The Great Frederick And Other Stories:

The Great Frederick and Other Stories Margaret Epp, 1971 *Dr. Vermont's fantasy, and other stories* Hannah Lynch, 2023-07-10 In *Dr. Vermont's Fantasy and Other Stories* Hannah Lynch weaves a rich tapestry of narrative that intricately explores the complexities of human emotion and social dynamics in a rapidly changing world. The collection features a blend of whimsical fantasy elements and sharp realism showcasing Lynch's innovative literary style that engages the reader with its vivid imagery and insightful characterizations. Set against the backdrop of early 20th century society these stories encapsulate the tensions of modernity while delving into the realms of dreams, desires, and the absurdities of everyday life. Hannah Lynch, an Irish novelist and a prominent figure of the Celtic Revival, drew upon her rich cultural heritage and personal experiences to craft this collection. Her travels across Europe and keen observations of society's intricacies honed her literary voice, allowing her to comment on gender, class, and identity within a broader socio-political context. Lynch's passion for storytelling and her friendship with contemporaries like James Joyce undoubtedly influenced her narrative style and thematic choices in this collection. This book is highly recommended for readers seeking a thoughtful exploration of human experience through the lens of fantasy and realism. Lynch's captivating storytelling, coupled with her insightful social commentary, offers a profound reflection on the human condition that resonates with contemporary audiences while providing a glimpse into the societal challenges of her time. *Prometheus Two and other Stories* S.J. Byrne, 2019-01-20

Unless there were really Gods in space. 2. Armageddon. During the history of every planet in the universe a time arrives when the final battle of Armageddon must be fought. The participants however aren't native to it. Two tales of impending doom to inspire and excite your imagination.

Stories Franz Rottensteiner, 2008-12-31. Handsomely equipped with a comprehensive introductory historical essay, editor's notes, and selected bibliography, this distinguished anthology is a model of genre research. These previously untranslated stories, published from 1871 onward, offer reading virtually unknown to most American and many German readers. Some authors combine scientific and philosophical issues like Kurd Lasswitz in his witty tale *To the Absolute Zero of Existence*. A story from 2371 while others, as in Erik Simon's 1983 title story, pose psychological puzzles involving alien phenomena. Though the earlier stories in particular demand painstaking reading, all of them repay it with rewarding insights into German and Austrian culture and the many possible uses and misuses of science. **That Little Marquis of Brandenburg Or the**

Boyhood of the Great Frederick William Rutherford Hayes Trowbridge,1905 **A Glove Shop in Vienna and Other Stories** Eva Ibbotson,2014-05-22 Discovering Eva Ibbotson's books is one of the nicest things that's ever happened to me. The most beautiful delicious wry read Marian Keyes. Curl up with a collection of romantic short stories taking you from nineteenth century Vienna over the wild moors of Northumberland to the snowy streets of pre-revolutionary St Petersburg. A collection of eighteen romantic short stories from the award-winning and much-loved Eva Ibbotson. *A Glove Shop in Vienna* will show you the great passions and astute observations of everyday life. Join Great Uncle Max torn between his grand and secret love for Susie the enchanting glove shop assistant and the devotion of his opera-singing wife. Meet Miss Bennett, drama mistress at the fading Markham Street Primary School whose search for a baby Jesus for the nativity play yields unexpected and miraculous results. And agonise with Kira, a dancer in Russia's Imperial Ballet school thrown out onto the streets of St Petersburg and found by Edwin, a lonely dreamer. A chocolate box collection of deliciously romantic, atmospheric and witty stories to lose yourself in this Christmas. Eva Ibbotson is such a good writer that her characters break the bonds of the romantic novel. Washington Post **Knock, Knock, Knock and Other Stories; The Novels** Ivan Sergeevich Turgenev,2025-08-16 Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. *Danger! and Other Stories* Arthur Conan Doyle,2017-11-21 The title story of this volume was written about eighteen months before the outbreak of the war and was intended to direct public attention to the great danger which threatened their country. It is a matter of history how fully this warning has been justified and how even down to the smallest details the prediction has been fulfilled. Sunday's Colt and Other Stories of the Old West Randy D. Smith,2004 Step back into the exciting and humorous American West with several selected short stories and the novella *Sunday*. *Colt* from award-winning Old West fiction and outdoor writer Randy D. Smith. Read fictional accounts of the death of the notorious man-burner of the plains, Print Olive, and the first documented journey of the Santa Fe Trade in 1823. These stories are based upon actual period journals of the events and retold in exciting modern language to provide the reader unique insight into years of historical research. Join Ty Lee Driscoll and Red River Sam Bonnet in hilarious and touching short stories from a popular series featured in *Read the West*. Some never before published. Finally enjoy the touching story of a young man's early life in turn-of-the-20th-century Kansas as it centers on an orphan colt. Based upon fictionalized accounts of the author's family history of Kansas settlement and the challenges they faced. *Sunday* is the perfect story to warm your heart, make you laugh out loud and perhaps shed a tear or two. These aren't your typical shoot 'em ups but stories meant for all ages to inform and entertain. This book is also available in print.
