The Lineback To My Beginning Walt Lineback, 2013-11-21 Walt was born in Nelsonville a small town in southeastern Ohio whose population has been around 5 000 for the last hundred years In this book he tells us about many extraordinary events that he survived from the age of three to eighteen while growing up in Nelsonville Like the time he almost drowned in the creek below their home on 969 Pleasant View Avenue Or taking rabies shots when their pet dogs got rabies from a pack of wild dogs that roamed the hills on the other side of the valley Or surviving car wrecks when the cars were totaled and there were no seat belts then He graduated from NHS in 1960 in a class of 56 so you knew everyone and everyone knew you and your business You didn't do anything without the whole town finding out very quickly what happened So when he broke the taillight in his Dad's car Dad knew about it before he got home Or when he drove that same car and took his girl friend all the way to Columbus to the Kahiki Supper Club for dinner one time and ruined his older brother's white sport coat and Tanya's new dress when an orange fountain exploded while they waited in the Kahiki's crowded lobby somehow people knew about the incident by the time they got back to Nelsonville They quickly told a story to their friends first then their parents that some kid sprayed orange soda all over them at the high school dance that evening And the best part of that adventure was that the dinner was free if they didn't take the free dry cleaning offer from the Kahiki That is the way small towns were back then Walt went on to work his way through Ohio University and eventually earned three degrees from there and a Master's Degree from the University of Dayton in 1980 Walt's adventures after finishing High School in 1960 like Ohio University the party school Western Electric in Columbus and the Army and Vietnam are in his next book *The Second Eighteen Plus*

Zeke Jarvis,2017-08-18 Censorship has been an ongoing phenomenon even in the land of the free. This examination of banned books across U.S. history examines the motivations and effects of censorship, shows us how our view of right and wrong has evolved over the years, and helps readers to understand the tremendous importance of books and films in our society. Books ranging from classics such as *A Farewell to Arms*, *Lord of the Rings*, *The Catcher in the Rye*, and *The Color Purple* as well as best-selling books such as *Are You There God? It's Me, Margaret*, titles in the Harry Potter series, and various books by bestselling novelist Stephen King have all been on the banned books list. What was the content that got them banned? Who wanted them banned, and did the ban have the desired effect of minimizing the number of people who read the title, or did it have the opposite effect, inadvertently creating an even larger readership for the book? *Silenced in the Library: Banned Books in America* provides a comprehensive examination of the challenges to major books as well as the final results of these selections being deemed unfit for public consumption. Included in its discussion are explanations of the true nature of the objections, along with the motives of the authors, publishers, and major proponents of the books. Content is organized based on why the books were banned, such as sexual content, drug use, or religious objections. This approach helps readers to see trends in how people have approached the challenge of evaluating what is proper and shows how our societal consensus of what is acceptable has evolved over the years. Readers will come away with a fuller appreciation of the immense power of words on a page or an eReader device to inflame and outrage, influence opinion, incite thought, and even change the course of history.
