The Goodbodys:

The Goodbodys Michael I. A. Goodbody, Michael Fewer, 2011 As a minority group the Quakers comprising a small number of families who intermarried only among themselves used these ties to develop their business and industrial interests where they filled the void between the Ascendancy landowning classes and the bulk of the population who had been disenfranchised by the Penal Laws The Goodbodys were such a family coming to prominence in the 19th century when they started flour milling later branching out With an unusual name they effectively created their own business brand *The Old Folks at Home* Barry Friedman, 2011-07-01 Henry and Harriet Callins discovering that all that glitters is not Golden Age move into a senior retirement residence Among the exciting events they experience are waiting for the mailman each day going to meetings where problems are solved by planning more meetings well you get the idea Henry suspects that the residents in the Assisted Living section of the facility are receiving an assist that is detrimental to their health His curiosity puts himself and his wife in mortal danger Many Parts Desmond Fitzgerald, 2006-11-24 one man in his time plays many parts As You Like It This full and engaging memoir covers Fitzgerald's eventful life from his birth during the First World War to shortly before his death at the beginning of the next millennium Some of his earliest memories are of his childhood in Africa and he maintained a lifelong fascination with the continent despite interludes in Britain He served with the Royal Engineers in the Second World War travelling extensively in Africa and the Middle East and subsequently returned to Africa first as a soldier and then as an engineer living and working in many different countries This entertaining autobiography of civilian life in Africa is full of vivid portraits of the author's family and friends and a world and a time which has changed forever *The Pacific Reporter*, 1918 *Touch of Passion* Susan Spencer Paul, 2025-09-23 My Dearest Reader When you hear my story perhaps you will think me a man unable to control his own hungers his own temptations But I warn you that I am no such thing I am simply a man who knows what he wants and what he can't live without It is only fair to tell you that my clan is one descended from magic I have learned these powers are both a blessing and a curse for the magic that flows through my blood controls my fate utterly and completely When I first saw the beautiful Loris I knew she was my unoliaeth my oneness the woman I am destined to unite with for all eternity At that moment I allowed my passion to lead me to do the unthinkable I employed a forbidden magic to win Loris's heart How did I know that my error would lead to a black curse that still haunts me today How could I have known that the curse would irrevocably cast Loris's affection for me to another man Now I am left to ponder how I might win Loris back black curse be damned I believe there must be a way For while it is the darkest realms of magic that keeps Loris from becoming mine there is another power at play the undying unending love of one man for one woman And I pray that in the end that will be enough Your obedient servant Kian Seymour Castle Tylluan London
