spiritual perfection **Elevation to Krsna Consciousness** His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, 2017-02-07 The quality of our consciousness can go up or down based on how we see the world and act in it. When we act like the eternal spiritual beings that we are, small parts of a supreme whole makes us happy. But if we focus our attempts at happiness on the temporary body and mind on matter and make those our life's priority, our consciousness will shrink and we'll be miserable. Spiritual elevation, raising our consciousness to higher levels, happens quickly when we revive our God consciousness. In this compact book, Srila Prabhupada recommends seeing the world as it is, a temporary place full of anxiety, and then taking the road to higher consciousness by rediscovering our relationship with the Supreme Person, Krishna. Anyone can become elevated; the journey begins with a single step up.
