Alternity W. R. Hammons, 2006-12-28 Warning a detailed plot synopsis spoiler follows Wally Bayer is a graduate student of physics at Adams College in upstate New York who along with his professor Alan Earhart and several others is working on a top secret time travel project funded by the Pentagon Lieutenant Colonel Adam Halstead a military history instructor at nearby West Point and a liaison with the project team attempts to hijack the Box as the enormous chromium cube shaped time machine is nicknamed with the assistance of twelve recruits from an Idaho right wing militia Halstead's men accidentally kill Earhart during their intrusion of the laboratory that houses the Box then force all of his assistants but Bayer

to flee for their lives as they prepare to travel to November 11 1918 Bayer starts up the time machine then to avoid death at Halstead's hands leaps into the capsule that is dropped into a vertical tunnel containing an altered quantum state Halstead leaps onto the outside of the capsule and follows Bayer into the year 1918 Both men arrive in a subterranean lake beneath the laboratory site and Halstead follows Bayer to the surface Once again Bayer escapes from Halstead this time leaving him alone in the forest with a twisted ankle Bayer comes across a horse drawn wagon on a rutted road and accepts a ride into the town of Monroe New York from an odd stranger Bayer is able to tell himself he is still in the year 2003 until he sees a Model T rumbling along a cross street as the wagon approaches the town The bewildered visitor from the future manages to find a job on a dairy farm and settles down to earn a living until he figures out what he will do next Halstead meanwhile has traveled to chaotic postwar Germany via Denmark and arrives in Berlin to visit the renowned plastic surgeon Jacques Joseph Dr Joseph with the assistance of an anesthesiologist gives Halstead a new face before both he and his assistant are brutally murdered by the patient The still bandaged Halstead dressed in a Reichswehr corporal's uniform travels to the city of Passau where he begins the trailing of a man upon that man's release from the local military hospital Halstead and his quarry travel by train to Munich where the former murders the latter by means of a lethal injection and drags the body across a pair of railroad tracks in the middle of the night The defaced corpse of the victim is left for mutilation by an oncoming train and Halstead reports to the barracks of the Sixteenth Bavarian Reserve Infantry Regiment as Corporal Adolf Hitler complete with two iron crosses pinned to his chest In January 1919 Halstead appears as Hitler at the first meeting of the newly formed German Workers Party Halstead rapidly takes over the fledgling organization and grows it with carefully prepared nationalistic rants and ingenious organizational methods In order to gain even more power and prestige Halstead involves his *Ordnungstruppe* as the SA was originally known in the spring 1919 right wing suppression of the short lived Bavarian Communist regime Wally has settled into farm life meanwhile and begins a flirtation with his employer's eldest daughter that turns serious with the arrival of spring Both of Sally Darcy's parents die in the 1919 flu epidemic and Wally takes over the family farm when he marries the expectant Sally Wally uses his foresight from the future and arranges a partnership with Frankie Yale of New York City a mobster and one time employer of Al Capone Wally begins the illicit manufacture of gin on his upstate farm and ships the liquid in milk trucks to New York for distribution by Yale With the onset of Prohibition in early 1920 the profits start to accumulate and Wally begins to invest in the stock market Halstead has also been busy having traveled to Egypt with Rudolf Hess in search of a collection of Coptic manuscripts that include the Gospel of Thomas a long lost alternative

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1,250 signed articles arranged in an A-Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women's and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this

reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike
