Skateboard Video Duncan McDuie-Ra, 2021-09-20. This book is about skateboard video and experimental ways of thinking about cities. It makes a provocative argument to consider skate video as an archive of the city from below. Here below has a dual meaning. First, below refers to an unofficial archive, a subaltern history of urban space. Second, below refers to the angle from which skateboarders and filmmakers gaze upon, capture, and consume the city from the ground up. Since taking to the streets in the early 1980s, skateboarding has been captured on film, video tape, and digital memory cards, edited into consumable forms and circulated around the world. Videos are objects amenable to ethnographic analysis while also archiving exercises in urban ethnography by their creators. I advocate for taking skate video seriously as a fragile archive of the urban backstage, collective memory across time and space, creative urban practice, urban encounters, people to people, and people to objects, and the globalization of a subculture at once delinquent and magnificent.

Pirates, Scoundrels, and Kings William Lynes, 2013-01-31. Even for a Monday, Christopher's day is full of frustration. There was the school bus ride through the mud, followed by a huge argument with his two brothers. He would do anything to escape, just for a little while. A wish that he soon finds granted. A chance encounter with a philosophical cloud sends him to the medieval kingdom of Alucemet, which is in shambles. The king is lost, the queen's power is dwindling, and the citizens blame their traitorous sons. Christopher soon realizes he is in the presence of one of the sons, Sir Alexander. Even so, he finds in Alexander not a traitor but a quiet, kind leader intent on restoring the kingdom to its past glory. Soon Alexander is ambushed, and Christopher is told Alexander's evil brother, Nicholas the Blue, is responsible. Luckily, with the queen's help, Christopher is able to escape, and he is led to the very door of this other brother. Once again, however, the common reports are wrong. Christopher finds Nicholas to be nothing more than a pirate who lives for fun. If the princes are not behind the downfall of Alucemet, who is? Battle is on the horizon. A dark army plans to surround and conquer, taking the kingdom for its own. Christopher must lean on his faith in God to strengthen his new friends, save their kingdom, and hopefully find his way home.

Crushed Melanie Conklin, 2024-07-16. A heartfelt middle-grade story about changing friendships, peer pressure, and the courage to speak up when lines are crossed. Perfect for fans of *Starfish* and *Finally Heard*. Sophie Valentine would rather be at home doing school virtually. Instead, she's waiting in a crowded middle school building for her best friend Eve, who's finally back after an extended absence, which only Sophie knows the truth about. But when Eve returns, things aren't the same. First, Eve stops walking to school with her in the morning. Then she's ditching Sophie to hang out with the Crash Crew, a group of popular kids notorious for their social media dares.

Eve seems to fit right in but Sophie is devastated Did she just lose her best friend When rumors surface that Eve is hiding a painful secret she didn't share with Sophie Sophie is spurred on an investigation to discover what or who caused the incident behind Eve's sudden change and why all clues lead back to the Crash Crew Using lessons from her forensics class and the help of a new friend Sophie will have to uncover the truth before more harm is done **How to Get Awesome** Nancy Wilcox Richards, 2016 Owen has big plans for grade three but it quickly looks like the year is shaping up to be anything but awesome On the first day of grade three Owen's teacher assigns a year long writing activity called Project Awesome Every week the students need to write about something awesome in their everyday life It doesn't sound awesome to Owen He hates writing and would rather be skateboarding or playing soccer with his best friend Max or spending time with Copper the elderly neighbour's dog But things don't always go according to plan When Max stops hanging around and Copper goes away for vacation Owen turns to his journal entries as an outlet for some of his thoughts about the world around him Is it possible that Project Awesome isn't as lame as he thought *DARE: Dream, Achieve Revive, Expect* Catherine Barry, 2014-07 Life is full of opportunity to be daring and to step out of our comfort zone When we DARE to pursue God dreams knowledge understanding bravery happiness joy etc we are more likely to succeed than if we decide to stay on the safe side of life Teachers I DARE you to push your abilities to the limits in this session and lead by example DARE to be different Don't teach like you've always taught don't take the same route to planning your lessons don't fall into the same study habits or hold your class to the same schedule Find the fresh route and a fresh outlook on your ministry Albert Einstein said it best Example isn't another way to teach it is the only way to teach Wild Truth Journal-Dares from Jesus Mark Oestreicher, 2002-07-23 Features 50 two page journaling devotionals sends students straight into the words of Jesus to discover the truth then it dares them to live that truth today
