Skin Hound There Are No Words:

Mental Hygiene Ray Robertson, 2009-10-19 One of today's best young novelists Ray Robertson is also one of its ablest critics *Mental Hygiene* is a collection of his most entertaining insightful controversial and funniest reviews and essays written over the last five years Believing that writers have a responsibility to help maintain the mental hygiene of their time Robertson following in the footsteps of Mordecai Richler and other novelist critics such as Anthony Burgess Kingsley and Martin Amis and John Updike is at the front line of contemporary literary debate Whether castigating the bland cabal he refers to as McCanlit poking fun at the trendy ephemera of intellectual fashion or arguing for his own unique fictional aesthetic Robertson pulls no punches and suffers no fools *Inside* Kenneth J. Harvey, 2007 After fourteen years in prison Myrden is proven innocent by DNA evidence only to return to an old neighborhood in which he finds himself out of place clinging to his young granddaughter and a former girlfriend as he awaits a financial settlement from the government

Narratology in the Age of Cross-Disciplinary Narrative Research Sandra Heinen, Roy Sommer, 2009-09-04 Narrative Research once the domain of structuralist literary theory has over the last 15 years developed into an international and interdisciplinary field It is now commonly agreed that storytelling functions as a fundamental cognitive tool for sense making and meaning production and that human beings structure and communicate lived experience through oral written and visual stories Entitled *Narratology in the Age of Cross Disciplinary Narrative Research* this volume collects fifteen essays which look at narrative and narrativity from various perspectives including literary studies and hermeneutics cognitive theory and creativity research metaphor studies film theory and intermediality as well as memory studies musicology theology and psychology The topics touch on a wide range of issues such as the current state of narratology and its potential for development narrativity in visual and auditive art forms the cultural functions of narrative and the role of narrative concepts across the disciplines The volume introduces interested newcomers to the ongoing debate reflecting the diversity of research questions and methodological approaches involved It takes a critical yet cautiously optimistic stance with regard to the potential for interdisciplinary collaboration between narrative researchers and invites experienced readers from any discipline interested in narrative to join this important debate which promotes the exchange of ideas concepts and methods between the humanities and the social sciences

Blackstrap Hawco Kenneth J. Harvey, 2009-02-24 Fifteen years in the making this book is the one Canada's heavyweight champ of brash and beautiful literature was meant to write An epic masterwork about Newfoundland's working class *Blackstrap Hawco* spans more than a century in gorgeous and widely varied prose reminding us that even when writing about the degradation of identity and language Harvey does it magnificently Named in a moment of anger *Blackstrap Hawco* is heir to an island dominion picked over by its adoptive nation From the arrivals of the indentured Irish to the Victorian drawing rooms of the English merchants from the perilous seal hunt to the raucous iron ore mines from a notorious disaster at sea to the relocation of outport communities the family legend

might be all his people have left to live for But as Blackstrap Hawco a novel that will consume you in its dazzling swirl of voices legends and beautiful hearsay testifies a story this haunting this powerful might just be enough *Quill & Quire*,2006

At the Gates of Dawn Ella Young,2011 In early Irish society there existed an honoured group of people called the Filid They preserved the native stories and they were learned in the magical arts It is within this ancient tradition that Ella Young 1867 1956 lived her unique and creative life In the late 1800s Ella began to gather the old tales that had been handed down from family to family for centuries She lived among the rural folk in the West of Ireland and in the hills south of Dublin As part of her devotion to Irish culture she learned Gaelic and as a major contributor to the Celtic Revival she taught classes in the language and the myths Ella s spirituality reached deep into the land and into the heart of ancient Ireland Others have called her a seeress a druidess or a witch the magical name she gave herself was Airmid the goddess of healing who drew her powers from the fertile green earth She knew first hand about the faery folk of Ireland she heard their music and listened to their stories Ella was truly blessed for her life flowed in harmony with her beliefs her nationalism and her career as an author and lecturer This new collection of her writings edited and introduced by John Matthews and Denise Sallee is a deeply magical and evocative tribute to Ella s many gifts featuring some of the best of her poetry and mythical storytelling *The Writers Directory* ,2013 *University of Toronto Quarterly* University of Toronto,1895

The 1810 Grimm Manuscripts: The First Complete English Translation of the 1810 Handwritten Manuscripts The Beginnings of the Kinder- und HausmÄrchen Children's and Household Tales Oliver Loo,2015-08-14 Before the Brothers Grimm published their now world famous Childrens and Household Tales in 1812 they had sent their manuscript containing approximately 51 tales to their friend Clemens Brentano who also wanted to publish children s tales The brothers asked him to return their manuscript when he was finished with it but he never did While they went on to publish their tales their own copies of the original manuscripts for the first volume of the tales do not exist anymore By accident or fortunate circumstance the manuscript they sent to Brentano survived and can be read today The 1810 Grimm Manuscripts is the first English language translation of the Grimms Kinder und Hausm rchen as they were in the Fall of 1810 It is the first written documentation of the tales as the brothers heard and saw them It shows the very first written documentation of the Grimms versions of Snow White Sleeping Beauty The Frog King and many other tales
