Olson, Maximiliano E. Korstanje, 2019-12-21

In recent years there has been a growth in both the practice and research of dark tourism the phenomenon of visiting sites of tragedy or disaster Expanding on this trend this book examines dark tourism through the new lens of pilgrimage It focuses on dark tourism sites as pilgrimage destinations dark tourists as pilgrims and pilgrimage as a form of dark tourism Taking a broad definition of pilgrimage so as to consider aspects of both religious and non religious travel that might be considered pilgrimage like it covers theories and histories of dark tourism and pilgrimage pilgrimage to dark tourism sites and experience design A key resource for researchers and students of heritage tourism and pilgrimage this book will also be of great interest to those studying anthropology religious studies and related social science subjects **Tourism, Culture and Regeneration** Melanie K. Exhibiting Slavery examines the ways in which Caribbean postmodern historical novels about slavery written in Spanish English and French function as virtual museums simultaneously showcasing and curating a collection of primary documents within their pages As Vivian Nun Halloran attests these novels highlight narrative objects extraneous to their plot such as excerpts from the work of earlier writers allusions to specific works of art the uniforms of maroon armies assembled in preparation of a military offensive and accounts of slavery's negative impact on the traditional family unit in Africa or the United States In doing so they demand that their readers go beyond the pages of the books to sort out fact from fiction and consider what relationship these featured objects have to slavery and to contemporary life The self referential function of these texts produces a museum

effect that simultaneously teaches and entertains their readers prompting them to continue their own research beyond and outside the text
