Sleepy Time Olie:

Sleepy Time Olie William Joyce, 2018-04-03 Olie must find a way to turn Pappy's frown upside down all before bedtime in this classic picture book turned beloved TV show from the brilliant mind that brought you The Fantastic Flying Books of Mr Morris Lessmore It's bedtime in the Rolie Polie world but where oh where is Pappy He's fallen down and bonked his head and can't unfrown Olie can't go to sleep without a bedtime story from Pappy but can Olie cheer him up in time Olie's super silly ray should do the trick A most unusual bedtime book and a lovely ode to the importance of grandparents Integrating Children's Literature through the Common Core State Standards Rachel L. Wadham, Terrell A. Young, 2015-07-28 Implementation of the Common Core State Standards with the integration of children's literature can transform teaching and learning into a holistic and engaging experience Tackling nearly every aspect of the English Language Arts Standards and the measures they employ it offers a thorough plan for engaging elementary school students with literature It explores the benefits and teaching principles behind CCSS and explains how to apply them to literature Along with the strengths it has in connection to CCSS you will learn about the history of children's literature and what both fiction and nonfiction bring to the classroom You will find plenty of practical applications of the CCSS including book lists and lesson ideas along with thorough examples There is also a wealth of information on the kinds of readers you will encounter and explanations of how to meet their needs A final section focuses on creating a curriculum connecting the theory throughout the book with concrete lessons plans and units that cover the main CCSS skill sets Equipping Space Cadets Emily Midkiff, 2022-04-19 Winner of the 2023 Science Fiction Research Association SFRA Book Award 2022 Longlist Nominee for the Best Non Fiction Award from the British Science Fiction Association Equipping Space Cadets Primary Science Fiction for Young Children argues for the benefits and potential of primary science fiction or science fiction for children under twelve years old Science fiction for children is often disregarded due to common misconceptions of childhood When children are culturally portrayed as natural and simple they seem like a poor audience for the complex scientific questions brought up by the best science fiction The books and the children who read them tell another story Using three empirical studies and over 350 children's books including If I Had a Robot Dog Bugs in Space and Commander Toad in Space Equipping Space Cadets presents interdisciplinary evidence that science fiction and children are compatible after all Primary science fiction literature includes many high quality books that cleverly utilize the features of children's literature formats in order to fit large science fiction questions into small packages In the best of these books authors make science fiction questions accessible and relevant to children of various reading levels and from diverse backgrounds and identities Equipping Space Cadets does not stop with literary analysis but also presents the voices of real children and practitioners The book features three studies a survey of teachers and librarians quantitative analysis of lending records from school libraries across the United States and coded read aloud sessions with elementary school students The results reveal how children are interested in and capable of reading

science fiction but it is the adults including the most well intentioned librarians and teachers who hinder children s engagement with the genre due to their own preconceptions about the genre and children

Books in Motion Julie Dietzel-Glair,2013-04-09 Librarians and educators can shake up storytimes help children stay healthy and encourage a lifelong love of reading with Dietzel Glair s easy to use resource Demonstrating exactly how to use children s books to engage preschool age children through movement it s loaded with storytimes that will have children standing up tall balancing as they pretend to walk across a bridge or even flying around the room like an airplane Presenting hundreds of ideas this all in one book is divided into six sections Art spotlights titles that are natural hooks for art or craft activities alongside ideas on how to create art just like the character in the story while an appendix includes art patterns that can be used as coloring sheets Games includes searching games follow the leader games and guessing games to enhance the books in this section Movement features books that kids can jump stomp clap chomp waddle parade wiggle and stretch with Music chooses books perfect for activities like shaking a maraca singing dancing between the pages and creating new sound effects Playacting lets kids pretend along with the characters in these books whether it s washing their face swimming with fish or hunting a lion Props encourages storytime leaders to bring out their puppets flannelboard pieces and scarves these books have enough props for everyone in the program to have a part Each chapter includes as much instruction as possible for a wide range of motions Pick and choose the amount of movement that is right for your storytime crowd or do it all
