The Gospel In The Dust:

The Gospels Through Old Testament Eyes Nicholas P. Lunn, 2023-09-22 Recognising veiled allusions to the Old Testament in the four Gospels has long contributed to our understanding of the Gospels message Nicholas Lunn takes the investigation of allusion a significant step further in *The Gospels Through Old Testament Eyes* He explores allusions not just in isolated verses but rather occurring throughout whole passages demonstrating that many Gospel episodes interact with specific Old Testament accounts through an extended sequence of allusions Furthermore his examination is not restricted to episodes presented by a single Gospel but includes allusions distributed across two or more Gospel treatments of the same event In *The Gospels Through Old Testament Eyes* Lunn offers a series of self contained studies that bring to light allusions many of them previously unnoted that affirm the intricate interweaving of New Testament texts with those of the Old This volume will greatly enhance your appreciation of the Gospels presentation of Jesus s life and ministry It will inform and equip scholars pastors preachers Bible teachers and readers to appreciate new depths in the Gospels *The Gospel of John 3:16* Randy A. Barnes, 2024-10-07 The gospel is being preached however the Bible makes it clear that it is the truth of the gospel that has to be proclaimed to the world before it ends and warns of those preaching a different gospel This true gospel was being followed when Christ s followers were first called Christians after He left earth and only those adhering to this same gospel will be translated when He returns In a thoughtful word by word commentary on the most famous and most quoted verse in the Bible Randy Barnes with no denominational predisposition shows how a correct understanding of John 3 16 clearly illuminates this identical gospel when the paradigms of customs and traditions are eliminated from its interpretations Using biblical hermeneutics and contextual juxtaposition as tools Barnes shows how the Bible gives its own interpretation of not only of John 3 16 but all other verses as well Using only scriptural references Barnes demonstrates how God has used both the Jewish and Christian faiths to spread the story of the true gospel to the world by examining over two dozen doctrinal issues from the earth s creation to its recreation from the books of Genesis to Revelation The book is formatted with both a comprehensive table of contents and an exhaustive index to enable its use as reference for Bible study Supplemental information such as diagrams and illustrations are also included to assist in your reading enjoyment Christians will find excellent support for foundational principles as well as be challenged in much traditional thinking **The Gospel Crown of Life** Reverend Thomas Mitchell, 1851 **A Commentary, Critical, Expository and Practical, on the Gospels of Matthew and Mark** John Jason Owen, 1857 **The Teacher's Commentary on the Gospel Narrative of the Last Year of Our Lord's Ministry** Henry C. McCook, 1871 **The Credibility of the Gospel** Pierre Batiffol, 1912 *Foundations of the Gospel* Kuldip Singh Gangar, 2018-01-15 In *Foundations of the Gospel* Kuldip Singh Gangar challenges prevailing nonliteral readings of Genesis 1 3 Against various old earth views of world origins Gangar argues that believers can read the Bible at face value and trust the historical accuracy of its account of creation As the author says If at the beginning we

cannot take God's Word at face value then we are left wondering whether other passages should also be read that way or not. Gangar's apologetic commentary provides a defense of young earth creationism showing how modern concerns are most reliably addressed with traditional biblical interpretation. *The Gospel of Matthew* John Schultz, 2013-10. John was born in Haarlem, The Netherlands in 1930. He suffered starvation during Nazi occupation of Holland during World War II. His father was imprisoned by the Nazis for six weeks for supplying the ten Boom family with ration cards, though they never found this out. John felt the call to ministry, went to Bible School in Brussels, Belgium, and met and married his wife there. They both felt a strong call to the mission field, then Dutch New Guinea, later Irian Jaya, Indonesia, and left for the mission field with The Christian Missionary Alliance. We went out under the US mission shortly after their marriage. They would spend the next thirty-eight years on the mission field there before retiring to Toccoa, GA in 1995. The Lord blessed them with four children and 17 grandchildren. During his time on the mission field, John started, taught, and ran a Bible School in Irian Jaya. **The illustrated polyglot Pilgrim's progress. The pilgrim's progress ... in English and French.
