The Great Rapture Hoax:

The Great Rapture Hoax Dave MacPherson,1983 **Some Public Reactions to The Great Rapture Hoax** Dave MacPherson,Robert Duncan Culver,1986 **The End** Mark Hitchcock,2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ **America's Demise, Antichrist's Rise** Thomas G. Reed,2021-11-02 Are you aware that the current events shaping our world reflect apocalyptic biblical predictions It's clear that the end of time is near This book is a wake up call for Christians and American patriots who can no longer afford to shrug and hope for the best The strong foundation of Judeo Christian values that built our great country has crumbled to the ground in the face of humanism and liberal progressivism America's demise parallels the demise of mankind as a whole How have we reached this state of crisis We explore the death grip that humanism has on America and the ultimate fate of all the world's citizens We examine both the source of sin and the path toward holiness including death to the old self and resurrection of the new It is essential to heed the warnings found in God's Word warnings which become increasingly relevant as the Great Tribulation draws near With a detailed evaluation of the Scriptures we identify the timeline of the Tribulation Rapture return of Jesus Christ and the thousand year millennium Realizing that the Rapture will not take place prior to the Tribulation we must accept the Tribulation when it begins and recognize its ramifications or risk being deceived by Satan and the Antichrist As the Tribulation defines our end so does it offer an opportunity for a new beginning if we can achieve perfection through our Lord While cataclysmic occurrences may be imminent devoted Christians can also expect wondrous rewards both here and now and for all eternity **The Truth Behind Left Behind** Mark Hitchcock,Thomas Ice,2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind's biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event Story Behind the Book With the incredible success of this series we believe that

it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series Why Christians Will Suffer "Great Tribulation" Joe Ortiz,2007-02-07 This sequel to *The End Times Passover* Why Christians Will Suffer Great Tribulation biblically proves why Gods true disciples will experience great tribulation and will have to remain on earth awaiting the return of Jesus Christ Most evangelical Christians believe in The Rapture they just dont know if its going to be a Pre Tribulation Rapture or a Mid or Post Tribulation Rapture Regardless many evangelicals believe the Rapture is right around the corner They believe that Armageddon is knocking at the door The crisis and battles for territorial rights in the Middle East the outbreak of Holy Wars and terrorism throughout the world have most evangelicals convinced the end is near But they arent worried because their hopes lie in The Rapture a unique event where they believe Jesus Christ will return to earth and snatch them secretly up to heaven while all hell breaks loose on earth But what would happen if there wasnt going to be a Rapture What would happen if all of those stories they have been hearing and reading about not being Left Behind were nothing but sheer lies Would that concern them Are they prepared to experience great tribulation This sequel to *The End Times Passover* Why Christians Will Suffer Great Tribulation biblically proves why Gods true disciples will experience horrible persecution while awaiting the final return of Jesus Christ However many of these brave disciples will be found preaching the gospel as never before regardless of the price Millions of them may even be slaughtered but they will die for Christ the way He died for them This may not sound like Good News but its absolutely true Check out the reasons why

The End Times Passover Joe Ortiz,2006-11-01 WILL CHRISTIANS EXPERIENCE GREAT TRIBULATION Most evangelical Christians believe in a Pre Tribulation Rapture and they believe it is right around the corner They believe that Armageddon is knocking at the door The crisis and battles for territorial rights in the Middle East the outbreak of Holy Wars and terrorism throughout the world have most evangelicals convinced the end is near But they arent worried because their hopes lie in The Rapture a unique event they believe will have Jesus Christ returning to earth to secretly snatch them up to heaven while all hell breaks loose on earth What will happen to their faith if they are proven wrong *The End Times Passover* not only biblically proves there will be no Pre Tribulation Rapture it proves that The Bride of the Lamb is not the Church that there will not be a 1000 year millennial reign of Christ that the human soul does not go to heaven or hell immediately after death that the Promised Land is not in the Middle East that Gods children of promise are not solely ethnic Jews that the church of God began thousands of years before the Day of Pentecost and that Gods true disciples will experience great tribulation This may not sound like Good News but its absolutely true Whether you are a Christian or not are you prepared to read this book and finally learn the truth We dare you We also dare your pastor your Bible studies teacher and folks like Hal Lindsey Tim

LaHaye Dr Tommy Ice Jerry Jenkins Pat Robertson Jerry Falwell and thousands of other teachers and believers of the Pre Tribulation Rapture to read this book We dare these few good men to read and study this book and tell us if they think they can really handle the truth *An Unusual Relationship* Yaakov Ariel,2013-06-24 In this enormously well researched and gracefully argued book Ariel develops a nuanced theme the complexity ambivalence and even paradox that has characterized conservative Protestant beliefs regarding Jews and Israel and the diverse responses among Jews First rate scholarship presented in a pleasingly accessible style Stephen Spector author of *Evangelicals and Israel The Story of American Christian Zionism* It is generally accepted that Jews and evangelical Christians have little in common Yet special alliances developed between the two groups in the nineteenth and twentieth centuries Evangelicals viewed Jews as both the rightful heirs of Israel and as a group who failed to recognize their true savior Consequently they set out to influence the course of Jewish life by attempting to evangelize Jews and to facilitate their return to Palestine Their double edged perception caused unprecedented political cultural and theological meeting points that have revolutionized Christian Jewish relationships *An Unusual Relationship* explores the beliefs and political agendas that evangelicals have created in order to affect the future of the Jews This volume offers a fascinating comprehensive analysis of the roots manifestations and consequences of evangelical interest in the Jews and the alternatives they provide to conventional historical Christian Jewish interactions It also provides a compelling understanding of Middle Eastern politics through a new lens Yaakov Ariel is Professor of Religious Studies at the University of North Carolina at Chapel Hill His book *Evangelizing the Chosen People* was awarded the Albert C Outler prize by the American Society of Church History In the Goldstein Goren Series in American Jewish History **God Against Us** Alvin Miller,200? An unusual perspective on current End Time Events including the Rapture and the Great Tribulation

The Witness of Jesus, Paul and John Larry R. Helyer,2023-07-17 This book introduces the reader to the discipline of biblical theology In part one Helyer discusses the central problem of the unity of the Bible and the various options that have been proposed He then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of God Part two takes up the theology of three major witnesses Jesus Paul and John In these three witnesses Helyer finds the center of New Testament thought He emphasizes the importance of Jesus teaching as foundational for all the other the New Testament witnesses Without overlooking the diversity and individuality of the major witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of Scripture
