The Western Cree MASKI PITON'S BAND (Maskepetoon, Broken Arm) of PLAINS CREE v.1 to 1870 Joachim Fromhold, 2015-05-04 MASKI PITON or Broken Arm is perhaps the best known or best publicised Cree Indian Chief and has had more written about him than any other Chief or historic aboriginal person in Alberta In spite of this virtually nothing has been written about or is known about his band of the Plains Cree Much that is known and has been written about him is incomplete and woefully lacking not having been satisfactorily researched In fact the band ranged through a large area from the mountains of the North Saskatchewan to northern Minnesota In fact as it turns out MASKI PITON's band is one of the best documented of the Plains Cree bands and once we combine the records from Canada and the United States we are able to reconstruct a very accurate record of the history of the band This is the history of the Band from its early origins to the reservation period and is the first documentation of the range of the Plains Cree bands
