The Great Railway Conspiracy The Fall And Rise Of Britains Railways Since The 1950s:

The Great Railway Conspiracy David Henshaw,1994

The Great Railway Conspiracy David Henshaw,2013

History of Rail Transport in Great Britain , Government, the Railways and the Modernization of Britain

Charles Loft,2006-09-27 This work explains the background to and politics behind the infamous Beeching Report which recommended the closure of a third of Britain s railways

British Rail Christian Wolmar,2022-06-09 The authoritative and fascinating history of the rise and fall of the state owned British Rail Wolmar s book is impeccably organised and makes a fast enjoyable read THE TIMES Literary Supplement _____ British Rail wasn t how we re asked to remember it From ancient rolling stock to patchy service stale sandwiches to the wrong kind of snow British Rail our last great state owned organisation to be privatised has received a terrible press But after its controversial 1948 creation British Rail was actually an innovative powerhouse that over five decades transformed the UK creating one of the fastest regular rail services in the world Award winning journalist Christian Wolmar takes us from promise to punchline exploring British Rail s birth into post war austerity the many battles and struggles to evolve what many considered to be a dinosaur and how at the height of its success the service was misunderstood and unfairly maligned ruthlessly broken up and privatised _____ Praise for Christian Wolmar Wolmar is the high priest of railway studies Literary Review The greatest expert on British trains Guardian Our most eminent transport journalist Spectator If the world s railways have a laureate it is surely Christian Wolmar Boston Globe Christian Wolmar is in love with the railways He writes constantly and passionately about them He is their wisest most detailed historian and a constant prophet of their rebirth if you love the hum of the wheels and of history then Christian Wolmar is your man Observer

British Railways in the 1950s and '60s Greg Morse,2012-09-20 As Britain moved from austerity to prosperity in the 1950s and 1960s it became clear that British Railways needed to modernise its equipment and rationalise its network if it was to hold its own in the face of growing competition from road and air transport After attempting to maintain pre war networks and technology in the 1950s a reversal of policy in the 1960s brought line closures new liveries and the last breath of steam as Dr Beeching and his successors strove to break even and build a new business from the old From Britannia to the Blue Pullman Evening Star to Inter City Greg Morse takes us through this turbulent twenty year period which started with drab prospects and ended with BR poised to launch the fastest diesel powered train in the world

British Railways in the 1970s and '80s Greg Morse,2013-08-10 For British Rail the 1970s was a time of contrasts when bad jokes about sandwiches and pork pies often belied real achievements like increasing computerisation and the arrival of the high speed Inter City 125s But while television advertisements told of an Age of the Train Monday morning misery continued for many the commuter experience steadily worsening as rolling stock aged and grew ever more uncomfortable Even when BR launched new electrification schemes and new suburban trains in the 1980s focus still fell on the problems that beset the Advanced Passenger Train whose ignominious end came under full media glare In British

Railways in the 1970s and 80s Greg Morse guides us through a world of Traveller s Fare concrete concourses and peak capped porters a difficult period that began with the aftershock of Beeching but ended with BR becoming the first nationalised passenger network in the world to make a profit Rethinking Secular Time in Victorian England Stefan Fisher-Høyrem,2022-08-29 This open access book draws on conceptual resources ranging from medieval scholasticism to postmodern theory to propose a new understanding of secular time and its mediation in nineteenth century technological networks Untethering the concept of secularity from questions of religion and belief it offers an innovative rethinking of the history of secularisation that will appeal to students scholars and everyone interested in secularity Victorian culture the history of technology and the temporalities of modernity *Tracing Your Railway Ancestors* Di Drummond,2010-06-15 Di Drummond s concise and informative guide to Britain s railways will be absorbing reading for anyone who wants to learn about the history of the industry and for family history researchers who want to find out about the careers of their railway ancestors In a clear and accessible way she guides readers through the social technical and economic aspects of the story She describes in vivid detail the rapid growth maturity and long decline of the railways from the earliest days in the late eighteenth century to privatization in the 1990s In the process she covers the themes and issues that family historians local historians and railway enthusiasts will need to understand in order to pursue their research A sequence of short fact filled chapters gives an all round view of the development of the railways In addition to tracing the birth and growth of the original railway companies she portrays the types of work that railwaymen did and pays particular attention to the railway world in which they spent their working lives The tasks they undertook the special skills they had to learn the conditions they worked in the organization and hierarchy of the railway companies and the make up of railway unions all these elements in the history of the railways are covered She also introduces the reader to the variety of records that are available for genealogical research staff records and registers publications census returns biographies and autobiographies and the rest of the extensive literature devoted to the railway industry **Ibss: Political Science: 1991** British Library of Political and Economic Science,1993 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences
