The Impact of the Railway on Society in Britain A. K. B. Evans,J.V. Gough,2017-03-02 Jack Simmons perhaps more than any other single scholar is responsible for the advancement of the academic study of transport history As well as being a co founder of the Journal of Transport History he wrote extensively on a variety of transport related topics and was instrumental in developing the London Transport and the National Railway museums Whilst his death in September 2000 at the age of 85 was a sad loss to the world of transport history the achievements of his life celebrated in this festschrift remain a lasting legacy to succeeding generations of scholars in many fields Concentrating on the theme of the railways and how they dramatically affected the development of Britain and her society this collection touches on numerous issues first highlighted by Professor Simmons which are now central to academic study These include the men who built the railways those who financed the enterprise how the railways affected such everyday issues as tourism the arts and politics as well as the lasting legacy of the railways in a country now dominated by the private car This volume written by former friends students and colleagues of Professor Simmons reflects these interests and provides a fitting tribute to one of the truly great British historians of the twentieth century **Locomotives from the National Collection** Peter Waller,Alan C. Butcher,2008

TRAINS RAILWAYS GENERAL INTEREST The National Railway Museum in York is one of the country s most successful and popular Museums and is home to one of the world s greatest national collections of railway locomotives covering the full history of traction from the earliest days of steam through to the most modern high speed trains This new book provides a photographic portrait of some of the most interesting and awe inspiring exhibits While some of the views particularly of the oldest exhibits portray the locomotives in static conditions the vast majority record the locomotives doing what they were designed for in operation either before they were secured for preservation or under the aegis of the NRM Detailed and informative captions provide a comprehensive history of each of the locomotives featured This is an exceptional colour exploration of the National Railway Museum s treasure trove Railway Posters 1923-1947 Beverley Cole,Richard

Durack, 1992 Between 1923 and 1947 the railway poster in Britain was in its heyday. These were the years of the so-called Big Four companies: the Great Western Railway, Southern Railway, London Midland and Scottish Railway, and London and North Eastern Railway. In the competition for passengers, each of the companies developed its own distinctive style of poster advertising. This book contains over 200 of the most striking and innovative designs of the period.
