Tears And Laughter Of A Mans Soul:

Tears and Laughter of a Man's Soul James J. Kavanaugh, 1990 *Tears and Laughter of a Man's Soul* James Kavanaugh, 1996-05-01 **The Tri-State Medical Journal** James Moores Ball, 1898 The Mystery of the Soul: a Search Into Man's Origin, Nature, and Destiny Stephen Watson Fullom, 1865 **10 Passions of a Man's Soul** Mark Elfstrand, 2008-09-01

Morning show host of Moody Radio Network's flagship station in Chicago Mark Elfstrand uses interviews with ten dynamic powerfully gifted leaders to explore the driving passions that motivate authentic men of God Exploring topics such as power adventure purpose pleasure and wealth this transparent disclosure of men's innermost feelings brings up thought provoking questions and surprising revelations about contemporary leaders and historical figures Readers will discover the hidden leader waiting to emerge from within themselves **And They All Rejoiced!**

Soul-Stirring Poetry. Cendrine Marrouat, 2006 **The Tri-State Medical Journal and Practitioner**, 1898 The Soul of the Soldier Thomas Tiplady, The sketches in this book and in my previous one *The Cross at the Front* are attempts to show the soul of the soldier serving in France as I have seen it during the year and a half that I have been with him It is a padre's privilege and duty to be the voice with which in public worship the soldiers speak to God and through which their last thoughts are borne to their friends at home He is their voice both when they are sick or wounded and when they lie silent in the grave He speaks of their hopes and fears hardships and heroisms laughter and tears As best he may he tries to tell to those who have a right and a longing to know how they thought and how they bore themselves in the great day of trial when all risked their lives and many laid them down Soldiers as a rule are either inarticulate or do not care to speak of themselves and the padre has to be their spokesman if ever their deeper thoughts and finer actions are to be known to their friends To do this he may have to bring himself into the picture or even illustrate a common thing in their lives by a personal experience of his own To reveal life and thought at the Front in the third person and without sacrificing truth and vividness requires a degree of literary power and art which cannot be expected of a padre to whom writing is but a by product and not his main work I have written but little of military operations these things are not in my province Moreover they are not the things which are most revealing The presence of Spring is first and most surely revealed by the flowers in our gardens and lanes and the soldier is most clearly seen in the little things that happen on the march in his billet or in the Dressing Station Some things are not seen at all They are only felt and my opinion about them must be taken for what it is worth One knows what the men are by their influence on one's own mind and life I do not judge the morality and spirituality of our soldiers entirely by their habits and speech for these are but outward and clumsy expressions of the inner life and are largely conventional There is something else to put in the reckoning and to find out what the soldiers are worth to us we must somehow get behind their words and actions and find out what they are worth to God whose terrible wheel of war is shaping their characters I appraise them mostly by the total effect of the impact of their souls on mine I know their thoughts and feelings

by the thoughts and feelings they inspire in me Do men gather grapes of thorns or figs of thistles There are certain thoughts and emotions that only come to me strongly when I am with the soldiers or when I am living again with them in memory and so I take these as their gift to me and judge the men by their influence on my character Character is in its influence subtle as Spring Words and actions by themselves are too coarse and conventional to do anything but mislead us in judging the quality of our men By their fruits ye shall know them Not by their leaves Fruit is seed In the seed the tree reproduces itself And reproduction whether in physical moral or spiritual life is the test of vitality To be continue in this ebook **Life's Chance**
