Six Trials Of Jesus:

The Six Trials of Jesus John W. Lawrence, 1996-01-01 Each of the six trials of Jesus is explored for both their historical meaning and spiritual application

Behold... the Man! Charles R. Swindoll, 2004-04-05 The truthful Man falsely accused The innocent Man illegally tried and wrongly convicted The gentle Man who suffered punishment few could imagine much less endure The murdered Man who forgave His own merciless killers The divine Man who died as a common criminal The willing Man who gave His life for others The ordinary Man who was in fact the extraordinary Son of God The pathway Jesus took to the cross of Calvary is commonly called the Passion This sorrowful path weaved through soul wrenching prayers and illicit deals made in shadowy darkness It descended into corrupted courts bereft of justice and circled by prejudiced rulers stripped of power On this pathway of His passion Jesus paused for a torturous scourging and plodded on doggedly to a horrific death on a hillside called the Skull But why In this incredible historically accurate account you will come face to face with Jesus the Man of Sorrows If you're honest you'll find the amazing answer to why and you'll change When you stop long enough to look to think to imagine and to truly Behold the Man you'll never be the same again Chuck Swindoll leads us through a detailed examination of the events surrounding Jesus as he follows the winding pathway of his passion to the cross This story based investigation of the last week of Jesus's life from the Last Supper to his death focuses on Why And in his Epilogue to this powerful insightful book Swindoll clearly explains to the unchurched and non Christian reader why Jesus was willing to walk this sacrificial path to die he did it for them Releasing simultaneously with Mel Gibson's stirring movie The Passion of The Christ Swindoll's book provides Christians an excellent evangelistic follow up tool to give to their unchurched or non Christian friends and families who see the film As Chuck said after a private viewing of the movie You'll never be the same again And Behold the Man will help ensure that fact

No Cost Jesus? H. Wallace Webster, 2021-07-12 Many people think that while living our daily lives can be difficult even challenging following Jesus is actually pretty easy All we need to do is say yes to Jesus and our lives can go on without interruption But is it really that easy to follow Is he a Jesus without cost or requirement At some point we all need to ask ourselves Who is this Lord that I'm serving Our culture encourages us to think of Jesus as a good friend who will not put any demands on our time or our lives But the real Jesus the God of the Bible comes with a cost He demands our time He demands our thoughts He demands our lives He demands our all It's only when we are willing to pay that cost that we get to know our Savior as he really is and we realize that he's worth so much more

R. Dekle Sr.,2011-07-12

Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader It went virtually unnoticed at the time No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus execution despite being satisfied that he was innocent Revisionist interpretation says that there was no trial at all that Pilate simply executed Jesus because he was a nuisance and that Jesus followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised the Jews Are the Gospels good history or bad propaganda Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus Who if anyone should shoulder the blame for the crucifixion of Jesus The Case against Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus **Routledge A Level Religious Studies** Jon Mayled,Jill Oliphant,Sam Pillay,Matthew Taylor,2017-09-28
