Sister Alice:

Angel of the Underground David Andreas, 2021-05-26 A teenage girl in foster care confronts spiritual doubt and soul chilling terror in a sinister and atmospheric story that will appeal to horror fans Booklist When three children in a Catholic group home are brutally murdered the survivors are hurried into separate foster homes across Long Island Robin Hills a fifteen year old who has spent the past several years under religious care is thrust into a new dysfunctional family with no spiritual beliefs No longer protected by the religion and the nun she had come to love Robin is completely alone and enveloped in fear As the murders continue and Robin fears she may become the next victim her faith increasingly falters However she finds solace in a budding friendship with Dennis a boy her age living in her new foster home Dennis s kindness his acceptance of Robin and his bravery in the face of evil born of his passion for horror movies combine to reassure her that she ll survive the killings Armed with this new friendship and fueled by a rage she finally discovers within herself Robin must find the courage and self reliance to confront the darkest aspects of human depravity Andreas s debut novella *Angel of the Underground* will remind many horror fans of Stephen King s first published novel *Carrie* Andreas s tight and tense horror tale is a spellbinding and clever debut He also has more on his mind than merely a straightforward thriller His smart sympathetic and engaging teen heroine grapples with the Catholic faith that has sustained her for so many years but now seems to have abandoned her Proving good things come in small packages the novel is just 165 pages *Angel of the Underground* is a tight and thoughtful thriller and a stellar introduction to a fresh new voice Shelf Awareness The grit in *Angel* is laudable as is Andreas determination to push our faces right up into some very uncomfortable domestic horrors *Rue Morgue Magazine*

Charity Alive Mary Olga McKenna, 1998 *Charity Alive* Sisters of Charity Halifax 1950-1980 is the sequel to *Sister Maura* Power s chronicle of the first one hundred years of the congregation s history Ryerson 1956 Based on congregational records and interviews with members of the order the book traces describes and assesses the events which moved the Sisters from the traditional patterns of religious life over the first century into the 1980 s It shows the Sisters response to the documents of Vatican II and the economic cultural and religious challenges during three decades of adaptation renovation and renewal *Charity Alive* also presents the transformation effected within the congregation which liberated the Sisters and empowered them to reach beyond their traditional ministries of education health and social services to embrace new forms of ministry such as serving the less visible needs of the economically poor on the fringes of society
