The Mystical Language Of Icons:

The Mystical Language of Icons Solrunn Nes, 2009-04-10 Solrunn Nes one of Europe's most admired iconographers illuminates the world of Christian icons explaining the motifs gestures and colors common to these profound symbols of faith Nes explores in depth a number of famous icons including those of the Greater Feasts the Mother of God and a number of the better known saints enriching her discussion with references to Scripture early Christian writings and liturgy She also leads readers through the process and techniques of icon painting showing each step with photographs and includes more than fifty of her own original works of art **Mystical Language of Icons**, 2009 *The Mystical Language of Icons* Solrunn Nes, 2000 In *The Mystical Language of Icons* the details of many of the most well recognised icon paintings are explained motif by motif for example the position of the hands and fingers the use of a Greek letter and the significance of different colours The author is a contemporary icon painter of international repute and explains technique function form and meaning using examples of her own work In addition to dynamic illustrations of icon making in practice the book traces the development of this visual language within its specific cultural framework offering a thorough historical and theological background to the tradition of Orthodox iconography *The Mystical Language of Icons* Solrunn Nes, 2004 *Characters and Characterization in the Gospel of John* Christopher W. Skinner, 2013-04-11 This volume examines characters in the Fourth Gospel and provides an in depth look at different approaches currently employed by scholars working with literary and reader oriented methods Divided into two sections the book first considers method and theory followed by exegetical character studies using a literary or reader oriented method It summarizes the state of the discussion examines obstacles to arriving at a comprehensive theory of character in the Fourth Gospel compares different approaches and compiles the diverse methodologies into one comparative study Through this detailed exegesis the various theories will come alive and the merits or deficiencies of each approach will be available to the reader This volume is both a comprehensive study in narrative reader oriented theories and a study in the application of those theories as they apply to characterization Summing up current research on characters and characterization in the Fourth Gospel this book also provides a comprehensive presentation of different approaches to character that have developed in recent years *Transcendence and Understanding* Zdenko S. Sirka, 2020-03-04 This book brings into conversation Western and Orthodox hermeneutical schools one represented by Hans Georg Gadamer and his followers while the other school is less focused around one person and yet displays common distinct features The main question of the book is how we can mediate not only the content of understanding of who we are in relation to each other to the world in which we live and to God but also comprehend the process of understanding across various historical periods The strengths and weaknesses of both positions are presented and it is shown how these two hermeneutical approaches can enrich each other The book argues that preserving both positions and indicating how they complement each other helps show the limits of encountering the transcendent reality that can be

testified to by human language without being reduced to it as such *Silent Rosary* Addison Hodges Hart, 2021-07-09 The twenty mysteries of the rosary are a circular gallery a matrix of theology and spirituality They can inspire us profoundly For those seeking a deeper encounter in faith these mysteries have the power to move us toward contemplation A lengthy Introduction explains in detail the meaning of the term mystery in Christian thought provides a brief history of the rosary explains the significance of Mary in the mysteries explores the importance of beholding in the Scriptures and in our spirituality and explores Christian iconography The centerpiece of the book is the gallery of the mysteries as illuminated by the iconography of Solrunn Nes each image supplemented with explanatory commentaries by Addison Hodges Hart The latter incorporate biblical exegesis pertinent historical details and insights from classical spiritual writers The aim is to provide insight into the symbolism and typology of each mystery and to lead the reader into contemplative prayer and action Throughout the book unites an outward beholding of the mysteries of the rosary with the inner practice of the work of silence

Another Brush with God Peter Pearson, 2009-10-01 Step by step instructions for painting icons from original drawings through finished product This is the sequel to the author's previous work *A Brush with God* for advanced beginners intermediate and advanced iconographers It presents greater detail and instructions for creating entirely new icons One major feature of this book is the full page sketches that artists can photocopy and use as the basis of their own icons providing a unique and much requested resource Includes eight full color plates of the author's original icons Chapters and topics include Introduction and contemporary reflections on iconography spirituality and technique Highlighting folds on full length figures including black and white renderings of draped legs arms and torsos Architectural and landscape renderings in Byzantine iconography including background shadow and highlighting techniques plus inverse perspective Festal icons involving multiple figures landscapes architecture furniture vegetation and animals Construction of heads figures and analysis of whole compositions sacred geometry and proportion **A Brush with God** Peter Pearson, 2005-10 Step by step instructions for painting icons from original drawings through finished product For more than a thousand years Eastern Christians have used their hands and hearts to create icons proclaiming God's reality in a visible and breathtakingly beautiful way This ancient art is enjoying a renewed interest in the West as people of faith create icons and use them to meditate on mysteries for which there are no words *A Brush with God* is a guide to painting icons and using them in prayer Written with warmth and energy it describes the history of icons and examines why they've been a spiritual tool for so many centuries Written from a uniquely Western perspective the book guides artists from novices to professionals through the process of icon painting using traditional techniques but employing contemporary materials Included are eight full color plates of the artist's icons Creation, Matter and the Image of God Dorothy A. Lee, 2020-04-01 This book gathers together a selection of essays and articles by the author that have as their main focus the Gospel of John They explore the symbolism of the text and the way it communicates key Johannine themes using a narrative critical approach with attention to the theology emerging

from the literary structures The contents employ but also seek to move beyond critical methodology to a perspective that takes seriously feminist studies as well as Eastern Orthodox theological emphasis on the integrity of creation
