

TEAM PLAYER

A "Team Player" is someone who works effectively within a group, placing the team's goals above personal interests and contributing positively to the team dynamics.

OVERVIEW

It's very common that you'll see job postings that highlight 'team player' as a desirable soft skill that they're seeking in their new employee.

Team players bring essential skills to any professional environment, including problem-solving, communication, collaboration, and the ability to give and receive feedback effectively.

EXAMPLES

- **You're Supportive:** A team player aims to create a supportive, positive, and caring team environment.
- **Team Goals Come First:** Team players care more about the team's goal than personal ambition. They acknowledge that their job is to contribute to a team's project and, at the same time, acknowledge that the team's success is the path to individual success.
