Skirts And Slacks Poems:

Skirts and Slacks W.S. Di Piero, 2013-09-04 W S Di Piero a fresh and powerful voice in American poetry opens this collection about public and private worlds with poems that revist the deaths of his parents It is an important adult passage for him and for them a last chance to leave a message his father lying in bed bemused and contemptuous of the hell in which he lay his mother soon to be laid out in the cheap gold flats that made her look young and men look twice Di Piero writes poems of relationships of ordinary beauty of the deep vsieral memories that shape who we become He reveals the art in the everyday sometimes literally as when he spies a Vermeer beauty in a girl with nose studs at the ATM or Van Gogh s self portrait in a small time bookie Whether describing the uncertainty of sexual love your footpads wet after a bath left prints like our conversations every which way or a panhandler in Port Authority Show you to your bus or an excellent candy bar he is delicate and direct at once a no nonsense guide to his surroundings who is moved by what he sees His strong elegantly simple statements of truths of feeling go beyond the pleasure of the words themselves and restore us to the thrill of honesty in our own lives

Collected Poems 1950-1993 Vernon Scannell,2013-07-04 In 2002 Vernon Scannell wrote the following It has been my firm belief since I first began to attempt the art of poetry that the making of a poem should be as Yeats asserted a difficult business However I have always felt reservations about what seems to me the only partially true belief stated by both Eliot and Hopkins in their different ways that the meaning of a poem is of less significance than its structure and texture Eliot s nice bit of meat for the house dog Ideally the poem should be the perfection of expression of meaning inseparable from the methods by which that expression is achieved As Paul Val ry has said A man is a poet if the difficulties inherent in his art provide him with ideas he is not a poet if they deprive him of ideas That was an important statement his credo It can accurately be said that almost every poem in this collected volume bears testimony to it Although not covering the full span of his career Scannell didn t die until 2007 and was writing almost literally until the very end the body of his work is here and how impressive it is On immaculate display is a conspectus of poems embracing the narrative lyrical satirical and contemplative There are poems of pathos and comedy intelligence and passion whatever their form free verse or rhyming tenor or subject they are executed with unfailing craftsmanship In his obituary of Vernon Scannell Alan Brownjohn wrote What might have been considered unusual given a colourful even swashbuckling personality that spawned innumerable anecdotes was his fastidious procedure as a poet his unflinching focus on the age old themes of love war and death his concern for a real involvement with living experience Craft and care and for that matter clarity and accessibility were unquestionable necessities if you were serious about the art students on Scannell s creative writing courses were liable to be sat down hangover or not to write a sonnet after breakfast Scannell is one of what appears to be a vanishing breed a poet of technical accomplishment who understands that poetry like the other arts is a craft as well Charles Osborne Sunday Telegraph You actually want to go back and revisit the poems many times Their shrewd structures hold their elements firmly in place and they resonate also with the kind of humanity time is generous to Scannell has earned a place in the tradition of English poetry Paul Fussell Poetry Review accurate humane humorous often eloquent and always well made poems Anthony Thwaite Sunday Telegraph **International Who's Who in Poetry 2005** Europa Publications,2004-08-02 The 13th edition of the International Who s Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile

Visiting Wallace Dennis Barone,James Finnegan,2009-09 A collection of seventy six poems inspired by poet Wallace Steven s life and work written by a variety of modern poets *Poets on Paintings* Robert D. Denham,2010-03-10 Ekphrasis the description of pictorial art in words is the subject of this bibliography More specifically some 2500 poems on paintings are catalogued by type of publication in which they appear and by poet Also included are 2000 entries on the secondary literature of ekphrasis including works on sculpture music photography film and mixed media **Chinese Apples** W.S. Di Piero,2013-09-04 Now in paperback the lovely and evocative book San Francisco Chronicle of poems both new and old that celebrates a quarter century of passionate engagement with real life and its transformation into poetic form the pull of faith and the poet s suspicion of transcendence urban worlds and the mysterious jazz of street language desire and sexual need love and loss Brother Fire W.S. Di Piero,2013-09-04 In this rich collection W S Di Piero seeks the spirit and substance of illumination in all its forms He finds meaning or shows us how we attempt to do so in the rituals and events that mark our year the Fourth of July Halloween New Year s Eve and in the ordinary activities of mowing dancing drinking trying to stay warm The Kiss recounts how as a young man the poet was not called to the priesthood in Prayer Meeting he recalls watching his mother iron with her hopeless routine longing and declares I wanted more than what I prayed for For all their simplicity Di Piero s direct often conversational turns of phrase reveal a world aflame with troubles with love with surprising lyrical epiphanies Didn t You Say Desire Is like the elephant fog shredded north a white sun going down Bessemers fired through clouds horzoned on my dog eared stack It feels good and right to waste earnest hours of an early evening s daylight saving time in uncertainty and want these cranky climates changing in us while we haven t started dinner yet

The Open Door Don Share,Christian Wiman,2012-09-25 Poetry s archives are incomparable and to celebrate the magazine s centennial Don Share and Christian Wilman combed them to create a new kind of anthology energized by the self imposed limitation of one hundred poems Rather than attempting to be exhaustive or definitive or even to offer the most familiar works they have assembled a collection of poems that in their juxtapositions echo across a century of poetry *To Each His Own* Leonardo Sciascia,2000-10-31 This letter is your death sentence To avenge what you have done you will die But what has Manno the pharmacist done Nothing that he can think of The next day he and his hunting companion are both dead The police investigation is inconclusive However a modest high school teacher with a literary bent has noticed a clue that he believes will allow him to trace the killer Patiently methodically he begins to untangle a web of erotic intrigue and political calculation But the results of his amateur sleuthing are unexpected and tragic To Each His Own is one of the masterworks of the great Sicilian novelist Leonardo Sciascia a gripping and unconventional detective story that is also an anatomy of a society founded

Christian, 2016-03-16 The tragic incident of my thirty years untreated mental illness had made me attempted to kill someone close to me which taught me that out of the greatest pain can come the greatest beauty. All of the poems in this book were written while I was in the mental hospital being treated for my mental illness and prove to me that What Satan meant for evil God can and does use for good. I was out of my mind when I committed the act of attempted murder yet the worse day of my life became the turning point when I awoke to the fact that I needed to first surrender to God and then ask Him for direction and purpose for my life. That prayer was answered through me discovering that I had a talent for writing poetry and motivational speaking while in Elgin Mental Health Center from 2003-2013. These poems are not the mad ramblings you would expect from the criminally insane but are the personal expressions of deep pain and revelations of a man who awoke from a state of apathy to a new world of love and beauty. I hope that all those who read these poems will come to understand that the bitterest lemons can be turned into the sweetest lemonade if you are willing to look at life and your experience through different glasses than those you have seen its pain and ugliness through. Danny has been certified by Toastmasters International as a competent public speaker 1991 East Moline. He received his GED from the Chicago City Colleges 1981 and obtained a certificate in graphic arts from Southeastern Illinois College 1987. He is a former member of the Pan African Revolutionary Socialist Party. He spent twenty years in prison and ten in Elgin Mental Health Center. While in the hospital he wrote over eight hundred poems three books of daily meditations and numerous speeches and Afrocentric anecdotes. He also acted as a mentor for younger consumers while there leading his own peer support groups and chairing GROW for four years 2003-2007. He has been clean of all illegal drugs and alcohol for fourteen years. His mission is to be the most infectiously optimistic and exceptionally giving person possible and to encourage others to be equally optimistic and giving. Danny is not one who believes you cant make it because you have some strikes against you he is one to tell you that Anything you can conceive and believe you can achieve Napoleon Hill You can post comments on my e mail at dannyccrystal7963@gmail.com

Seven Alan Dugan, 2011-01-04 Poems Seven New and Complete Poetry the winner of the National Book Award presents the life work of a giant of American letters tracks a forty year career of honest tough artistry and shows a man at nearly 80 years of age and still at the height of his poetic power. Dugan's new poems continue his career long concerns with renewed vigor the poet's insistence that art is a grounded practice threatened by pretension the wry wit the jibes at the academic and

sententious and the arresting observations on the quotidian battles of life All the while he peppers his poems with humorous images of the grim and daunting topics of existential emptiness *The Writers Directory ,2013* **International Who's Who in Poetry 2004** Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets
