Sky, Sea, Birds, Trees, Earth, House, Beasts, Flowers Kenneth Rexroth, 1974 **Sky, Sea, Birds, Trees, Earth, House, Beasts, Flowers** Unicorn Press (Greensboro, N.C.), 1971 Sky, Sea, Birds, Trees, Earth, House, Beasts, Flowers Kenneth Rexroth, 1973 **Li Ch'ing-chao, Complete Poems** Qingzhao Li, 1979 A brief biography and detailed notes accompany poems by China's greatest woman poet which are full of lucid imagery and reflect her love of the beautiful and artistic as well as the political turmoil of twelfth century China **Contemporary American Poetry** Lloyd M. Davis, 1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 *World Outside the Window* Kenneth Rexroth, 1987 This book talks about Kenneth's twenty seven essays written over a period of time of more than forty years It remains the sanest guide to the cultural upheaval in American society since World War II **Encyclopedia of Beat Literature** Kurt Hemmer, 2010-05-12 Discusses the literary works and great authors of the Beat Generation **Bowed Some, Chanted a Little** Philip Whalen, 2023-09-22 Philip Whalen 1923 2002 is a key figure in both the Beat and San Francisco Renaissance movements of the New American Poetry Whalen authored twenty collections of verse more than twenty broadsides two novels a huge assemblage of autobiographical literary journals nine or ten experimental prose works and dozens of critical essays lectures commentaries introductions prefaces and interviews But he came to regard his literary journals as his most important prose legacy A professed Buddhist for most of his adult life Whalen was ordained a Zen Buddhist monk in 1972 in what is arguably still the most influential Zen Buddhist training temple complex in North America In some ways Whalen begs a comparison with Thomas Merton the twentieth century's most significant Christian monk poet But where Merton contained himself within the conservative guidelines of Trappist Christian orthodoxy Whalen was a closeted homosexual or bisexual who inscribed an insider's account of his monastic community with an acid tongue and a keen sense of humor His pen spared no one in the religious hierarchy he trained under Whalen's literary work represents a significant turn in American letters as he and his closest colleagues immersed themselves in East Asian literature and religion reinvigorating strikingly new linguistic and aesthetic paths for North American writers and artists However until now Whalen's forty plus years of journals sixty small eight by six inch notebooks have been largely inaccessible archived in the rare book and manuscript library at the University of California Berkeley undigitized and unavailable online Thus the publication of a critical scholarly edition of Whalen's journals and notebooks constitutes an important literary event and an invaluable resource for scholars teachers poets and lay readers who follow twentieth century North American poetry In his complex and idiosyncratic poetics Whalen adopts a unique mind and language centered approach to the creation of a poem Some of his finest works are live action scenes where he fuses moments of bald mental perception with the linguistic intricacies of his inner consciousness i.e. the words phrases and observations that his mind forms or that other people spill into his mind in the same block of time The significance of Whalen's journals is manifold Brian Unger argues and goes

beyond their mere availability Unger argues that of all the San Francisco Renaissance and Beat poets of the postwar period Whalen's roots in modernism are among the strongest He was a voracious reader as his journals show and a keen student of earlier literatures Furthermore the journals conclusively overturn many misleading arguments about Whalen's personal life as related in the 2015 Whalen biography *Crowded by Beauty* by David Schneider The publication of the journals would provide for the first time and in Whalen's own words an objective and self substantiated account of his life with biographical information that has never before been generally available The Whalen journals make clear as never before the primary psychological forces driving his personal life his interior life as a poet and a religious monk and they shed important light on the intriguing complexity of his philosophical and phenomenological poetics *Kenneth Rexroth and James Laughlin*

Kenneth Rexroth, 1991 Frankly H Miller was defended by me only because he spoke against the War and I think that was the main reason for his fame Now I do not believe what with Palmistry Chiromancy Phrenology and the Great Cryptogram he will survive the retooling period I honestly think he is the most insufferable snob I have ever met but all reformed pandhandlers are like that in a letter from Kenneth Rexroth to James Laughlin Women Poets of Japan Kenneth Rexroth, 1982 From early as the seventh century up to the present day no other has had so many important women poets as Japan

Classics Revisited Kenneth Rexroth, 1986 Rexroth Classics Revisited Humorous and insightful essays on Classic literature *Travel Light, Move Fast* Alexandra Fuller, 2019-08-06 From bestselling author Alexandra Fuller the utterly original story of her father Tim Fuller and a deeply felt tribute to a life well lived Six months before he died in Budapest Tim Fuller turned to his daughter Let me tell you the secret to life right now in case I suddenly give up the ghost Then he lit his pipe and stroked his dog Harry's head Harry put his paw on Dad's lap and they sat there the two of them one man and his dog keepers to the secret of life Well she said Nothing comes to mind quite honestly Bobo he said with some surprise Now that I think about it maybe there isn't a secret to life It's just what it is right under your nose What do you think Harry Harry gave Dad a look of utter agreement He was a very superior dog Well there you have it Dad said After her father's sudden death Alexandra Fuller realizes that if she is going to weather his loss she will need to become the parts of him she misses most So begins *Travel Light Move Fast* the unforgettable story of Tim Fuller a self exiled black sheep who moved to Africa to fight in the Rhodesian Bush War before settling as a banana farmer in Zambia A man who preferred chaos to predictability to revel in promise rather than wallow in regret and who was more afraid of becoming bored than of getting lost he taught his daughters to live as if everything needed to happen all together all at once or not at all Now in the wake of his death Fuller internalizes his lessons with clear eyes and celebrates a man who swallowed life whole A master of time and memory Fuller moves seamlessly between the days and months following her father's death as she and her mother return to his farm with his ashes and contend with his overwhelming absence and her childhood spent running after him in southern and central Africa Writing with reverent irreverence of the rollicking grand misadventures of her mother and father bursting with

pandemonium and tragedy Fuller takes their insatiable appetite for life to heart Here in Fuller s Africa is a story of joy resilience and vitality from one of our finest writers **The Poetry Review** ,1973 Poetry Review Stephen Phillips,Galloway Kyle,1971 vol 1 no 2 Feb 1912 includes Prologomena by Ezra Pound Encyclopedia of American Poetry: The Twentieth Century Eric L.
