Sleeping Dogs Tony Vanderwarker, 2014-02-04 The Pentagon has a dirty little secret they've been keeping quiet for forty years. During the Cold War a number of live H bombs were jettisoned and lost around the country as a result of mishaps and mid-air collisions. A disgraced former Pentagon weapons expert Howie Collyer who blew the whistle on the unrecovered H bombs and lost his job as a result, learns from a nurse in a VA hospital that one of her patients has vague recollections of being the pilot on a B-52 plane that jettisoned a nuke. Collyer teams up with the nurse to kidnap the man from the hospital in the hopes he will lead them to it. When the Pentagon learns Collyer is after the bomb they try to stop him. But they are not alone. An al-Qaeda sleeper cell that has been keeping an eye on Collyer goes into action. A mad scramble ensues with the Pentagon, al-Qaeda, and Collyer all after the nuke. Will the al-Qaeda find it first and immolate half the Eastern Seaboard? Will the Pentagon succeed in putting a lid on their secret? Or will Howie Collyer expose the mess and vindicate himself? Inspired and written under the guidance of master storyteller John Grisham, the plot of *Sleeping Dogs* takes amazing twists and turns before ending in an unexpected and spellbinding climax. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction, novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic, and love stories, mystery, classic literature, folklore, and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. *Sleeping Dogs: The Awakening* John Wayne Falbey, 2012-06-15 Before its collapse, the USSR created an apparatus of moles and agents and used them to infiltrate and gain control of unions, academia, entertainment, and the news media. By succeeding to the USSR's efforts, a group of international financiers, the Alliance for Global Unity or AGU, gained control of one of America's two political parties. Their goal is to destroy the West, principally America, and create a one-world government in which they control all things financial. They now control Congress and the White House, with the Supreme Court basically divided. AGU's handpicked president is up for reelection, but he has become dazzled by his own rock star status and no longer follows orders. The control group determines that he must be assassinated so a new, more compliant candidate can be elected. The killing is to take place as the president delivers a Labor Day speech on the steps of the Capitol Building, but it must look as if the opposition party has done it. In keeping with today's polarized environment, a group of patriots from the military, intelligence, and industrial communities, the Society of Adam Smith or SAS, has formed in opposition to AGU. Two decades earlier, its leaders were part of a government team that trained a group of unique individuals, code-named the Sleeping Dogs, to become the deadliest hunter-killer black ops team ever. They were used on the most clandestine missions to neutralize America's most dangerous enemies. In an effort to stop AGU's assassination plans, SAS has reunited the Dogs. Not only must the Dogs survive treachery and plot twists to foil the

assassination attempt they also must cripple AGU by bringing down the billionaire arbitrager who distributes funds in support of their sinister plans *Sleeping Dogs Definitive Edition* Square Enix LLC.,2014 *The Cinema of Australia and New Zealand* Geoff Mayer,Keith Beattie,2007 From The Story of the Kelly Gang in 1906 to the Lord of the Rings trilogy Australia and New Zealand have made a unique impact on international cinema This book celebrates the commercially successful narrative feature films produced by these cultures as well as key documentaries shorts and independent films It also invokes issues involving national identity race history and the ability of two small film cultures to survive the economic and cultural threat of Hollywood Chapters on well known films and directors such as The Year of Living Dangerously Peter Weir 1982 The Piano Jane Campion 1993 Fellowship of the Ring Peter Jackson 2001 and Rabbit Proof Fence Philip Noyce 2002 are included with less popular but equally important films and filmmakers such as Jedda Charles Chauvel 1955 They re a Weird Mob Michael Powell 1966 Vigil Vincent Ward 1984 and The Goddess of 1967 Clara Law 2000 *Sleeping Dogs Lie* Julian Gloag,1980 **Sleeping Dogs** Kevin M. [The Dance of Change](#) Peter M. Senge,2014-05-14 Since Peter Senge published his groundbreaking book The Fifth Discipline he and his associates have frequently been asked by the business community How do we go beyond the first steps of corporate change How do we sustain momentum They know that companies and organizations cannot thrive today without learning to adapt their attitudes and practices But companies that establish change initiatives discover after initial success that even the most promising efforts to transform or revitalize organizations despite interest resources and compelling business results can fail to sustain themselves over time That s because organizations have complex well developed immune systems aimed at preserving the status quo Now drawing upon new theories about leadership and the long term success of change initiatives and based upon twenty five years of experience building learning organizations the authors of The Fifth Discipline Fieldbook show how to accelerate success and avoid the obstacles that can stall momentum The Dance of Change written for managers and executives at every level of an organization reveals how business leaders can work together to anticipate the challenges that

profound change will ultimately force the organization to face Then in a down to earth and compellingly clear format readers will learn how to build the personal and organizational capabilities needed to meet those challenges These challenges are not imposed from the outside they are the product of assumptions and practices that people take for granted an inherent natural part of the processes of change And they can stop innovation cold unless managers at all levels learn to anticipate them and recognize the hidden rewards in each challenge and the potential to spur further growth Within the frequently encountered challenge of Not Enough Time for example the lack of control over time available for innovation and learning initiatives lies a valuable opportunity to reframe the way people organize their workplaces This book identifies universal challenges that organizations ultimately find themselves confronting including the challenge of Fear and Anxiety the need to diffuse learning across organizational boundaries the ways in which assumptions built in to corporate measurement systems can handcuff learning initiatives and the almost unavoidable misunderstandings between true believers and nonbelievers in a company Filled with individual and team exercises in depth accounts of sustaining learning initiatives by managers and leaders in the field and well tested practical advice The Dance of Change provides an insider s perspective on implementing learning and change initiatives at such corporations as British Petroleum Chrysler Dupont Ford General Electric Harley Davidson Hewlett Packard Mitsubishi Electric Royal DutchShell Shell Oil Company Toyota the United States Army and Xerox It offers crucial advice for line level managers executive leaders internal networkers educators and others who are struggling to put change initiatives into practice
