THEODORE LOUIS TROST

Teaching African American Religions

SA Adler

Teaching African American Religions:

Teaching African American Religions Carolyn M. Jones, Theodore Louis Trost, 2005-07-14 The variety and complexity of its traditions make African American religion one of the most difficult topics in religious studies to teach to undergraduates The sheer scope of the material to be covered is daunting to instructors many of whom are not experts in African American religious traditions but are called upon to include material on African American religion in courses on American Religious History or the History of Christianity Also the unfamiliarity of the subject matter to the vast majority of students makes it difficult to achieve any depth in the brief time allotted in the survey courses where it is usually first encountered The essays in this volume will supply functional innovative ways to teach African American religious traditions in a variety of settings

African American Religious Cultures Anthony B. Pinn, 2009-09-10 This encyclopedia offers the most comprehensive presentation available on the diversity and richness of religious practices among African Americans from traditions predating the era of the transatlantic slave trade to contemporary religious movements Like no previous reference African American Religious Cultures captures the full scope of African American religious identity tracing the long history of African American engagement with spiritual practice while exploring the origins and complexities of current religious traditions This breakthrough encyclopedia offers alphabetically organized entries on every major spiritual belief system as it has evolved among African American communities covering its beginnings development major doctrinal points rituals important figures and defining moments In addition the work illustrates how the social and economic realities of life for African Americans have shaped beliefs across the spectrum of religious cultures

Religious Education in the African American Tradition Kenneth H. Hill, 2012-11 Schweitzer's goal in this book is to explore what postmodernity actually means for theology and how theology and the church may respond to its challenges He focuses on the life cycle as it is changing with the advent of postmodernity looking sequentially at segments of the life cycle using different lenses modernity postmodernity and responses from church and theology Schweitzer concludes with a theology of the life cycle

Critical Perspectives on Interreligious Education, 2020-03-31 The editors of *Experiments in Empathy Critical Reflections on Interreligious Education* have assembled a volume that spans multiple religious traditions and offers innovative methods for teaching and designing interreligious learning This groundbreaking text includes established interreligious educators and emerging scholars who expand the vision of this field to include critical studies decolonial approaches and exciting pedagogical developments The book includes voices that are often left out of other comparative theology or interreligious education texts Scholars from evangelical Muslim Catholic Protestant Jewish religiously hybrid and other background enrich the existing models for interreligious classrooms The book is particularly relevant at a time when religion is so often harnessed for division and hatred By examining the roots of racism xenophobia sexism and their interaction with religion that contribute to inequity the volume offers real world educational interventions The content is in high demand as are the authors who contributed to the

volume Contributors are Scott Alexander Judith A Berling Monica A Coleman Reuven Firestone Christine Hong Jennifer Howe Peace Munir Jiwa Nancy Fuchs Kreimer Tony Ritchie Rachel Mikva John Thatanamil Timur Yuskaev African American Religious Experiences Gloria Robinson Boyd, 2010-02-19 African Americans encountered many challenges throughout history facing slavery Reconstruction Jim Crow and other forms of racism Many relied on religion as their source of strength and endurance The African American religious experience is a story of survival that demonstrates how religion became the key ingredient that allowed a race to adapt and survive the harshest systems of injustice and prejudice in America Religion became the greatest universal and dynamic tool of survival adopted by enslaved individuals and the utmost weapon known to the black race African American religious practices a blend of African and European traditions are distinctively unique because of worship styles and contemplative practices all reflective of the vital role religion played in the lives of blacks during slavery and beyond **The African American Religious Experience in America** Anthony B. Pinn, 2005-11-30 Most who think about African American religion limit themselves to black churches or perhaps to aspects of Islamic thought and practice But a close look at the religious landscape of African American communities presents a much more complex thick and layered religious reality comprising many competing faiths and practices The African American Religious Experience in America provides readers with an introduction to the tremendous religious diversity of African American communities in the United States with snapshots of 11 religious traditions practiced by African Americans from Buddhism to Catholicism from Judaism to Voodoo Each snapshot provides readers a better understanding of how African Americans practice their faiths in the United States The African American Religious Experience in America provides resources for students taking classes on the history of American religion African American Studies and on American Studies In addition to the in depth discussion of the varieties of African American Religion the volume includes a historical introduction to the development of African American Religion a glossary of terms a timeline of important events a series of short biographies of important figures in the history of African American religion and a bibliography of sources for further study Finally the book includes a series of primary source documents that will provide students with first person accounts of how religion is practiced in the African American community both today and in the past Encyclopedia of African American Religions Larry G. Murphy, J. Gordon Melton, Gary L. Ward, 2013-11-20 Preceded by three introductory essays and a chronology of major events in black religious history from 1618 to 1991 this A Z encyclopedia includes three types of entries Biographical sketches of 773 African American religious leaders 341 entries on African American denominations and religious organizations including white churches with significant black memberships and educational institutions Topical articles on important aspects of African American religious life e g African American Christians during the Colonial Era Music in the African American Church Esotericism in African American Religious Experience, 2014-11-06 In Esotericism in African American Religious Experience There is a Mystery Stephen C Finley Margarita Simon Guillory and Hugh R Page Jr

assemble twenty groundbreaking essays that provide a rationale and parameters for Africana Esoteric Studies AES a new trans disciplinary enterprise focused on the investigation of esoteric lore and practices in Africa and the African Diaspora The goals of this new field while akin to those of Religious Studies Africana Studies and Western Esoteric Studies are focused on the impulses that give rise to Africana Esoteric Traditions AETs and the ways in which they can be understood as loci where issues such as race ethnicity and identity are engaged and in which identity embodiment resistance and meaning are negotiated

Black Theology--Essays on Global Perspectives Dwight N. Hopkins, 2017-06-15 Since its start in 1966 black liberation theology in the United States has continually engaged international developments with Africa and the entire world But after Nelson Mandela was released from prison in February 1990 there has been an almost twenty year break in books on black theology and international affairs Black Theology Essays on Global Perspectives bridges that post 1990 gap and makes a vital contact with Africa again This book conceptualizes black theology to take on the global reconfigurations and opportunities brought about by the rapidly shrinking earth of fast paced worldwide contacts In other words in the specificity of the genealogy of black theology we need to reforge ties with Africa This claim is based on tradition And in the generality of the larger worldwide intertwining of technologies and economics we need a new type of black theological leadership for the twenty first century This claim is based on today s international challenges The essays in this book draw on tradition and point forward in the midst of today s worldwide challenges and favorable possibilities given the closeness of all nations and the varieties of cultures

Varieties of African American Religious Experience Anthony B. Pinn, 2017-10-15 Twenty years ago Anthony Pinn s engrossing survey highlighted the rich diversity of black religious life in America revealing expressions of an ever changing black religious quest Based on extensive research travel and interviews Pinn s work provides a fascinating look especially at Voodoo Santeria the Nation of Islam and black humanism in the United States and uses the diversity of religious belief to begin formulation of a comparative black theology the first of its kind This twentieth anniversary edition is an expanded version including a new preface and a new concluding chapter An important contribution to classroom studies
