Epic fantasy series with character driven intrigue and spectacular magic Marsellus was the rightful ruler of Branion by virtue of both birth and the power of the Flame contained within him Yet he had betrayed his heritage cleaving to the opposing Essusiate religion and denying the Flame s power But now Llewellynne a prince and seer in the neighboring kingdom of Gwyneth has been granted a Flame vision of herself bearing a child of Marsellus a child who would become the new vessel of the Flame and who can lead Gwyneth forces to victory in Branion Llewellynne succeed in transforming the vision into reality giving birth to a son named Rhys Gwyneth begins preparations waiting for the day when Rhys will claim his heritage For with the power of the Flame and the aid of his younger brother Llewen is there any doubt that Rhys will triumph However nothing is certain in a struggle fueled by the gods And though Rhys and Llewen have been raised together the fortunes of war may well drive them apart

Industry in the Wilderness Frank Rasky, 1983-01-01 Filled with photographs both historic and contemporary this engaging book looks at the industrial pioneers of northwestern Ontario and the activities which brought them to the wilderness surveying railroading lumber gold bush piloting transportation and hydro power Rasky lets the pioneers tell their own story through their own reminiscences and by the monuments they have left behind Published with the assistance of the Ontario Ministry of Citizenship and Culture and the Ontario Ministry of Northern Affairs

Little Brackens Island GORDON DICKIE, 2011-10-11 This book is a collection of fond and treasured remembrances over the past nearly forty years while spending the summers on my cherished Little Brackens Island on the Muskoka Lakes As we get older our recollections grow a bit dimmer The descriptions blossom and become more delusional The memories are augmented and laced with incongruities misconceptions errata inaccuracies inconsistencies and some questionable apparitions All of them are sworn as the sacred truth by a beguiling impetuous and fanaticizing imagination

The Dartmouth, 1900 **A Dutch Heritage**
Frank Rasky, Joan Magee, 1983-01-01 Industry in the Wilderness by Frank Rasky is an account of the overcoming of natural elements in order to harvest the resource wealth of northwestern Ontario It is part of the Dundurn Local History series It is an oral history of lumberjacks gold seekers bush pilots and early hydro men Herein lies the major problem with the book

Rasky attempts to cover four important aspects of northwestern Ontario in only 128 pages This impossible task is even further complicated by the fact that more than half of the book is devoted to pictures and diagrams The pictures and diagrams dominate the book to such an extent that one could ignore the text and still find a wealth of information about the topic The diagrams of a paper mill a gold mine and a hydro electric power plant could be a valuable teaching aid to students interested in those areas The pictures are exceptionally good Umanitoba ca cm cmarchive vol12no5 industryinthewilderness.html *Memoirs of Mexico and Motorcycling* Clifton Melby, 2024-06-26 In February of 2003 my friend Dave and I entered Mexico through the port of Nuevo Progreso from South Texas We were eager and hopeful it could be as good as our earlier rides Just a few blocks into Progreso the bumps smells sights and sounds assured us it was all there Viva La Mexico We pressed along the Emerald Coast riding to the Gulf of Mexico We were lounging in the lap of a bygone era We rode south to the bottom of the gulf and then north up the western shore of the Yucatan Peninsula Then we rode east across the haunting Yucatan Peninsula to the Caribbean Sea The ancient temples of the Mayan ruins pushed all the way through forest that was part of the great biosphere to our south flank that went deep into Guatemala To our north flank vast miles of empty arid land undulated over many miles of underground rivers connecting the beautiful cenotes We entered Belize from the north riding through savannahs back to the sea then west entering Guatemala on its eastern border near Tikal I had big hopes but limited knowledge of Guatemala I was swallowed whole by it on day one We rode through its beauty and its struggles all the way to its eastern border with Mexico along the Pacific Ocean In Mexico we rode along the beautiful Pacific capes and north up into the mountains that are the bastion of Oaxaca We rode a mountainous route all the way back to the U S A Not before these images had dried and cured in my mind did I begin to understand how much I enjoyed this adventure Awesome
