Skills In Language :

Communication and Language Skills Iyabode Omolara Akewo Daniel, 2018-09-30 This book will serve to provide the reader with the communicative and language skills necessary to function in modern society discussing the language and communication enterprise within the current usages of the modern English language It identifies the descriptive functioning of language as well as the communicative processes involved in its usage The book takes a new look at traditional language skills from a modern perspective focusing on their importance as communication tools for the twenty first century learner of the English language The reality of technology as part of the modern life is also brought to bear on the discussions in the book showing that its application to reading can serve to fast track the mastery of reading efficiency As the book will serve to make the user of the English language in the twenty first century effective in all their endeavours that require its usage it will be particularly useful for learners of English as a second language *The Importance Of Language Skills, The Ample Benefits Of Enhancing Your Language Skills, And How Improving Your Language Skills Will Strengthen Your Communication Skills And Persuasiveness* Dr Harrison Sachs, 2020-03-08 This essay sheds light on the importance of language skills and elucidates the benefits of enhancing your language skills Moreover how improving your language skills will strengthen your communication skills and persuasiveness is delineated in this essay The eminent importance of building language skills as an indispensable component of cultural training programs is often overlooked Language skills are critical to hone for effective communication skills of which employees who are slated to be transferred to the company's overseas division should competently master The importance of knowing multiple languages and understanding cultural nuances goes beyond being able to attain more success in an international corporate environment The benefits of honing language skills are multitudinous and can be highly advantageous for the individual to eminently enhance Language not only enhances the capability to understand other cultures but the ability to understand speak read and write in world languages in addition to English is critical to success in business research and international relations Moreover foreign languages are the most critical communication tools we have to develop relationships across cultures and solve complex cross border challenges both at home and overseas In a business setting communicating in the first language of the client results in more effective business 25 Reasons Why 2017 Language training renders employees more confident when working with teams partners and vendors Beyond language acquisition being a bridge into other cultures new empirical evidence suggests that language learning also encourages the development of empathy and effective interpretive skills Language learning is only going to grow in importance as globalization makes the world more and more interconnected and 71% of business leaders are currently planning to grow in markets in which English is not spoken 25 Reasons Why The benefits of enhancing language skills are unequivocally profound since it allows you to more efficaciously communicate with more ethnic groups bridge into more cultures pursue more career opportunities abroad more effectively navigate through foreign environments and be able

to better understand the needs of more cultural groups Being multilingual and knowing how to communicate more effectively and persuasively with ample ethnic groups by competently understanding their needs body language and cultural nuances is a pragmatic and transferable skill that can be applied to contexts outside the business world For instance these language skills render traveling less of a cumbersome process public speaking in foreign countries less strenuous and networking abroad far more viable since possessing robust language skills from being multilingual can help dismantle language barriers Moreover possessing stellar language skills allows you to more seamlessly be successful in foreign environments especially when you are not stifled by cultural misunderstandings communication issues and insurmountable language barriers Also improving your lexicon by assimilating more vocabulary words will not only help you better articulate your thoughts and ideas but will also allow you to speak more persuasively as a result of having significantly improved verbiage to leverage Being able to understand the subtleties of social cues body language and the audience responsiveness of foreign cultural groups will also allow you to further hone your public speaking skills and persuasiveness by being able make adjustments in real time to ameliorate your speeches based on the audience's receptiveness Improving your language skills entails also augmenting your emotional language skills so that you can speak with more conviction impact and influence Persuading the audience also involves not only establishing common ground with your audience but also framing your message in a persuasive manner

Essential Speaking Skills Joanna Baker, Heather Westrup, 2003-03-26 Practical and easy to use Essential Speaking Skills is the definitive guide to teaching speaking to students of English as a second or additional language Brimming with invaluable advice on teaching approaches and practical classroom ideas and learning activities the handbook is specifically designed for teachers who teach large classes with very few resources The clear explanations and the activities are suited to both new and experienced teachers of English and can be used in junior and senior secondary school classrooms and for adult learners

Cross-cultural Skills for Deployed Air Force Personnel Chaitra M. Hardison, 2009 Because of its strong interest in providing airmen with the cross cultural skills that have grown ever more essential to successful mission accomplishment in foreign environments the Air Force asked RAND to provide a foundation for the design of a comprehensive Air Force program of cross cultural training and education RAND researchers responded by first creating a taxonomy covering all behaviors relevant to cross cultural performance after the need for such a taxonomy became evident from a review of the literature on cross cultural performance and discussions with Air Force personnel From this taxonomy the researchers developed a framework of 14 categories of cross cultural behaviors nine categories of enabling behaviors and five of goal oriented behaviors This framework was then used in designing a survey for 21 000 recently deployed airmen that asked them to rate the importance of the behaviors to their deployed performance and the helpfulness of training they had received in the behaviors both over their careers and just prior to deployment Respondents were also asked to indicate how much training they had received Recommendations and suggestions for the design of a comprehensive

program of cross cultural training and education and for further research steps were made based on extensive analyses of the results which included determining whether training needs differed by AFSC grade enlisted officer and deployment location
