centred Counselling And Psychotherapy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Skills In Person Centred Counselling And Psychotherapy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Skills In Person Centred Counselling And Psychotherapy has opened up a world of possibilities.

Downloading Skills In Person Centred Counselling And Psychotherapy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Skills In Person Centred Counselling And Psychotherapy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Skills In Person Centred Counselling And Psychotherapy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Skills In Person Centred Counselling And Psychotherapy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Skills In Person Centred Counselling And Psychotherapy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities

in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Skills In Person Centred Counselling And Psychotherapy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
