

The book cover features a light blue background with a faint, swirling pattern. A decorative border of brown and yellow leaves and branches frames the central text. The title 'THE GREAT FACADE' is written in a large, black, serif font, centered at the top. Below the title is a small black cross symbol. The subtitle 'VATICAN II AND THE REGIME OF NOVELTY IN THE ROMAN CATHOLIC CHURCH' is written in a smaller, black, serif font, centered below the cross. At the bottom, the authors' names 'CHRISTOPHER A. FERRARA' and 'THOMAS E. WOODS, JR.' are listed in a black, serif font.

The Great Facade Vatican II And The Regime Of Novelty In The Roman Catholic:

The Great Façade Christopher A. Ferrara, Thomas E. Woods, 2002 *The Great Facade* Christopher A. Ferrara, Jr.

Thomas E. Woods, 2015-09-17 In this second edition of *The Great Facade* co author Christopher A Ferrara brings the original work up to date with six new chapters addressing what Bishop Athanasius Schneider has called the fourth great crisis in the history of the Catholic Church The additional chapters chronicle the attempts at ecclesial restoration by Benedict XVI and the Francis revolution following Benedict's mysterious resignation including Francis's tumultuous Synod on the Family and his radical reform of the process for determining matrimonial nullity leading to what some call Catholic divorce and a threat of schism on the magnitude of the Lutheran revolt of the 16th century This new look at the 50 years following the Second Vatican Council is sure to provoke discussion and debate among Catholics concerned about the state of their Church There is no doubt in my mind that *The Great Facade* has been prophetic in the broader scriptural sense of the term Its authors saw that Catholicism was under obvious assault that the consequences of its rout would be dreadful and that their failure to take up arms against a sea of enemies would be a punishable dereliction of duty Those new to the crisis in the Church as well as old soldiers seeking to recharge intellectual batteries can make use of the book's succinct outline of the modernist positions in matters of faith and morality that so swiftly rode to dominance on the back of the Second Vatican Council JOHN RAO author of *Black Legends* and *The Light of the World* One of the most important books of the post conciliar era *The Great Facade* has earned the right to share the top shelf with such masterworks as the trilogy of Michael Davies *Romano Amerio's Iota Unum* and von Hildebrand's *The Devastated Vineyard* As the original publisher of this magnum opus I am delighted that Angelico Press has brought out a new edition in which Mr Ferrara provides six additional chapters documenting the rapid advances of the regime of novelty following what he calls *The Benedictine Respite* With its almost literally up to the minute analysis of the Francis Revolution this work is now more important than ever MICHAEL MATT Editor *The Remnant* The second edition of *The Great Facade* tells the story of the crumbling veneer obscuring the glorious Catholic Church updated to the very eve of its publication This book is a necessity for anyone who senses the failure of the attempts of neo Catholics to cover over the cracks in this crumbling edifice of post conciliar innovation As always Chris Ferrara narrates his case against the viruses of novelty and their neo Catholic apologists with painstaking documentation and a lively and witty style BRIAN M MCCALL author of *To Build the City of God* *God is the Most Real Being* In contrast the note of today's Church often seems unreality happy talk avoiding issues one sided rhetoric masking self contradiction and dubious projects For a while it seemed that repeated disaster might be bringing back a certain sobriety but no such luck In such a setting *The Great Facade* is more necessary than ever as a spirited brief against the fantasies of recent decades and an appeal to Catholics and the Church to return to what they have been in order to become what they most truly are JAMES KALB author of *Against Inclusiveness* This long awaited second edition documents the regime of novelty up to the present moment It contains the most comprehensive

analysis of Pope Francis's tumultuous pontificate to date JOHN VENNARI Editor Catholic Family News's superb best analysis of the present parlous state of the Church I have read A marvel of clear careful argument and utterly persuasive JEFFREY RUBIN convert and former editor of The Conservative Book Club **The Resurrection of the Roman Catholic Church** Griff Ruby, 2002 For nearly twenty centuries the Roman Catholic Church withstood all the currents of change and history and maintained a closely guarded orthodoxy which has always served as the basis and center of all Christianity Yet it is as if all of that has been just arbitrarily swept away in the few years since Vatican II Given what the Church has always taught about itself being indefectible how could this have happened Did that Council have something to do with that terrible loss of faith Can the real Catholicism be found today and if so where The shocking answer to this once seen and truly understood is as every bit as glorious as the original resurrection of Christ Himself a tremendous source of faith and inspiration It is a broad based longstanding miracle passing right before our eyes have we but the Grace to see it for what it is **Seven Secular Challenges Facing 21st-Century Catholics** Val J. Peter, 2009 Combining his unique experience as tenured professor of moral theology at Creighton University with over twenty years as pastoral minister and executive director of Boys Town author Rev Val J Peter offers assessments critiques and insights into contemporary social problems His forthright style various examples and specific suggestions offer practical advice and guidance to assist the spiritual lives of 21st century Catholics in dealing with these seven secular challenges BOOK JACKET **The Crisis of Authority in Catholic Modernity** Michael J. Lacey, Francis Oakley, 2011-04-06 It is fairly clear that while Rome continues to teach as if its authority were unchanged from the days before Vatican II 1962-65 the majority of Catholics within the first world church at least take a far more independent line and increasingly understand themselves rather than the church as the final arbiter of decision making especially on ethical questions This collection of essays explores the historical background and present ecclesial situation explaining the dramatic shift in attitude on the part of contemporary Catholics in the U S and Europe **Broken Promises:** Finbarr M Corr Ed. D., 2012-03-28 To understand trends in the Roman Catholic Church since Vatican Council II 1962-1965 Finbarr Corr's new book Broken Promises is required reading With his skill as an Irish storyteller that was vividly evident in his prior books Corr a former priest constructs an important new window on what he describes as the Church's third major crisis since Jesus Christ established it on Simon Peter the Rock Drawing on decades of vital experience as a crusading priest innovative family therapist and provocative educator and author Dr Corr asks if the Church can survive its failure to follow through on the dictates of Vatican Council II which was initiated by Pope John XXIII to open up the windows of the church and let in some fresh air Dr Corr provides a fresh look at the fifty years since Vatican II and presents a rich study of the Church's relationship to the modern world Broken Promises provides new insights into this challenging topic Tom O Connell B A M A S F O Publisher of sanctuary777.com and Author of Power Politics Propaganda Observations of a Curious Contrarian The Councils of the Catholic Church: Nicea to Now Frances Spilman, 2015-09-14 When you think of the Councils of the

Church you probably imagine a group of Cardinals and Bishops quietly discussing obtuse theological doctrines which have no practical implications Perhaps a loud cough is heard once in a while but on the whole it is a staid affair Actually the Councils were anything but impractical or quiet There were loud disagreements and accusations of heresy The Council members cared deeply about the religious and social problems of their day arguing for months sometimes years in order to find a solution Each chapter of the book contains a discussion of why the Council was called and what happened at the Council as well as Biblical references and prayers You shall meet many saints from Saint Francis to Saint Nick as well as a few characters not so holy Each Council has its own exciting story but each has a unifying theme in the Church's unending mission to guide souls to God

Anti-Gender Mobilizations, Religion and Politics Massimo Prearo, 2024-03-12 This book presents an innovative exploration of the rise of political forces that have coalesced around the anti gender movement shaping strategies that advocate novel intersections of religion politicization of gender and sexuality and radical and populist rejuvenation of conservative ideologies Through an extensive examination of activist discourses and mobilizations the author offers a comprehensive political analysis of anti gender mobilization encompassing a multidimensional examination of religious activist and political opportunity structures This study unveils three distinct facets characterizing these emerging Catholic movements their relative autonomy from the Church extra ecclesiastical their divergence from conventional religious frameworks extra Catholic and their party political alignment within the far right area The author proposes a new perspective on this burgeoning Catholic cause contextualizing it within the transnational dynamics underscored by the existing literature Particularly noteworthy is the scrutiny of internal reshaping within the Italian political Catholicism realm between the 1990s and the 2000s set against the backdrop of the dissolution of the Christian Democratic Party Through the lens of the Italian landscape this study extends its analysis to offer broader insights into the contemporary political uses of religion within democracies along with contentious issues arising from gender and sexuality debates transcending the confines of the Italian context This book holds significant relevance for scholars and students engaged in gender studies religious studies social movements populism political science political sociology political history and Italian studies

Perils of Centralization Ken Kollman, 2013-11-25 Examines the histories of the US government the Catholic Church General Motors and the European Union as examples of federated systems that centralized power

Bound by Truth Peter A.

Kwasniewski, 2023-12-11 At the sixtieth anniversary of Sacrosanctum Concilium the situation on the ground for Catholics is more chaotic than ever A liturgical reform meant to usher in a new age of full churches and ecumenical rapprochement delivered neither instead churches are emptying and closing at an unprecedented rate Meanwhile an ancient old rite grown to maturity in the Middle Ages encrusted with Baroque pearls and officially pronounced dead in the 1960s has made an astonishing return around the world Tolerated by Paul VI permitted worldwide by John Paul II declared free for everyone by Benedict XVI and most recently put under ban once more by Francis the Tridentine Mass remains a powerful and polarizing

reality in the Church of Rome an ark of holiness and beauty to the priests and faithful who love it a belligerent backwardism to those who seek its abolition In this state of spiritual civil war questions of authority and obedience are never far from anyone's mind Bound by Truth grapples with the momentous issues of authority obedience tradition and the common good Part I Papacy Patrimony and Piety addresses the teaching of Vatican I on the pope's universal jurisdiction the limits of his authority in light of other authoritative principles such as liturgical tradition and local custom the properly Catholic way to interpret and follow the Magisterium and the virtue of intelligent God-fearing and communally perfective obedience versus its vicious distortions willful rebelliousness on the one hand and a blind thoughtless self-destructive submissiveness on the other Part II Faithful Resistance looks at historical examples of prelates who legitimately pushed back against papal overreach discusses how clergy should navigate unjust episcopal decrees on private Masses concelebration the use of the *Rituale Romanum* etc shares advice and strategies for laity who seek to promote and defend tradition in their dioceses and draws inspiration from persecuted religious sisters whether their tormentors were Soviet Communists or apparatchiks of the postconciliar ecclesiastical bureaucracy Peter Kwasniewski is a sane and learned voice crying out from within a Catholic Church which in its earthly visible aspect seems to have lost its mind SEBASTIAN MORELLO Examines the difficult topics of authority and obedience with forthrightness and a willingness to engage even the most controversial debates a timely guide to how Catholics might respond when truth and tradition are under attack by those who should be their foremost defenders ERIC SAMMONS As with his earlier books so here Kwasniewski emerges as an apostle of tradition and a paladin of the ancient Roman rite A book to be treasured MICHAEL SIRILLA Both summarizes the author's recent thought and serves as a guide and resource for beleaguered faithful theoretically challenging and eminently useful STUART CHESSMAN Critiques the latest and historically worst abandonment of our grip on the cord that ties us through tradition to the Word Incarnate and indicates the paths along which health and sanity will be recovered JOHN C RAO Offered with his usual mixture of scholarship and wit Kwasniewski's analysis is primarily and accurately applied to the situation in the Church but the principles he explores in this book also admit of far wider application CHARLES A COULOMBE This thoroughly researched and cogently argued book could not have been published at a better time BRIAN M MCCALL

Thank you definitely much for downloading **The Great Facade Vatican Ii And The Regime Of Novelty In The Roman Catholic**. Most likely you have knowledge that, people have seen numerous periods for their favorite books taking into consideration this **The Great Facade Vatican Ii And The Regime Of Novelty In The Roman Catholic**, but stop in the works in harmful downloads.
