Lischer, 2001-06-08 Richard Lischer's book is a stirring affirmation of preaching's importance as a major enterprise in its own right It is he writes a theological preface whose aim is to show how theology informs preaching and how preaching as a kerygmatic oral practical activity informs theology and brings it to its final form of expression Dr Lischer points to the historically negative results of preaching's exclusion from theology and then shows the benefits derived from the proper interaction of the two disciplines As he elaborates on this theme he explores the centrality of the Resurrection in both theology and preaching the relation of the law and the gospel and how preaching calls upon theology to recover its oral aural foundation For Lischer the act of preaching is an exercise of the preacher's imagination The real work of imagination is not inserting clever stories or esthetically pleasing images into the argument of the sermon It is knowing how to read texts in

such a way that they will be allowed to function according to their original power and intent **Preaching Gospel** Charles L. Campbell, Clayton J. Schmit, Mary Hinkle Shore, Jennifer Copeland, 2016-08-30 Teaching preaching like preaching itself is a noble endeavor After nearly four decades of teaching Richard Lischer has sent legions of preachers across the world to preach gospel This volume pays tribute to his faith filled life of preaching and teaching The contributors some of whom were taught by Lischer have received many laurels themselves so readers will find in these pages wisdom for preaching from many quarters Some authors include sermons with helpful commentary about the preaching exercise some offer essays to illuminate the task of sermon writing all acknowledge the influence of Richard Lischer on their preaching and teaching endeavors **Iowa Biographical Dictionary** Jan Onofrio, 2000-01-01 Iowa Biographical Dictionary contains biographies on hundreds of persons from diverse vocations that were either born achieved notoriety and or died in the state of Iowa Prominent persons in addition to the less eminent that have played noteworthy roles are included in this resource When people are recognized from your state or locale it brings a sense of pride to the residents of the entire state **Writers Directory** NA NA, 2016-03-05 **The Publishers' Trade List Annual** , 1982
