You Can Overcome Brenda Lee Pruitt, 2019-04-24 You can overcome life s obstacles and hurt even when they occurred as a child or as an adult You may feel like all your life there has been hurt that you just cannot get over but with JESUS you can overcome The book of James 1 2021 states Anger does not produce the righteousness that God desires Get rid of all impurity and every expression of

wickedness and with a gentle spirit welcome the Word planted in you that can save your souls As a little girl I was mentally verbally and physically abused I wondered why I did not have any friends I became very angry about the way I was treated I cried almost every day and developed a feeling of bitterness and hatred I asked my grandmother why I don t have friends and she told me You have a friend named Jesus My grandmother taught me about Jesus as a child and how bad he was treated even as a perfect man She told me Jesus was abused in every way beaten and they crucified him for no reason If Jesus who was perfect was treated wrong you will also be treated wrong When she told me that my cries of hurt became laughter We can be of help to one another by showing love When others do or say things to hurt others it s because they are hurting themselves First Corinthians 4 89 tells us we are pressed on every side but not crushed perplexed but not in despair persecuted but not abandoned struck down but not destroyed We must forgive so Jesus can forgive us We must pray for each other even those who do wrong toward us The Lord says No weapon formed against us shall prosper We are more than conquerors through Christ Jesus You have the victory You can overcome Tears of the pilgrims; or, Words of comfort to the tried, afflicted, and bereaved William Frith,1883 *Tugging at Heartstrings* Pasquale De Marco,2025-03-10 In this groundbreaking exploration of tears *Tugging at Heartstrings* delves into the profound impact of tears on our lives unveiling their multifaceted nature and challenging societal stigmas Through a captivating blend of scientific research real life stories and insights from diverse disciplines this book sheds light on the intricate interplay between tears and our physiology emotions and social interactions It unravels the biological mechanisms that trigger the flow of tears revealing the complex emotions they convey The book embarks on a journey through the human lifespan examining the role of tears in infancy childhood adolescence adulthood and old age It explores how tears shape our relationships foster empathy and contribute to our overall emotional well being Furthermore *Tugging at Heartstrings* investigates the cultural and societal influences that shape our attitudes towards tears uncovering the biases and stigmas that can prevent us from expressing our emotions fully It challenges these preconceived notions and advocates for a more compassionate and accepting approach to tears With compassion and eloquence this book invites readers to embrace tears as a natural and essential part of the human experience It empowers individuals to break free from societal expectations and express their emotions authentically fostering a deeper understanding of themselves and their relationships *Tugging at Heartstrings* is an essential read for anyone seeking to understand the profound significance of tears to cultivate emotional resilience and to navigate the complexities of human emotions with greater empathy and awareness If you like this book write a review **The Pursuit of Happiness** Bianca C. Williams,2018-02-08 In *The Pursuit of Happiness* Bianca C Williams traces the experiences of African American women as they travel to Jamaica where they address the perils and disappointments of American racism by looking for intimacy happiness and a connection to their racial identities Through their encounters with Jamaican online communities and their participation in trips organized by Girlfriend Tours International the women construct notions of racial sexual and emotional

belonging by forming relationships with Jamaican men and other girlfriends These relationships allow the women to exercise agency and find happiness in ways that resist the damaging intersections of racism and patriarchy in the United States However while the women require a spiritual and virtual connection to Jamaica in order to live happily in the United States their notion of happiness relies on travel which requires leveraging their national privilege as American citizens Williams s theorization of emotional transnationalism and the construction of affect across diasporic distance attends to the connections between race gender and affect while highlighting how affective relationships mark nationalized and gendered power differentials within the African diaspora
