gave the Princess goodness and one gave her beauty rare One gave her sweetest singing voice one gracious mien and air One skill in dancing one all cleverness and then the crone Came forth and muttered angry still and good gift gave she none But said that in the future years the Princess young should die By pricking of a spindle point ah woeful prophecy But now a kind young Fairy who had waited to the last Stepped forth and said No she shall sleep till a hundred years are past And then she shall be wakened by a King s son truth I tell And he will take her for his wife and all will yet be well In vain in all her father s Court the spinning wheel s forbid In vain in all the country side the spindles sharp are hid For in a lonely turret high and up a winding stair There lives an ancient woman who still turns her wheel with care The Princess found her out one day and tried to learn to spin Alas the spindle pricked her hand the charm had entered in And down she falls in death like sleep they lay her on her bed And all around her sink to rest a palace of the dead A hundred years pass still they sleep and all around the place A wood of thorns has risen up no path a man can trace At last a King s son in the hunt asked how long it had stood And what old towers were those he saw above the ancient wood

quickly with no friends or family and then he steals me away I dreamed of being an artist and now I am the wife of Torvald Madsen the lord of a northern keep at the edge of troll country Although he is handsome and protective and encourages me to paint he is keeping secrets from me Why is it rumored that he had other wives Why do I grow so cold without his presence Why can't I go into the east wing And why are his eyes full of such pain As I peek back my husband's secrets the truth might kill me or set us both free This is a fairy tale retelling of Bluebeard for those who like an adorable happily ever after with a side of serious steaminess
